It was the custom for a certain cricket team to have a fixture with G—— Asylum every summer. The asylum team, of course, included some of the inmates, and one in particular who played with great vigor was an especial favorite with the visitors. On this occasion one of the opposing team was chatting with Jamie, the inmate in question, and he remarked: "You are looking well, Jamie, since I saw you last year."

"Ay," said Jamie, "man, ye wid be nane the waur o' a year in here yersel'!"—Scottish American.

Polish Your Furniture With

Johnson's Prepared Wax

"A Complete Finish and Polish for All Wood"

It comes in paste form. You apply it with dry cloth and polish with Johnson's Polishing Mitt or a clean woolen cloth. It is very simple—anyone can properly do it. Try it—you'll be surprised to see how it improves your furniture. Why it will make it look like new. It prevents scratches from showing and preserves the wood. Johnson's Prepared Wax produces the best, most lasting and beautiful finish and polish because it contains the best grade of wax and more of it to the pound, than any other. That is why it is the "World's Standard." Insist on Johnson's and be sure you get it. Put up in ½, 1, 2, 4, 5 and 8 pound cans.

Our new illustrated book, "The Proper Treatment for Floors, Furniture and Woodwork" is FREE. Ask for it. Johnson's Prepared Wax is sold and recommended by
