NOVEMBER.

IF a man is warned of danger does not heed, and suffers, for instance, a broken limb, that is no reason why he should be heedless still and not favor the healing process. Nor because a man is heedless, and from exposure suffers disease of the Throat, Lungs, Liver, Kidneys, or Digestive Organs, &c., is that a reason why he should not seek for help.—And for the real cure of any of those diseases, were we asked for an opinion, we would say by all means use the Great Shoshonees Remedy. w41 1m

MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and incontrovertible fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS:—The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; pain in the head and stomach, unquiet sleep, faintings, trembling, doughs, indigestion, low spirits, fruitful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as in the use of other Worm Medicines.

☞ Each box contains the fac-simile signature of NORTHROP & LYMAN, Newcastle Ontario, who are the sole proprietors.

N. B.—Ask for *Holloway's Worm Lozenges*, and take no other. Sold in Goderich by Parker & Cattle and F. Jordan; Gardiner & Co. Bayfield; James Bentham, Rodgerville; J. Pickard, Exeter; J. H. Combe, Watts & Jebb, Clinton; Secord, Lucknow; E. Hickson, Seaforth, and all Medicine Dealers. w43.

THE following remarks on Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are stern, undeniable and incontestible facts, sufficient to convince the most skeptical that the Great Medicinal Compound warned after for ages is now accessible in the Great
SHOSHONEES REMEDY

For Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurities of the Blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where was there ever such a cure as that in the person of Wilson Storms of Brighton, C. W., of Consumption; or that of Peter C. V. Miller, Karnestown, C. W., of Consumption, or that of Ambrose Wood, of Consecon, C. W., of Dyspepsia and Liver Complaint, of that of John Honey, of Napanee, C. W. of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well. Scores of such cases might be mentioned had we space.

☞ Call at the Drug Store and get a Circular or unquestionable certificates on the GREAT SHOSHONEES REMEDY and PILLS, and satisfy yourselves.

A GREAT CURE OF LIVER COMPLAINT AND DYSPEPSIA IN CANADA.

CONSECON, Prince Edward Co., C. W., March, 1867.

MESSRS. YOUNG & CHAMBERLAIN,—Sirs, having proved within my own person that there is at last a medicine that will indeed cure liver complaint and Dyspepsia, I am indeared to make this statement under oath, which is to certify that I have been sorely afflicted for the last three years, according to the Doctors' statements with Liver Complaint and Dyspepsia. I had a feeling of sinking and vague uneasiness about the stomach, worse than pain, eructations of wind, occasional pain, drowsiness, constipation, uneasiness in the right side, headache, a poor appetite, &c., &c., and was greatly reduced in strength. Hearing your new Indian medicine the Great Shoshonees Remedy spoken of so highly, I tried a bottle with your Pills, from these I must say I found but little change, but I took another and then found my health improving. I continued it until I have taken about ten bottles, using the pills, and I find that I have quite recovered. I eat hearty without pain or uneasiness. I am well and have pleasure in attending to my business. The doctor remarked to me I was looking much better. He told him the Great Shoshonees Remedy was doing it. I have recommended the Remedy in several cases and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.
AMBROSE WOOD,
Sworn before me at Consecon, C. W., this 2nd day of March, 1867.
