SAM SMALL ARRESTED.

Accused by Another Clergyman of Obtaining Money by False Pretenses.

BOSTON, Oct. 20.—The Rev. Sam Small was arrested in this city on Monday on a charge of obtaining $1,000 by false pretenses, made by the Rev. H. U. Monro, an Episcopal clergyman at Newton, Lower Falls. Mr. Small has been stumping this State for the past few weeks in the interest of the prohibition ticket.

Secretary Merden, of the Prohibitory State Committee, went bail for him. The case was brought in the civil court to avoid the scandal that a criminal case might bring to the cause of prohibition.

It is said that the transaction which resulted in the arrest of Mr. Small was agreed upon in August, 1890, when Mr. Small was president of Olden University. It is alleged that Mr. Small induced the Rev. Mr. Monro to pay $1,000 for a lot of land which he represented to be worth that sum. The land belonged to the university, and it is alleged that the university demanded only $500 for it, and that Mr. Small made $500 by this transaction. When Mr. Monro heard of this he demanded the return of his money. As it was not forthcoming he caused the arrest of Mr. Small.

It is by the judicious use of such articles of diet that a constitution may be gradually built up, until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly-nourished frame."—[Civil Service Gazette.—Made simply with boiling water or milk. HISTOGENETIC

System of Medicine.

Its Challenge is Investigation

Its Passport is Truth.

This system is complete, having different medicines (which are perfectly pure and tasteless, containing nothing of a poisonous nature whatever) for all the different diseases. THE THEORY is to rebuild the diseased cells and tissues of the body, and by thus reaching the primal cause of disease these Medicines will save life where the old systems of giving poisonous drugs miserably fail. Books explaining the Histogenetic System sent free to any address.

Histogenetic Medicine Association:

Gentlemen.—This is to certify that I have suffered with Rheumatism for the last 25 years. At five different periods I have been so bad that I had to remain in bed for several months at a time. This summer I was suffering severely with pain all through my body, constipation, headache, drowsiness, etc. I began taking Histogenetic Medicines on June 15 and continued for eight weeks. I began to improve at once, pain left me gradually. I do not feel it at all except a very little at change of weather—nothing to speak of; just a gentle reminder. Constipation and headache cured up and no return of either since. It is now six weeks since I stopped taking the medicines. I feel better now than I have for years, and I heartily recommend the people of London to try Histogenetic Medicines, as they did more for me than all the doctors' prescriptions or other medicines that I had taken before.
JAMES JACK.

WONDERFUL RECOVERY.

I had HIP DISEASE when young, followed by VARICOSE VEINS in my leg, which have been LARGE EVER SINCE. For a long time I have had VARICOSE ULCERS and ERYSIPELAS in my leg and ankle of the same side, which has LAID ME UP a great deal of the time. I commenced treatment LAST APRIL with HISTOGENETIC MEDICINE, and have only had ONE ATTACK since commencing treatment. I only took TWO LOTS of medicine and have been so much benefitted that I have been ABLE TO WORK ALL SUMMER. I recommend all so afflicted to try the treatment.

A FATAL JOKE.

A Man Drinks Deadly Poison Supposing It To Be Whisky.

DUBLIN, Oct. 21.—A remarkable death has occurred in Ballywood. A man named Keogh was traveling from Blessingham on a tram car, when, by way of a joke, he extracted from the pocket of an acquaintance, whom he found in the car, a black bottle that was protruding therefrom.

He naturally supposed that the contents were whisky, and, turning his head away, he drank a considerable quantity of the fluid and replaced the bottle without remark.

In a few moments he felt severe pains, and told his friend what he had done. The friend, alarmed, said the bottle contained poison he had just bought for chemical experiments.

A physician was called from a house they were passing, but every effort was unavailing, and Keogh died in a short time in the most terrible agony.

COATICOOK, Que., Oct. 20.—S. Lemoine, a bailiff, while disinfecting a house in which a death from diphtheria had taken place, took a swallow of carbolic acid in mistake for whisky, and though assistance was promptly obtained he died in about an hour.

IMPORTANT ANNOUNCEMENT.

Giving Up the Drygoods Business.

As we have positively concluded to retire from the drygoods business in London, we are obliged (for quickness of sale) to offer our new, fresh stock of this season's importations of fall and winter drygoods at a tremendous sacrifice. In some instances we will offer goods away below wholesale cost, and in all cases we will mark down to actual cost. As our goods are all new it is a chance in a lifetime for the ladies of London and surrouding country. The stock consists of fine French Wool Dress Goods, Tweed Costumes, Tweed Suitings, Serges, Cheviots, Camel's Hair Cloth, Henriettas, Cashmeres, Merinoes, Black and Colored Silks. Remember, all imported direct from the manufacturers for this season's trade.

The Mantle Department is filled with bargains that cannot be duplicated by any house in Canada. Three-quarter Jackets, Dolmans, Reefers, Plush Dolmans, Plush Jackets, Russian Circulars, Fur-Lined Cloaks, Children's Mantles, Children's Reefers and Jersey Jackets.

In the Staple Department you will find all-wool grey Flannel in plain and twilled, dark and light, all widths, at net mill prices. White wool Blankets at prices that will astonish. All sizes; all prices. Bed Comforters, Counterpanes, Quilts, Table Linens, Table Cloths, Table Napkins, Towels and Toweling, Mantle and Ulster Cloths, Wool Tweeds, Cotton Tweeds, Lace Curtains Cretonnes, Corsets, Hosiery, Gloves and Underwear.

Read, reflect and remember that this stock has been purchased direct from the manufacturers, and that the prices you will have to pay are less than most dealers pay for their goods. On account of other speculations we have concluded to retire from the drygoods business, so that we offer you our entire stock at net cost prices.

The store will be closed on Monday, the 19th, to mark down and arrange goods for sale. All goods will be marked in plain figures showing the regular price and the reduced price. THE LONDON BARGAIN STORE, 136 Dundas street, opposite the Market Lane. 74-tf
