SECRET SESSION ENDORSES GOVT.

Chamber of Deputies in France Stands by the Cabinet.

By Special Wire to the Courier.

Paris, June 23.—The French Government has come safely out the ordeal of the secret session. The chamber of deputies at a public sitting last night gave the government a vote of confidence by 440 to 97.

The secret proceedings, which extended over seven sittings, were welcomed both by the government, which was enabled to explain its actions freely and by its critics, who by reason of the exigencies of national defense had been unable to give particulars to support their complaints in a public session.

Most Valuable Information.

On the resumption of the public session, several motions were read by the president, only one of which, however, was accepted by the government. This was a lengthy resolution drafted jointly by the presidents of the different groups which, after expressing confidence in the government, set forth that the secret sessions had given the members of the chamber a valuable insight into the general conduct of the war and that the chamber had decided to institute and organize a delegation to exercise with the assistance of the government, a direct general check on all services supplying the needs of the army at all points, front and rear.

Confidence in Government

While having no intention of interfering with the conception, direction or execution of the military operations, the chamber held it was its duty to see that preparations of an offensive and defensive nature, both industrial and military, were carried on with a care, energy and foresight commensurate with the heroism of the soldiers of the republic.

After the passage, expressing confidence in the government was adopted, the motion as a whole was passed 444 to 80.

Socialists' Motion Not Voted On

A motion introduced by the Socialist, Leon Accambray, calling for the appointment of a committee of forty-four to investigate and report on the conduct of the war and the relations between the High command and the public authorities, with a view to taking steps if necessary to organize and control parliament in the best interests of national defence, was not voted on.

Brant Chapter

The June meeting of Brant Chapter, I. O. D. E. was held at the home of Mrs. Julius E. Waterous, "Bonnythorpe" on Monday, June 19th, the Regent, Mrs. Gordon Smith, presiding and some 50 members in attendance.

$300 from Dance.

After the opening ceremonies the minutes of the last meeting and the Treasurer's report were duly read and adopted. The recent dance receipts (including canteen) totalling an even $300.00, in acknowledgment of which, a most gracious letter from Lieut. Colonel Cutcliffe was read, two or three paragraphs also being read from the "War Whoop" (the official magazine from the 125th Brant Battalion) in appreciation of our undertaking in their behalf, etc. etc. The Chapter then extended a standing vote of thanks to all who had helped to make the dance a success, Mr. A. G. Montgomery, being especially mentioned for his generous supply of soft drinks directed on that occasion, and handled by the canteen.

Letter from Lt. Cockshutt

In the correspondence came a letter from Lieut. Harvey Cockshutt—bearing the date of April 16th, but only received by the Secretary within the last few days.

Mrs. Digby (convenor of Wool Committee) reported bundles of sox having been forwarded to Lieut. Harvey Cockshutt, Lt. A. Smith and Col. H. A. Genet—134 pair having been mailed direct to the trenches during the past five or six weeks—and as more sox were again on hand it was decided to make the next shipment to the Brantford men of the 13th Battery, from whom an appeal had indirectly reached Brant Chapter. The Secretary was also instructed to place an order for an additional 50 lbs of wool, for immediate delivery.

Paper Collection

As the Chapter had at its last monthly meeting decided to lend its assistance to the Women's Patriotic League in their newspaper canvass upon the request of Mrs. J. L. Sutherland ((Convenor for W. P. L.) the Chapter appointed a committee to arrange facilities for collecting the papers; the ladies in question to meet at the home of Mrs. J. W. Digby in the very near future to arrange ways and means.

The "San" Visiting.

The report of the visitors at the Sanitarium was given by Mrs. Marquis—Miss Brook, Mrs. Mitchell and herself having made the June visits. Palm leaf fans and additional tumblers had been purchased as per request of Miss Summers, who also reported much pleasurable anticipation amongst the patients over the forthcoming garden party. All arrangements for the latter are now practically complete, Wednesday, July 5th having been decided upon by the Governors, the regimental band to be in attendance. No admittance fee charged. Busses at street car rates to run to and from; Brant Chapter to act as Hostesses and an open invitation extended to the public generally for this "at home."

The Goodwin Recital.

Ushers and ticket sellers were arranged for the Goodwin Concert recitals, and it was left in the hands of Mrs. C. J. Mitchell (Convenor) to arrange for Sanitarium visitors during July and August, as no regular meeting will again be held by Brant Chapter until September.

Assistance being required by one of the Chapter's Tubercular Proteges in order to return to her own people in England, $35.00 was voted for this purpose. The same to be handed Mr. J. H. Spence, in trust for the above, until pasage is booked.

Letters of Sympathy

The Secretary was instructed to send letters of sympathy to Mrs. A. E. Watts, Mrs. P. P. Ballachey in their recent great bereavements, as well as to Mrs. J. G. Cockshutt, for whom it is hoped better news may come soon. Instructions also were given to the Secretary to get particulars from head office, Toronto, regarding the pins recently gotten out by them for members having sons or husbands on active service during the present war.

The Toronto Meeting

A most interesting report was given by the Regent of the Annual Meeting of the I. O. D. E., held in Toronto in May—$5.00 was voted the Women's Patriotic League for sugar needed (50 lbs) in connection with the refreshment end of the 125th Field Day, and the National Anthem brought the meeting to a close.
