OBITUARY.

Mrs. Ina Hubley.

Mrs. Ina Hubley, widow of the late Daniel Hubley, passed into the home beyond in the early hours of Monday morning, January 19th 1925. Our sister was sixty years of age.

Sister Hubley had made her plans to remain in the home village at Clementsvale where she would be near those with whom she had co-operated for many years as a devoted servant of Jesus Christ and a member of the Clementsvale United Baptist church.

"The harvest truly is great and the laborers are few." This truth was borne in upon us with staggering force as we saw one who had been "steadfast, immovable, always abounding the work of the Lord" in the front ranks of Christian service, struck down so suddenly by the last enemy—death.

The call for her indeed came suddenly, and in the still hours of the night, by a shock of paralysis, from which she never rallied. She was ready. The admonition of her life and death rings out, "Be ye therefore ready also, for ye know neither the day nor the hour."

As those who gathered about and looked upon the calm, strong features, there came into our hearts a special conviction that death had been for her swallowed up in victory and its sting removed by the Divine grace of her Lord.

We as a community will still continue to feel a keen sense of loss and sorrow because of the departure of our beloved sister from the circle of high interests which she so genuinely shared.

All that was earthly was laid to rest at Milford by the side of her late beloved husband.

The three daughters who are left of the family are: Mrs. Harry Lee, who resides in St. John, N. B., Mrs. Willis Potter, who lives near the old home at Clementsvale, and Miss Freelove, who had been employed in Moncton. To all these we extend our heartfelt sympathy.—(Com.)

OBITUARY.

Williard J. D. Brown.

On Thursday morning 29th January 1925, after a long illness, borne with patient hopefulness, Willard J. D. Brown, Lawrencetown, eldest son of the late Deacon John A. Brown and Caroline A. Brown, passed to the Great Beyond.

Being of a genial and social nature, Will. was a favorite with old and young. His ready wit never failed to provoke smiles and in spite of long months of weakness and often intense suffering, he had a cheery word and a smile for all.

His wife and only son have the sympathy of a wide circle of friends.

OBITUARY.

Mrs. Emeline Clarke.

Karsdale.—We deeply regret to report the death of Mrs. Emeline Clarke which sad event took place on Sunday at the residence of her son, Vernon.

Mrs. Clark was a lady very highly esteemed by a large circle of friends. She leaves two sons and two daughters: Vernon, at home, Henry, sailing out of Boston, Mrs. Bath, residing in Boston and Hattie, also residing in that city.

A PLEASANT GATHERING.

Last Tuesday evening, Feb. 3rd the Crokinole Club of Beaconsfield, was entertained at the home of Mr. and Mrs. George Chute. The first part of the evening was spent playing crokinole in which eight boards were used. Later there was music and other games after which Mrs. Chute served a very tasty luncheon. At the midnight hour the happy party broke up, hoping to meet again soon at the same home. The next gathering will be at the home of Mr. and Mrs. Wheelock Marshall.

Fine for catarrh when melted in a spoon or snuffed up the nose and vapors inhaled.

Just rub Vicks over throat and chest and inhale the medicated vapors. It quickly loosens up a cold.

APPRECIATION OF THE WORK OF REV. A. J. PROSSER.

Rev. A. J. Prosser,
Bridgetown, N. S.,

Dear Mr. Prosser,—By a vote of the Baptist church of this town I am requested to extend to you through the columns of The Monitor some words expressing our appreciation of your work and assuring you of our whole hearted sympathy and co-operation.

While you were our pastor you did not confine your efforts to what is generally considered strictly pastoral concerns. Your interest in social problems carried you farther afield and under the guiding hand of God you were ultimately led to sever your pastoral relations with us, and give your full time to the work which lay so near to your heart.

It was with deep regret that we parted with you as pastor, but believing that the cause which you represented was a most worthy one, and that you were eminently fitted for the same, we therefore accepted your resignation.

It is now not quite a year since you entered upon your new duties as agent of The Children's Aid Society, but already the splendid results of your work amply justify the change you made in your sphere of labor. From our own church field, we have seen your work widen until it now comprises the three counties of Annapolis, Digby and Yarmouth. In every section of these counties is your work commending itself to those who are interested in the social and moral betterment of our people.

Of course in attacking the forces of evil you will necessarily make enemies of its votaries, but be assured that you have the undivided support of the Churches and other good organizations. We have been pleased to know of the splendid moral and financial backing which the County Councils have recently accorded you, and we again want to assure you that the Bridgetown Baptist church, of which you are a member, and which you have so faithfully and acceptably served as a pastor still stands pledged to give you its most hearty support and co-operation.

In behalf of the Church,

M. C. FOSTER,
Church Clerk.

Bridgetown, N. S.,
February 7th., 1925.

Last year the Bridgetown Baptist church contributed $100. to Mr. Prosser's work. Generous contributions are coming in this year and a similar amount will no doubt be raised.

FOX BREEDERS HOLD SESSION

Nova Scotia Association Hold Two Enthusiastic Meetings Here.— Registration And Other Matters Discussed.

A very largely attended meeting of the Nova Scotia Fox Breeders was held Tuesday 10th., afternoon and evening in the Board of Trade rooms. Over ninety fox breeders were present at the afternoon session and nearly as many in the evening. While the larger number were from Bridgetown and vicinity there were representatives from East and West, including Dr. Randall, of Truro, President of the Association, E. M. MacDougall, of Dest Gore, Hants Co., Secretary-Treasurer, and Hon. J. W. Comeau, of Comeauville, who is the owner of a very large ranch at that place. There were members from Kings County, and Annapolis County was generally represented from end to end. The constitution of the Association was read and adopted. Dr. Randall gave an interesting address on the state of the industry and the manner in which its business was being handled. Ex-Mayor Hicks gave an address expressing interest in the industry. A letter was received from C. C. Avard, Secretary of the New Brunswick Association, giving a resume of a recent meeting at Port Elgin, New Brunswick, where fifty new members were added. Fifty-five members enrolled at the afternoon meeting here. The Directors of the Association are President Dr. Randall of Truro; E. M. MacDougall, Secretary-Treasurer, West Gore, Hants; A. B. Clarke, J. I. Foster, C. I. Piggott, H. B. Hicks, Bridgetown; A. L. Davidson, Middleton; H. Cruikshanks, Truro; Hon. J. W. Comeau, Comeauville. The President and Secretary gave interesting addresses on the importance of registration and discussion on the subject was very fully participated in by the members present. A petition is being prepared to be sent to the Minister of Agriculture at Ottawa asking for an extension of time of one year for the registration of foundation stock for the fox ranchers of the Province.

At the evening session F. E. Bath was appointed Auditor. A letter was read from the Publicity Bureau of Nova Scotia inviting the fox breeders to co-operate in an advertising campaign which would help to make known their business in other countries. Some favorable comments were made on this matter and it will be gone into further by the Directors. The Financial Report was read which showed the funds of the Association to be in a healthy condition. A report was also made by the Secretary concerning arrangements with the Government in connection with the removing of some disabilities under which the industry at present is placed. A hearing is expected from the Government at an early date. One of the matters involved is the removal of the royalty tax on pelts. The members consider that this tax should not apply to domesticated foxes and more than to other domesticated animals. The President, Secretary and Capt. Salter were appointed to interview the Government regarding redress requested on some tax impositions connected with the industry. The Secretary went quite fully into the matter of scoring of foxes and strongly recommended owners to register their stock. The matter of a tax of $100.00 per year on outside fur buyers coming into the Province was discussed.
