The Ontario Cricket Association.

A meeting of the Ontario Cricket Association was held in the Walker House yesterday, Judge Dartnell, of Whitby, the president, being in the chair. At first there were only the old officers present and the representative of Trinity College, but the Toronto, Guelph and Zingari clubs paid up their fees and were admitted, giving the association a club membership of six, namely, Trinity College (Toronto), Military College (Kingston), Listowel, Guelph, Toronto and I Zingari. The secretary-treasurer's report was presented and found satisfactory. F. W. Saunders introduced motions providing that the system of cup ties inaugurated last year should be continued this and that the constitution should be revised. Both motions were adopted, Messrs. Creelman, Saunders and Lindsay with the officers being appointed the committee of revision. The officers elected for the year were: President, H Totten, (Toronto); vice-Presidents, T. Goldie (Guelph), Clarkson Jones (Toronto) and T Swinyard (Hamilton); Sec.-Treas., H K Cockin (Toronto); Asst. Sec., A Winslow (Toronto); Committee, E M Morris and D McConkey (Guelph), J Wright, Dr. Sprague and W H Merritt (Toronto), Judge Dartnell (Whitby), E C Roper (Bracebridge), H Hammond (Peterboro') and H Stinson (Hamilton).

General Notes.

New England League umpires will have to appear on the field in uniform.

The once famous baseballist "Foghorn" Bradley is in the Philadelphia almshouse.

Both the Hamilton and Toronto baseball teams report for duty to-morrow.

A Syracuse, N.Y., boot-black has already put up $80 on the Stars winning the pennant.

The annual meeting of the Ontario Lacrosse Club will be held in the Rossin House Monday evening next.

Neil Matterson, the Australian oarsman, arrived in England on April 1, accompanied by his trainer.

The Eastern Star Lacrosse Club will hold its annual meeting at Wiggin's Hall, St. David street, to-morrow evening.

A few good baseball players wanted, about 16 or 18. Send particulars as to where they can play, etc., to box 36, World office.

President Campbell of the Syracuse Stars predicts an attendance of 6000 on May 11, when the Torontos and the Stars open Star park at Syracuse.

Jem Mace writes from England that he will wager $1000 that Jem Smith, the English champion, cannot best him in a four-round contest under Marquis of Queensberry rules.

Advices from Monmouth Park say the majority of Charley Boyle's horses are doing well. The N. Y. Journal says Drake Carter and Springfield are moving like 4-year-olds.

The backers of Jy Featherweight Tommy Barnes of England, in his recent battle with Tommy Warren, are anxious to back him against Warren again for $2000 a side.

W. Cummings, the Scotch runner, has covered the deposit of W. G. George's backer to bind three more matches at one, four and ten miles. The races will take place in the autumn.

Nearly 200 lawn tennis courts will be laid out in Prospect Park, Brooklyn, N. Y., this year. Last year 425 clubs played there. This year 250 applications for permits to play have already been received.

The Wilton Lacrosse Club reorganized Monday night, and elected the following officers: Captain J. McQuillan; secretary, J. J. Burns; treasurer, W. Humphrey; committee, J. Cowan, J. Humphrey, A. Prosser.

The National Cyclists Union of Great Britain has decided to grant no license for an amateur cycle race, held in connection with a professional pedestrian meeting, an exception being made with respect to meetings held in Scotland.

A meeting of the Civil Service Baseball Club of the Commercial League will be held at Milligan's cigar store this evening at 8 o'clock. Important business is to be transacted, and members from all of the departments are requested to be present.

Humphries and Faatz of the Toronto Baseball Club are in town. Manager Humphries has arranged for an exhibition game between the Torontos and the Syracuse University nine, to be played some time before the opening of the championship season.—Syracuse Courier.

A careful audit of last season's records developes the unsuspected fact that the Hamilton team's average is, fielding 1004, batting 1119. The pitchers and catchers' averages are but very little higher.—Hamilton Spectator. This is about as near right as some of the alleged averages.

At a mixed wrestling match at St. Paul April 4, Col. McLaughlin beat H. M. Dufur two falls out of three and then announced his final retirement from the wrestling arena, at the same time handing over the championship belt for mixed wrestling which he had held since 1870 to Dufur.

The Hamilton Lawn Tennis Club's officers are: R A Lucas, president; A Bruce, Q C, J W Travers, Edward Martin, Q C, vice-presidents; Ralph Bruce, secretary-treasurer; committee—Rev Mr Fornoret, A W Hunham, A Billespie, T H Stinson, A Harvey, jr. The club has decided that Tuesdays and Thursdays shall be ladies' days.

Mr. Gill has received a letter from the manager of the Buffalo Baseball Club saying that the club has passed a resolution to offer National League clubs and American teams only half the gate money and no guarantee. But he is of the opinion that it would be better not to play with them at all. This view is generally conceded here.—Oswego Times.

A certain small boy of Macon plays a pretty little game at the baseball park whenever games are played there. He objects to paying the entrance fee of 25 cents, and to avoid doing so purchases five cents worth of ice, tells the gatekeeper that it is for the players, marches in, puts the ice in the water bucket, and then sits down and enjoys the game.

Syracuse correspondent of the Sporting Life: There is one team that people seem to overlook in making up their estimates as to the strength of the different clubs. I refer to the Hamilton. In my opinion this team will prove a barrier to the hopes of a great many over-confident ones who persist in placing them near the tail-end of the list.

The annual meeting of the Peterboro' Lacrosse Club was held last evening, when the following were elected officers: Hon. president, R A Morrow, re-elected; president, H Calcutt; 1st vice-president, J O'Meara; 2nd vice-president, W A Sanderson, re-elected; secretary treasurer, G H Giroux, re-elected; committee of management, W J Scott, J J Sheehy, H Neil, M McDonnel and F Fairn.

Manager Humphries has fixed up a table showing the relative strength of the Stars and Torontos. He makes the average batting and fielding of the Stars .230 and .839, and the average batting and fielding of the Torontos .287 and .871. In figuring up the batting averages of the Stars, he leaves out Green, whose batting record is .334, and who is one of the best men in the team.—Syracuse Courier.

Mr. Sanders, who brought a team of English amateur cricketers to America last autumn, is busy arranging for another visit. He has secured promises from Mr. Cobb, the Rev. A. J. Fortescue, Colonel Walrond, Messrs. Turner (Oxford), Welman and H. Rotherham. The team will sail from Liverpool in the middle of August, and play its first match at Staten Island, against the club there, on September 1, 2 and 3.

It is possible, the weather being fine, that the Toronto baseballists will play a practice game on Good Friday with the Metropolitans (senior amateurs) or the St. Michael's college nine, giving the opposing team a battery.

They were talking baseball, one was a foreigner and the other a Hamiltonian. The scene was a leading hotel. "I'll bet $60 to $100 that Toronto and Hamilton are both among the first four clubs at the close of the International League season," exclaimed the Ambitious City man. "I'll go you," was the laconic answer of the foreigner, and $25 and $15 forfeits were immediately posted. "Now I'll make the same bet that neither of the Canadian clubs will win the pennant," added the gentleman from over the lake. "Not to-night," said the Hamiltonian, as he put down a glass drained of Pomery.

Appended is a table showing the number of miles each American baseball association club will have to travel to play its quota of scheduled championship games:

Baltimore	10,839	St. Louis	10,146
Brooklyn	9,823	Louisville	9,491
Metropolitan	8,661	Cincinnati	9,036
Athletic	8,610	Pittsburg	8,707
Total	37,933	Total	37,370

The total number of miles covered by the League clubs will be 91,726, and by the Association clubs 75,350 miles.

Several wagers have been made as to which will draw the biggest crowd on the Queen's birthday—the lacrossists or baseballists. And there is another factor, the Ontario Jockey Club meeting at Woodbine. Torontonians will not need to go out of town for their fun on the holidays this year, but countrymen can come to Toronto and have all the sport they want. Why don't the enterprising promoters of these things go to work and get out junk bills and post them at every station and all over the country, showing the attractions Toronto has to offer on Canada's national holidays? Or why don't they appoint deputations to wait on the railway companies and get them to do it? The bills offering reduced fares without pointing out why Toronto should be visited are little better than useless. Here is a pointer for Mark Irish and the Board of Trade.

The Secularists and the Doctor.

The following letter was delivered to Rev. Dr. Wild on Friday last:

DEAR SIR: I have noticed the brief report of your sermon last Sunday evening, in the Monday newspapers, to the tenor of which I must take exception. You evidently hold the notion that there can be two attitudes only towards the Bible—the one, wholesale approval: the other, wholesale condemnation. The former is your position, and hence the latter must be ours. This is the way you seem to argue. But there is a middle and more moderate stand, of the existence of which you seem to be wholly unconscious.

The Secularist sees much in the Bible that is good, true and moral—and which is "profitable for doctrine, for reproof, for instruction in righteousness." With the good, however, there is associated much that is untrue, immoral, and which is not "profitable for reproof, for correction," etc. This, in brief, is the attitude of the Bible and Agnostic towards the Bible—both of whom, by virtue of their belief, must be Secularists.

We deprecate "grumbling without reason" as much, if not more, than yourself; and to go further, we believe that you and ourselves will agree—that grumbling with reason is not only useful, but is essentially the first step in every great reform.

You grumble at us because we "grumble without reason"—and at the same time seem to forget that it may be possible for us to be sincere in urging the same against yourself. You paint us in the blackest possible colors. You seem to take advantage of every opportunity to magnify the differences between Christians and Secularists, and to ignore the points on which they agree. Your attacks on us are couched in such language as tends of course to bad feeling between us—and to incite a few Secularists into a spirit of opposition that is not endorsed by a majority among us. We cannot understand why you are so bitter and uncharitable.

We believe that many of the differences between us would disappear if we could come together and reason with one another. We have manifested a desire to become better acquainted with you. On several occasions we have extended you a cordial invitation to attend our social gatherings and our lectures—and to give us your opinion of them. You have not shown the same friendly spirit towards us. Criticise you as we may—you still deserve at our hands some praise for being more liberal than most orthodox clergymen in Toronto. If you and your brothers in the pulpit would meet us only half-way, the chasm between us would soon be bridged or filled up—and much of the bitter feeling that exists in consequence of your refusal to do so would cease to be, and we would learn that in our differences of opinion we are mutually sincere.

On Saturday evening, April 17, Mr. Charles Watts will deliver a special lecture in our new hall, in reply to your sermon of last Sunday evening. He will correct some of your misstatements and misrepresentations of our views, which, no doubt, were innocently and ignorantly made.

We extend to you a most cordial invitation to be present on that occasion, to set us right where you believe us to be wrong. We hope you will see your way clear to signify your acceptance. You have a duty on hand that you can scarcely refuse to perform. We will assure you a friendly greeting, an attentive hearing, and a respectful consideration. "Come now, and let us reason together."

Yours sincerely,

J. A. RISSER,
President Toronto Secular Society.

Life Gets the Better of Death.

LOUISVILLE, Ky., Nov. 18, 1885.—For eleven years I was a confirmed invalid, suffering all the agony a person could stand. Was several times pronounced dead. Two best physicians pronounced my trouble female complaints. Used Warner's safe cure. I passed a large stone. Am well today as when a girl. It was a miracle in my case.—Mrs. J. T. RITCHEY, 562 4th avenue.

A Positive Fact.

—Canada is fast becoming like all the cities of the States in regard to housekeeping—people leave their homes and go out for their meals at some respectable restaurant or boarding house, where they can live cheaper and better without the inconvenience or trouble of cooking, more especially during the summer season. H. L. Green of 106 Shuter street offers special inducements to married couples and families, bringing the rates that low that they could not buy the raw material for the money he offers every accommodation for; or, for dinners, 6 tickets 90c—15c each meal—consisting of soups, entrees, roasts, boiled, vegetables, pastries, puddings, etc. It's quantity only that will pay for such a meal. Twenty meal tickets for $2.50, to all meals; a full week's tickets for $2.25 or $2.50; board and room for $3.25. A few first-class well-furnished apartments vacant at $3.50, with use of bath, piano, bath, etc., in his 104 establishment, which is the best house in Canada for home comforts and society. References required for these vacancies. H. L. Green has also vacancies in 106 for 10 table boarders at $2.25, and one apartment for gentleman at $3.25. The house is only 5 minutes' walk from Queen, and Yonge or the market, and the low rates, good living, change of diet, perfect cleanliness and order, prompt attention, civility, should crowd the house all day long with gentlemen for meals to encourage H. L. Green to further enlarge his capacious premises and benefit the community at large. Arrangements can be made for 5 o'clock dinners as well as the usual 12 till 2. In fact you can always get a good hot meal at Green's, no matter if you are a little late. Cooking is going on from 5 in the morning until 8 at night. Bill of fare on the table at all meals. Breakfasts and suppers a speciality, which make 104 and 106 Shuter far ahead of all houses in the Dominion. x

Electric Instructions.

Mr. James T. Dunn, the proprietor of the Paris Kid Glove store, 82 King street west, sent The World yesterday an electric magnetic instructor. This ingenious instrument Mr. Dunn proposes to give away to his customers on the purchase of every two pair of gloves. The instructor treats on a number of subjects, among them matrimony, conundrums, history, music, etc., and is certainly a novel instrument. x

Choice Wines.

—The finest imported port and sherry wines at $2.50, $3.00, $3.50, $4.00, $4.50, $5.00 and $6.00 per gallon. The choicest native wine in the Dominion in Concord grape and Catawba $2.00 per gallon or $5.50 per doz. at Mara & Co., 280 Queen street west, near Beverley street. edx

The Mikado.

—A good photo taker can always do a good business. John F. Bryce, 107 King street west, is a good photo taker. His patrons know it. He never turns out a poor picture. Mr. Bryce has just completed a series of "Mikado" portraits. "Yum-Yum," in all her loveliness, is seen with her plump little arms well wound round the thick neck of "Nanki-Poo." But his best pictures is "the three little maids." They are life-like—but for one thing—Yum-Yum has a tooth out. She got it pulled the day before she had her photo taken. Bryce tried to get it in the photo, but as the tooth was not there he couldn't. His photos are always life-like. x

—Hello! Gus you look happy, what's up! Well, Fred, I'll tell you: That dude that has so much cash called on Jennie the other night, and her mother got him to help her put up some pictures, and he drove the nails in and broke the plaster off their new walls, and she got mad with him and Jennie told me of it. I telephoned R. J. Llocnce & Co., cor. Bay and Adelaide, and they sent a man up and put up room moulding at my expense (and it only cost six dollars), and now I'm solid with the old lady. She thinks I've a great head. edx

—We cannot too strongly impress upon our readers the fact that most diseases are caused by irregular action of the kidneys; and this is true even though you do not feel any pain in them, for they are often deficient in nerves of sensation and give forth pain only *in the last stages of disease*. It is an undeniable fact that for all diseases of the kidneys caused by excess of uric acid in the blood, Warner's safe cure has no equal.

—"Henry, love, I wish you would throw away that book and talk with me—I feel so dull." (A long silence and no reply.) "Oh, Henry, my foot is asleep!" "Is it? Well, don't talk, dear, you might wake it." If that gentleman wore Wheaton & Co's shirts and underwear, he could not possibly have been so rude to his pretty little wife. 17 King street west, corner Jordan. 136x
