☞ Mr. J. W. Yokom, of Seaforth, has abandoned the plan of having the merchants through the country to sell Eastman's Foot Stove and Lantern. He is employing agents to take and fill orders in the various townships throughout the County. A number of agents wanted immediately. The people will have the stove when they are shown its uses. One agent made $17.00 in five days. The hardware merchants in Goderich, Clinton and Seaforth are prepared to take orders.

BRICKS.—Mr. W. M. Savage states that he is perfecting arrangements for the manufacture of bricks during the ensuing summer on a large scale. As soon as possible, after the opening of spring, he will have the newest and best brick machines in operation, and will be prepared to supply any desired quantity.

STAVES AND HEADINGS.—Mr. Savage also states that he is manufacturing Staves and Headings at his works in Millburn, and that he is ready to fill all orders, however large. His spirit of enterprise deserves the support of the Salt public, which is daily growing heresbouts.

Poor Horses.

There are thousands of poor horses dragging out a miserable existence, suffering from a variety of diseases, rendering them almost worthless, that would be restored to a healthy and sound condition, and a value given to them of which their owners never dreamed, would they but use the means within their reach. From 1 to 3 packages of Darley's Heave Remedy and Condition Medicine will in all cases produce a satisfactory result; hundreds have testified to this fact.

Remember the name, and see that the signature of *Hurd & Co.* is on each package.

Northrop & Lyman, Newcastle, Ontario, proprietors for canada. Sold by all Medicine dealers.

☞ The Buffalo brokers are running against each other to secure Canadian money which is now quoted at one per cent premium but the run is nothing compared with that after the *Canadian Pain Destroyer*, which the people have found out to be the very best thing for the cure of colds, rheumatism, sore throat, bowel complaints, &c. Sold by all Medicine Dealers at 25 cts per bottle.

To the Electors of St. George's Ward.

GENTLEMEN,

I should not take the trouble to address you, but for the unfair and ungentlemanly conduct of my opponent for the position of Councillor which I now occupy in this Ward. I am informed by many of the Electors that when they were called upon by Mr. Moore, and solicited by him for their votes, that they were under the impression that there were three Councillors to be elected as usual supposing they could vote for him and me both. Now I hold that if Mr. Moore had been an honest man, he should have informed such parties of the character of the new law, that they could only elect one new Councillor to each Ward this year, instead of obtaining their promises of support, and leaving them under the impression that they could vote for me too. This may be a very smart lawyer like way of doing business, but I hold that it is substantially acting a falsehood, and equal in a moral point of view to telling a bundle of lies. So I therefore look upon such a man as not worthy of public confidence, and further, I look upon him offering himself for the position of Councillor in this Ward, where he neither resides nor owns ten cents worth of property, as an insult to the common intelligence of the interested Electors of this Ward.

And, in conclusion, I offer myself at the request of many friends for re-election as Councillor for this Ward, feeling as I do, conscious of having discharged my duties honestly and faithfully for many years, having no doubt but you will return me to the position,

I remain,
Gentlemen, Yours &c.
W. G. SMITH.

MAYORALTY FOR 1868.

Having been requested by a number of the citizens of Goderich, who think that a more economical and better administration of the affairs of the town will be arrived at, by electing some other than the nominee of the Detlor party, the officials of the town, and individuals having an interest in the Northern Gravel Road. Therefore, I offer myself for your suffrages for Mayor for 1868, and as it is as much for YOUR INTEREST as it is mine to have your affairs duly administered, I will not be at any expense toward furthering my election, but if elected I will to the best of my ability attend to your interests.

MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS: —The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; pain in the head and stomach, unquiet sleep, faintings, trembling, doughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics, as in the use of other Worm Medicines.

☞ Each box contains the fac-simile signature of NORTHRUP & LYMAN, Newcastle Ontario, who are the sole proprietors.

N. B.—Ask for *Holloway's Worm Lozenges*, and take no other. Sold in Goderich by Parker & Cattle and F. Jordon; Gardiner & Co. Bayfield; James Bentham, Rodgerville; J. Pickard, Exeter; J. H. Combe, Watts & Jebb, Clinton; Secord, Lucknow; E. Hickson, Seaforth, and all Medicine Dealers. w43.

DECEMBER.

What is the healthy, worldly man's ambition? Wealth, Wealth, Wealth. And what the poor invalid's? Health, Health, Health. 'Tis true, gold is dross compared with health. Take care of it, but if you have already lost it from disease of the Throat, Lungs, Liver, Kidneys, or Digestive Organs, &c., remember that there has never been heretofore a medicine that could in any way compete with the Great Shoshonees Remedy for the radical cure of those diseases.

BATTLE WAGONS, (The great public remedy,) have now been in use over twenty years hence it cannot be said that they are on trial. They have been thoroughly tried, and pronounced (on the authority of those whose lives and health they have preserved) to be a cure, harmless and eminently salutary preparation, and if taken in season will invariably cure colds, coughs, sore throat, and Bronchial affections. One fair trial will convince the most skeptical. Sold by all Medicine Dealers, at 25cts. per box.

CANADIAN PAIN DESTROYER

A Family Medicine, well and favorably known for the past ten years, never failing in a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction where the directions have been properly followed, but on the contrary all are delighted with its operations, and speak in the highest terms of its Virtue and Magical effects.

THE CANADIAN PAIN DESTROYER has won for itself a reputation, as a blood purifier, alterative stomach tonic, unsurpassed in the history of medical preparations. It seldom fails to cure Dyspepsia, Liver Complaint, Indigestion, Heartburn, Sick Headache, Kidney Complaints, Acid Stomach Phthisic or Asthma, and restores to vital activity the system debilitated by suffering and disease.

Its magical and wonderful success in curing sudden colds, Sore throat, Coughs, Diptheria, pains in the side, loins and back, neuralgia, toothache, rheumatic and other pains in any part of the body and from whatever cause, has given it a place in every household and is fast superseding all other preparations of the kind.

It is also an effectual and prompt remedy for Scalds, Burns, Bruises, Sprains, Chilblains, Frost Bites, Cramps in the Stomach, Diarrhœa, Cholera morbus, Bilious Cholic, Cholera Infantum, Dysentery, &c.

Price only 25 cents per bottle.
