ATHENÆUM CYCLING CLUB'S CANDIDATES.

Nominations for Offices—Second Day of the Davies' shoot—Victoria Hockeyists Surprise the Granites—The Tour of Winnipeg—General Sporting Gossip.

There are lively times in Athenæum Club circles. Billiards, bowls, balls and bicycle rumors keep the members well on edge. Last night was the annual meeting for the nomination of officers for the Bicycle Club, and there was a big turnout. It was unanimously resolved to change the old wheelmen's alphabetical cognomen, and now they are the "Athenæum Cycle Club." The nominations resulted:

Hon. President, W. C. Meredith, acclamation; president, J. P. Langley, R. E. Snider; vice-president, A. T. Johnston, A. G. Thompson, J. H. Eddis; secretary-treasurer, A. Byron, W. N. Irwin; captain, J. J. Higgins, A. G. Thompson; first lieutenant, J. E. Doane, A. G. Thompson; second lieutenant, George Wilmott, G. D. Robertson; third lieutenant, H. Sintzel, M. Robinson.

The bowlers are very much elated over their Woodstock bowling victory, but the townsmen are not downcast and will visit Toronto in March to retrieve their lost laurels. The Cycle Club will play their Ottawa brethren here, six a side, next week.

Victoria Beats Granite, 17—1.

The Victorias took revenge out of their old rivals, the Granites, last night on their own ice, but did not alter the complexion of the League record. The Vics started tallying early in the game and kept up a regular bombardment on the Granite sticks until the whistle blew at the close. Nine goals were secured by the victors in the first half and 8 in the second. Higginbotham shot the Granites' only goal after the crossover. For the Vics Thompson (5), Jones (6) and Parkyn (6) did the scoring. Victoria had not her strongest seven, while two of the Granites' first team were off. The teams were:

Victoria (17): Goal, McVitty; point, Forsyth; cover, Brumel; forwards, Parkyn, Jones, Thompson.

Granite (1): Goal, Cook; point, Irving; cover, Meharg; forwards, Carruthers, Higinbotham, Keith.

Referee—Cunningham (Osgoode Hall).

Granites the Junior Champions.

The Junior League match between the Granites and Victorias last night at the Granite Rink resulted in a victory for the Granites by 4 goals to 2. Badenach (2), Dixon and Walker scored for the winners, E. Little and Elliott for the losers. This was the deciding contest in the Junior O.H.A. series, and the Granites must now meet the Limestones in Kingston. The winner of this contest plays Galt for the junior Ontario championship. The teams were:

Granite (4): Goal, Sewell; point, Somerville; cover, Davis; forwards, Crawford, Walker, Badenach, Dixon.

Toronto (2): Goal, Chadwick; point, Darrell; cover, Phymister; forwards, Langley, Lillie, Gordon, Elliott.

Referee—S. Patterson, Commerce.

Another Victory for Winnipeg.

NIAGARA FALLS, Feb. 22.—The hockey match between Winnipeg and Niagara this evening proved to be better contested than was anticipated. Winnipegs scored the first goal, Niagara the second, the visitors the third and fourth, Niagara the fifth and sixth and the seventh went to the visitors. The last half the visitors added five goals more to their score, while the Niagaras added two to theirs, making the score 10 to 4 in favor of the visitors.

These Country Clubs Can Play Hockey.

STRATFORD, Feb. 22.—A very exciting game of hockey was played here this evening between the Stratford and Varsity clubs, resulting in favor of the home team by a score of 7 to 6. In the first half the first three goals were scored by Varsity, the next two by Stratford, the sixth by Varsity and the seventh and eighth by Stratford. In the second half Varsity scored the first and fourth, Stratford the second, third and fifth, giving them the game.

A combination team of Osgoode and Victoria will meet the Winnipeg seven at the Victoria Rink on Friday evening at 8 o'clock. A very strong team will be put on the ice against the Winnipeg cracks.

Betting on the Fights.

NEW ORLEANS, LA., Feb. 22.—Bookmaking on the big fights opened rather quietly at the race track, the pencillers and their prospective customers appearing rather cautious. The following quotations were up by which to feel the market, but the transactions were so light that they remained unchanged: Fitzsimmons, 7 to 10; Hall, 11 to 10; Goddard, 1 to 4; Smith, 5 to 2; Ryan, 4 to 5; Dawson, 9 to 10.

Sporting Miscellany.

P. J. Donohue of The Recorder broadly intimates that the police interference that caused the $20,000 deposited with The World to bind a match between Corbett and Mitchell to be taken down was instigated by Corbett's managers, and says that the two fighters will never get into a ring together, though many schemes to secure exploitation in the newspapers will be worked.

William J. Fitzpatrick, who resides in Saratoga and is well known among jockeys and horsemen as Daredevil Fitz., has signed to ride the horses of James R. Keene next season. The agreement calls for his riding at 118 pounds and over, salary $10,000.

The Brighton Beach Racing Association is talking about abolishing bookmaking at next summer's meeting and returning to the exclusive system of mutual pools in vogue a few years ago. Henry Stedeker, who had charge of the mutual system at Brighton Beach in its early days, said to a reporter one day last summer that sales of mutual tickets ran from $80,000 to $130,000 per day.

The Assistant Librarian Resigns.

Mr. Arnold Haultain, the assistant librarian at the Public Library, yesterday sent in his resignation to the Library Board. He was seen by a World reporter, but was reticent as to the reason of the step. All he would admit was that since the alterations of duties owing to the rearrangement of the library he had not felt comfortable. Mr. Haultain is a veritable bookworm and has never felt happy since the board assigned him to take charge of the public reading-room. He is a University graduate and a man of literary ability. This is proved by the many articles he has written with acceptance for magazines on both sides of the Atlantic. The fact is, he finds himself under the late rearrangement "a round man in a square hole." His resignation is regretted by his colleagues at the library. There is no truth that, thorough Canadian as he is, he has turned annexationist. This he said himself to The World yesterday, and added: "Yes, I have handed in my resignation, and of my own free will. Its receipt has been acknowledged, but no definite action, as far as known, has yet been taken.

There will be a meeting of the Library Board on Friday, when the acceptance of the resignation will be considered.

Banquet of "A" Company R.G.

Among those who contributed to the successful program were: Capt. Irving, Lieuts. Smith and Chadwick, Private Gray and Messrs. Hackborn, Driscoll, Carlyle, McLean and Tyner and Drummers Doughty, Palmer and Pratt.
