DE RESZKE WON HANDICAP AT CRESCENT CITY TRACK

Martin Sewell and Smith Ride Two Winners Each—Lady Free Knight Fell—To-Day's Card.

New Orleans, Feb. 7.—Favorites fared badly in the sloppy going at the Crescent City track to-day, Footlight's Favorite and Third Alarm being the only winning first choices. The former was run up to $1000 and bought in. Lieber was made favorite in the handicap and was beaten easily. Lady Freeknight fell in the last race and one of her eyes was put out. Redtke, who rode the mare, was not hurt. Light rain fell all day. Summary:

Gould Won Steeplechase.

New Orleans, Feb. 7.—The best race of the day at City Park was the handicap at a mile and one-half furlong, in which Sailor Boy, from the stable of Father, Bill Daly, got home a winner with 12 to 1 about him. Sailor Boy raced into the lead at the start and remained there until the end. Bell Indian, the favorite, finished second, and Coruscate third.

The day was a typical winter one, and the cold, drizzling rain, which began early, kept the attendance down to the regulars. The heavy rain of last night placed the track in a sea of mud. The card was badly whittled down. The summary:

First race, 7 furlongs—Skyward, 109 (Heffernan), 4 to 1, 1; Wickford, 112 (B.Smith), 20 to 1, 2; Manoeuvre, 112 (D. Austin), 3 to 1, 3. Time 1.32 3-5. Longbright, Daytime, Honeywell, Anna Day, Corliss, Flare, Golden Glow and Nonie Lucille also ran.

Second race, steeplechase, short course—Gould, 145 (Pemberton), 6 to 1, 1; Class Leader, 156 (Boyle), 9 to 2, 2; Evander, 150 (Ellison), 3 to 1, 3. Time 3.37 3-5. Blue Grass Girl and New Amsterdam also ran.

Third race, handicap, 1 1-16 miles—Sailor Boy, 100 (W. Daly), 12 to 1, 1; Bell Indian, 107 (Oregar), 6 to 5, 2; Coruscate, 104 (McIntyre), 5 to 1, 3. Time 1.50 2-5. Sanction and Harry Stephens also ran.

Fourth race, 1 mile—Mattie H., 97 (Lowe), 8 to 1, 1; Regale, 87 (J. Hennesay), 8 to 1, 2; Yachting Girl, 92 (Oregar), 5 to 1, 3. Time 1.46 4-5. Signal Light, Sweet Kittie Bellaire, Harpoon, Room Mate, Woodclaim and Red Fox also ran.

Fifth race, 6 furlongs—Tichimingo, 93 (Pierrett), 7 to 1, 1; Airship, 110 (Nicol), 6 to 1, 2; Modred, 113 (Larsen), even, 3. Time 1.16 4-5. Cascine and Chief Hayes also ran.

Sixth race, 1 mile and 70 yards—Chief Milliken, 107 (Lee), 4 to 1, 1; Attila, 109 (Lowe), 2 to 1, 2; Thistle Do, 102 (Ashworth), 15 to 1, 3. Time 1.49 1-5. Keynote, Morendo, Double and Small Talk also ran.

Seventh race, 5½ furlongs—Bertha E., 110 (J. Hennessy), 4 to 5, 1; French Nun, 105 (Griffith), 8 to 1, 2; Margaret Angela, 105 (Lowe), 12 to 1, 3. Time 1.10 2-5. Woodlawn, Annie Berry, Minnehaha, Evox, Verdant and Welsh also ran.

Gossip of the Turf.

Friction has arisen at Los Angeles between the manager, J. W. Brooks, and the starter, Jacob Holtman, the specific cause being the objectionable methods of one of the starter's assistants in hanging to horse's heads at the starting post.

The constant bickering between one faction at Los Angeles, led by J. J. McCafferty, against another led by C. E. Durnell, has been a source of much worriment to the management of the track, and if both should leave the course an easy solution would offer itself. The running-up began last May at the Gravesend track.

A New York despatch says: Alex. Shields came up to the city from Bound Brook yesterday, and he was the only visitor who had news to communicate. Speaking of the handicap candidates in his charge—Hermis, Stalwart and Ormonde's Right—he says that Hermis is getting his work for the spring engagements in harness. "He is as good a driver as you ever saw," says Shields. "Sometimes I drive him myself, but as a rule the colored fellow who has always looked after him is his coachman. He logs along from ten to twelve miles every day, and a man does not want to sit behind a better road horse."

Chicago, Feb. 7.—The Western Jockey Club, at its regular monthly meeting yesterday, did much business. The most important action taken was that in the case of W. A. Tolton, who was identified as Wm. Brown, and was ruled off the turf in 1903, in connection with the famous Aimless "ringing" case at the Grosse Pointe track in Detroit, the stewards revoking his license.

The application of Jockey William Coburn for a license was denied.

The application for the reinstatement of Jockeys J. Dale and V. E. Foy were denied, while that of F. Huston was granted. The effort of S. James to have the horse Glenflo reinstated was not acted on.

The date of the Oxford-Cambridge boat race has been fixed for April 7.

Owen Zeigler, the Philadelphia boxer, was beaten in 12 rounds by Cy. Flynn at Buffalo the other night. Flynn gave the game Zeigler a severe beating for 11 rounds, and when the bell sounded for the beginning of the 12th Zeigler said he couldn't go any further. In the preliminary bouts, Young Kenny won from Frank Gordon in six rounds at lightweight.

The postponed meeting of the Saratoga Ice Trotting Association will be held on Saratoga Lake, Feb. 20, 21 and 22. It was thought at one time that the continued warm weather would necessitate the abandonment of the meeting this year.

Galt II. Beat Preston.

Galt, Feb. 7.—(Special.)—In an intermediate O.H.A. game here to-night Galt defeated Preston 10 to 4. The game was all in favor of the locals from start to finish. Preston scored 3 goals in the last few minutes of play against very little opposition. James Fraser of Galt was a very satisfactory referee. Following is the line-up:

Galt (10): Goal, Linton; point, Johnston; cover point, McNally; rover, Robson; centre, H. McKay; left wing, Flanagan; right wing, Bay.

Preston (4): Goal, Pfeffer; point, Nairn; cover point, Kinder; rover, T. Bernhardt; centre, Bennett; left wing, O. Bernhardt; right wing, Bowman.

Cobourg Wins Round.

Cobourg, Feb. 7.—Before a record crowd to-night the Cobourg Juniors defeated the Belleville players by a score of 8 to 3, winning the round by 3 goals. The score at half time was 4 to 1. The game was fast, the work of Referee Waghorne being excellent, he holding the players down to good clean hockey. Cobourg rink has increased its lighting by putting in arc lights, which make excellent improvement. The line-up:

Cobourg (8): Goal, Flesh; point, Moffatt; cover-point, Smith; rover, Robertson; centre, White; right wing, Doheney; left wing, McNichol.

Belleville (3): Goal, Phillips; point, Pepper; cover-point, Connolly; rover, Spangenburg; centre, Allen; right wing, Weller; left wing, Lobsinger.

Referee—F. C. Waghorne.

The National League clubs will open the season on April 12, as follows: Pittsburg in St. Louis, Chicago in Cincinnati, New York in Brooklyn, Boston in Philadelphia. From St. Louis the Pirates go to Cincinnati to open the local season with the Reds.

Jesse M. Frysinger, a well-known baseball manager, who this year had contracted to manage the Lancaster Tri-State Club, died Monday at his home in Wilmington, Del. He was operated on for an internal trouble recently, but hemorrhages set in, which resulted in his death.

Cricket League in Copper Country.

Calumet, Mich., Feb. 7.—The game of cricket is steadily forging to the front in the copper country, and, while it will never rival the national summer sport of baseball, it is in high favor with the miners and other English residents, and there are many of them in the district. The prospect now is for a five-club league next season, to embrace the Tamarack, Kearsarge-Wolverine, Tri-Mountain, Atlantic and Portage Lake teams. The list of available players has been materially increased this winter by new arrivals from the British Isles.

To Drop Pro Rugby Coaches West.

Ann Arbor, Mich., Feb. 7.—"We want no 'prof.'—Yost." This was the conclusion reached by the university senate after a heated discussion lasting until after last midnight. Altho unwilling to have the coach made a member of the faculty, it was decided that the contract now in force should be binding. A lengthy resolution was adopted to dispense with professional coaching when conditions and contracts allow. Ex-Senator James Murfin and Mayor Codd of Detroit were present and spoke in favor of intercollegiate football. Faculty men addressed the meeting both pro and con.

The full result of the meeting was:

Abolition of professional coaching on expiration of contracts now in force.

Adoption of all other recommendations of conference.

Recommendation that three-year rule be not made retroactive.

Recommendation that graduates of one department cannot evade rule in regard to graduates by entering another department.

"With the exception of the rule relative to professional coaching, and a recommendation as to the construction of the three-year rule, the Michigan senate adopted the reforms proposed for football by the Chicago conference," said Dr. James B. Angell, president of the University of Michigan, presiding officer of the senate.

"We took exception to the rule that all coaches of elevens must be members of the faculty of the university whose team they are coaching, because Michigan is bound to Mr. Yost by a contract that holds for four years more. We felt the adoption of a rule abrogating that contract would be working an injustice to Mr. Yost.

"We would like to return to the old system in which the captain of a team coached his team. Then it was an honor to be captain. Now the position is an empty one. Then, a student team was taught the game by a student; now, it is a race for the most efficient professional coach.

"The training table is to be abolished. But five games a year are to be played. Strict rules against roughness are to be enforced."

Cap Anson has leased five acres of ground close to Comiskey's park, in Chicago, and will have an independent team. Anson will play regularly.

Orton Harrier Club.

An informal meeting of the Orton Harrier Club was held on Monday evening to discuss in a general manner various matters relating to the welfare of the club. An impression seems to have gone abroad that the club had disbanded, but the officers wish to state that this is not the case. While little activity was shown last year, owing to various causes, the various members still retain their interest, and plans are being formed to hold several open races for individuals during the coming season. The annual meeting of the club will be held on Thursday, March 1, and prospective members are asked to communicate with Secretary Mitchell, 28 East Wellington-street.

TROPHY FOR THE GRANITES ORR AND M'MURTRY LEFT

The Granites will hold the Canada Life Trophy the first year of its existence. Last night in the semi-finals W. E. McMurtry's coits defeated Haisley's Queen Citys, 22 to 11, and G. H. Orr's team won a dingdong battle from F. O. Cayley of the Toronos by 17 to 14. McMurtry won his game at home, starting off with a four head and always had a comfortable lead. On the eighth neither side scored. Only 17 ends were played.

Up at Queen City Orr and Cayley played one of the closest games of the competition, each rink having its turn in the lead, the Granites showing the way at the sixth 7 to 2, while on the eighth the Toronios were ahead. The eleventh saw them tied, Cayley going ahead on the next with two for his last shoe in front, as five on the 13th, 14th and 15th, gave Orr an advantage of three, and he was going easy. Following are the scores:
