IMPORTANT ENGAGEMENTS

Kept Mayor Beck and Mr. Carrothers From Meeting.

Chairman of Board of Health Is Therefore Still To Be Elected.

The board of health was called yesterday afternoon to organize for the year, but a meeting did not materialize. Messrs. Ald. Campbell, ex-Ald. Taylor and H. C. McBride were the only members who came prepared to attend to the city's business.

A few minutes after the time set for the meeting, Mayor Beck came in,

MR. JAMES MATTINSON,
Member of the Board of Health, who resigned because he could not obey the dictates of the Club.

but seeing that the chances of electing his candidate for the chairmanship, ex-Ald. Skinner, were extremely slim, he hurriedly left the room on the pretext that he had an important meeting of the police commission to attend and could not remain.

Ald. Campbell asked the mayor to wait until a chairman was elected. This he refused to do and retired.

Ex-Ald. Carrothers, who is also said to be an aspirant for the position of chairman, was at the hall also, but did not enter the committee room.

BEAT OFF THE BAILIFF

Milkman Blaney, of Dreaney's Corners, Arrested.

Charged With Assaulting Bailiff Stevens, Who Had Writ to Serve.

Joseph Blaney, a milkman residing at Dreaney's Corners, was arrested last evening by Detective R. W. Ward on a charge of assault, and on a charge of threatening to kill. He furnished bail in the sum of $400, and was released until Saturday when he will appear before Squire Lacey for trial.

The complainant is Bailiff L. W. Stevens, who, accompanied by Constable McGraw, went out to Blaney's place yesterday afternoon to serve a writ of commitment in the ninth division court. Blaney, it is alleged, was in the yard when the two men drove in and on learning their mission is said to have flourished an axe. At the same time he is said to have told the bailiff to journey to that portion of the universe where the coal ring wouldn't bother him. The bailiff and the constable became alarmed at his actions and agreed to leave the yard. In their haste to turn around the cutter upset, whereupon Blaney began to smash in the side of the cutter, according to the bailiff, who was slightly injured in one hand. A warrant being issued by the men on their return to the city the arrest followed without any trouble.

Steamer in a Perilous Position.

Charlottetown, P. E. I., Jan. 26.—The steamer Stanley, after 22 days' imprisonment in ice off shore, Cow Head, was driven stern-first down the straits. She is now 30 miles off Summerside, in a heavy northwesterly gale, and slowly moving with the packed ice eastward.

IRRITATING TROUBLE QUICKLY OVERCOME

If You Only Find Out the Right Course to Pursue.

Many physicians who advertise to cure piles, without the aid of the knife, simply use Pyramid Pile Cure remedies. They do so because they know it is the best medicine for obtaining a proper combination of the most scientific ingredients for the cure of piles.

Pyramid Pile Cure is not an experimental stage, but is an established remedy, and is recognized and used by the best physicians in the country. Being in suppository form, it reaches the trouble at once and the healing process is quick and effective; immediate results are obtained, and before the patient realizes the fact he has recovered from the pain, suffering and irritation which this trouble causes.

Children who suffer from this painful trouble, obtain relief at once. It is well with a very young child to reduce the size of the suppository before using. However, if children are afflicted with piles, they should be treated without delay, or the trouble may become chronic. Hundreds of little ones have been cured with Pyramid Pile Cure.

The prevention of piles is better than the cure, and they can be prevented if only people would look to the regularity of the bowels and not become constipated. Constipation and its attendant ills can be avoided by the use of Pyramid Pills. The proprietors of the Pyramid Pile Cure saw that it was necessary to use with the majority of their patients a mild non-irritating laxative, and the Pyramid Pills for constipation were the result of much careful thought and patient investigation. Pyramid Pile Cure and Pyramid Pills are sold by druggists everywhere for fifty and twenty-five cents per package.

A little book on the nature and cure of hemorrhoids or piles will be furnished free upon application to the Pyramid Drug Co., Marshall, Mich.

MUSIC AND DRAMA

George F. Hall Is All There Is to "An American Hustler."

George F. Hall is smooth. So is his play, "An American Hustler." In fact, the playwright, to make it smooth, seems to have taken all manner of liberties with common sense. This melodramatic comedy, however, is but a pretext for Mr. Hall to exploit his peculiar style of acting. At its presentation last night at the Grand a large audience was present, who demonstrated fully their appreciation of its good qualities. It has good qualities, chiefly apparent when the said George F. Hall is on the stage. It is a classic in slang and is destined to become "the idol of the gods." The flow of language is such as might have been expected by those who have heard Mr. Hall in "The American Girl" and such comedies of the "made-to-order" variety. Mr. Hall is without doubt an adept in the art of stage eloquence, and his very funny sayings last night did not fail to please the audience, while his comic songs were received with repeated encores. As "An American Hustler" was made for Mr. Hall, with its fit and workmanship guaranteed, proof of which was given by the starring comedian, it is unnecessary to mention any others in the cast. He's it.

AN ENGLISH MUSICAL COMEDY.

Dan Daly, in "The New Clown," the great English musical comedy success, is the offering at the Grand on Thursday. The piece offers Mr. Daly exceptional opportunities for the display of his talents, but the others in the cast have not been slighted in the matter of parts. Show girls of the Gibson, Christy and Stanislaus type are much in evidence. In the cast are Louis Harrison, Bert Thayer, Tom Browne, Sumner Gard, Francklyn Wallace, Edward Gore, Merri Osborne, Eugenie Hayden, Eva Westcott, Jane Lovell, and many others of equal cleverness, the large chorus being one of the leading features of the attraction.

A DRAMATIC TREAT.

Martin Harvey, the young English actor, who makes his first appearance at the Grand on Friday in "The Only Way," a dramatic version of "A Tale of Two Cities," is but 37 years of age, but he has had over twenty years' experience on the stage. Mr. Harvey is the perfect realization of Sydney Carton, the man whom Dickens created in his imagination, and whose tragic career has been read and impressed upon the minds of all who have been students of the works of the great novelist.

CANADIANS IN CALIFORNIA

Said To Be Successful—Old Londoner in the City.

Mr. Martin J. O'Meara, of San Francisco, Cal., registered at the Grigg House late yesterday afternoon. Mr. O'Meara is a former Londoner, and is visiting in the city, which is his native place, he having lived here twenty years ago.

He has been engaged for a number of years in the wine business in California, at present being connected with a firm at Stockton. He says he is glad to revisit the scenes of his youth, but thinks there is no country like the Golden West. The business along the coast is constantly increasing, there being an enormous amount of money in circulation there.

Many of the most successful men in San Francisco and the other large cities of the west are Canadians. The man who was responsible for the development of the famed Los Angeles district was a Canadian. They have invariably proved thrifty, says Mr. O'Meara, which accounts for the success they have met.

FELL TWENTY-FIVE FEET

West Nissouri Farmer Seriously Injured by Fall From Bridge

A serious accident befell Walter Fitzsimmons, a West Nissouri farmer, on Saturday last. Mr. Fitzsimmons, who lives on the old Fitzsimmons homestead, near Thorndale, was working on a bridge over the Thames, a mile and a half west of the village, when he fell a distance of 23 feet. The injuries he received were about the head and side, and rendered him unconscious, in which condition he remained for several hours. Yesterday he was slightly improved, regaining consciousness for brief periods, but the doctors were still unable to tell the extent of his injuries. They are of the opinion that unless pneumonia develops he will recover.

MANY SMALLPOX CASES

Nine in St. Thomas—One at Petrolea—Sixteen Near Deseronto.

Toronto, Jan. 26.—Sixteen cases of smallpox are reported on the Yenden Indian reserve, near Deseronto. In St. Thomas, Dr. Bryce says, there has been nine cases, at Almonte four, and at Petrolea one.

Toronto, Jan. 26.—Dr. Bryce reported today that the smallpox outbreak on the Tyendinaga Indian reserve, near Deseronto, had resulted in sixteen cases. At Elmo, on the Rainy River, there have been four cases, and at Petrolea one case, which has been traced to St. Thomas.

at the Conservatory Music Hall last night. The quartet was assisted by Miss Morris at the piano, and Mr. Francis Firth, who has a most beautiful and perfectly cultivated baritone, and, moreover, enjoys the distinction of being the only Canadian who has sung in Italian opera. Last night he sang Leon Cavallo's masterpiece, the prologue from "I. Pagliacci," and sang it with true artistic feeling, and a song composed by himself, to which Miss Adamson played the violin obligato.

WANT THAT $50,000.

Toronto Telegram: C. B. Edwards, city clerk of London, signs the formal application to the Legislature for authority to do a number of things in the Forest City. In the first place they want to raise funds for the construction of cement sidewalks, tile sewers and macadam pavements. They also seek permission to give the McClary Manufacturing Company and the London rolling mills portions of Trafalgar and William streets. Finally, they ask the ratification of a bylaw to raise $50,000 for fire protection and hospital purposes.

Canadian Firms Should Be Represented

Ottawa, Jan. 27.—It is evident that Canadian firms looking for contracts in South Africa must be represented by local agents out there. Whatever supplies the South Africann authorities want they want at once. Sir Percy Girouard has anounced that he African Railway Department will deal with local agents of Canadian firms, but that there is not time enough for tender forms to travel to Canada and back.
