SIDE LIGHTS ON MANY SPORTS

LONDON IS OUTHIT BUT BEATS BERLIN

Tecumsehs Allowed But Two Hits by Teed, of Green Sox.

TORONTO WANTS KYLE

Kyle Does Not Belong to Leafs, But McCaffery Asks For Option on Him.

Although held to a lonesome pair of hits, both of which came in the third period, London scored sufficient runs in that session to annex the second match of the series from Berlin before a great crowd Saturday afternoon.

Four counts were sent across the pan in the third session, and as the Dutchmen had up to that time failed to make a showing, the fans revelled in the prospect of a thorough trouncing for Deneau's men. The joy was short-lived, however, for before the match had passed the fourth period, the visitors forced three men across, reducing London's lead to one lone run, which by a succession of brilliant plays and brainy work was held till the finish.

Teed showed beautiful form and really deserved something better for his effort, for despite the handicap of 8 to 2 in the hitting, the Tecumsehs cantered away with the winning end.

Sammy Smith Twirls.

Sammy Smith, although touched for two-thirds of a dozen swats, nipped aggressive Berlin base runners frequently, for men reached the first sack with persistent regularity.

Andy Kyle showed more of his flashy stuff, and as a result the local club is beginning to hear from scouts of teams in higher company.

Although it was generally understood that Kyle came to London from Toronto, this is not strictly the case.

Andy reported to London from Troy, N. Y., his whereabouts and class being merely made known to the local management through Toronto men. McCaffery, of the Maple Leafs, has now come through with a business talk, and asks Business Manager Minhinnick to name a price on the left-fielder. This may be done shortly, but even if the Eastern Leaguers are given the option they ask for Kyle will not go until the end of the season.

Toronto After Kyle.

Toronto is willing to put up some real money for him, and has even made an offer to turn over a couple of strong players in a trade.

Pavey, the Lebanon, Ind., man, who reported at the end of the week, worked the right garden in the absence of Jo Keenan, who is on the sick list. Joseph has been indisposed for a few days and will take a short rest. Andrews was acting leader in Saturday's fray.

A shift has been made in the programme for the coming week. London works in St. Thomas today, and will probably play a double-header there tomorrow. The Tecumsehs return to this city after that for the remainer of the week, meeting Hamilton Wednesday and Thursday, and Chaucer Elliott's men on Friday and Saturday.

ERROR IN FINAL SAVES LEAFS FROM SHUTOUT

Kolts Defeated Guelph Saturday by 5 to 1—Hamilton Braces Up.

Hamilton, July 16. — The Kolts defeated Guelph here yesterday five to one, making it two straight in the series. The game was full of good baseball, the Kolts especially playing excellent ball. Quinn, who pitched, deserved a shut-out, the one lone error coming in the last inning and handing the Leafs their one run. As has been the case all week the Hamilton team clouted the ball hard, and a continuation of their good work with the stick should land them in first place next week even though they have four games away from home. Brandow was placed at shortstop, Duffy making his appearance at second base, while Phelan, a new player secured from Pittsburg, was in right field. Brandow played a grand game, and the verdict is that Grieve will not be missed so much as was at first thought. Duffy was also a big help, putting pepper into the infield work, and there is no doubt but that the present infield is the best that the Kolts have had this year. The game was again featured by the heavy hitting of Barton, the Hamilton catcher, who is playing wonderful ball at the present time, being rated the best backstop in the league. The score:

		R.	H.	E.
Hamilton	101 002 01*	5	12	1
Guelph	000 000 001	1	6	3

Batteries—Quinn and Barton; Jerger and Peacock. Time of game—1:45. Attendance—1,500. Umpire—Smith.

Lee Has Sixteen Men.

Barrett, an outfielder, who has been with the Providence Eastern League club, joined the Hamilton team today, while Anderson, one of the pitchers, was released last evening. The Kolts are still carrying several extra players, and with Carey back in uniform this week, some others will have to go. Carey was injured in an automobile accident some time ago, and is just recovering from his injuries. With the local man in uniform, Manager Lee will have sixteen players, including himself, with which to gather in the pennant. At least two of these will be let go or loaned to some other club this week. The Kolts are leading the league in hitting according to the official averages, which have been compiled, while George Barberich, brother of the Eastern League twirler, is leading the Hamilton pitchers with a record of six victories and no defeats.

RED SOX DIVIDE PAIR WITH ELLIOTT'S SAINTS

St. Thomas Won First at Brantford, 6 to 4, But Lost Second, 13 to 4.

Brantford, July 16.—Brantford and St. Thomas split even in a double-header before a record crowd here on Saturday. The first game went eleven innings, the Saints winning by 6 to 4. Howick, for the visitors, pitched fine ball, and received great support. Courtney's two errors in the eleventh, followed by Dougherty's hit, scored the winning runs. Gurney, in Brantford's half, speared a hard liner to right with two men on and retired the side on a fine double play unassisted. The score:

Brantford	...100 011 010 00	4	8	5

Kane's home run and Smith's double with the bases full, broke up the second game, Turner being relieved by Campeau. The visitors fielded in ragged style and the Red Sox won easily. The score:

Played Twice in Order to Permit the McClary Team to Go to Port Stanley.

St. Marys played a pair in the East End League on Saturday afternoon to permit McClarys to attend their annual picnic at Port Stanley, and split even. They trimmed St. Johns, 3 to 2, in an exciting squabble in the opener, but were trounced, 11 to 5, by the Jubilees in the second. Gillies allowed but two hits in the first battle, while Heathfield was touched up for five. The latter was given good support.

JACK CLARKE GETS NEARER TO THE NATIONAL TITLE.

Newark, N. J., July 16.—Jackie Clarke, the Australian cyclist, gained again today in his effort for the title held by Frank Kramer, the national champion. He won the five-mile event at the Velodrome. Alfred Coullet was second, and Kramer, who delayed his final spurt too long, came in third. By winning the event Clarke shortens Kramer's lead for the season to seven points. The champion has 38 and Clarke has 31 tallies, including the five points to the winner of today's races.

FIVE TWIRLERS AGAINST LEAFS

Montreal Used Whole Staff in Endeavor to Win Sunday Game.

TORONTO LOST SATURDAY

Kelley's Crew Walloped, 6 to 1, Bachman and Mueller Being Hit Freely.

Montreal, July 16.—Montreal used five pitchers today in an effort to stop Toronto, but the Leafs won 12 to 8. It was a hard-hitting contest throughout. French cleaned up with a homer in one stanza, while Shaw and Miller also figured with four-base clouts. Each team got eleven hits, but the Montreal twirlers were wild, handing out passes, hitting batters and unloosing wild pitches. Miller, with two big league scouts watching him, featured the game with his batting, making three singles in addition to his homer. Vaughn's fielding featured the work on the diamond. The score:

Confidence Brings Hilton Championship

CHAMPION H. H. HILTON.

Harold H. Hilton, champion English golfer, is often referred to as a veteran and again as another's "younger opponent." As Hilton has been playing first-class golf for 24 years, admits 42 years and has a son who is a six-footer, he can scarcely be a juvenile. Hilton says his success in golf is due to confidence in his ability to place a ball where he desires, arising from constant practice.

BULLET THAT SMOTHERS

Explodes, Causing a Vapor, Which Overcomes Victim.

Berlin, July 16.—An inventive German has recently taken out a patent for a pistol for producing apparent death for a brief time. It is loaded with a bullet made of chemical composition, to which is added enough powder to propel it. The bullet explodes and causes a thick cloud of vapor, which envelopes the victim, made of a chemical composition, to which ders his breathing difficult, and he finally falls into a swoon that lasts from ten minutes to a half hour. It is believed that the new pistol will be of importance for policemen, as they may be able to overcome rowdies or even unmanageable crowds effectively without killing anybody.

THIS IS JOHNSON'S NEXT OPPONENT

PAT CURRAN

Jack Johnson is to fight Pat Curran, so the cablegraphers tell us, in a short time. Curran is a British heavyweight and is considered a good man, but scarcely anyone will admit he is in the champion's class. Tom Flanagan, the Toronto promotor, is credited with making the match.
