SWANSEA.

People with ordinary foresight cannot fail to see the rich harvest that awaits investors in judiciously selecting property in this locality. The bridging of the Humber and the grading of Bloor-street from Dundas-street to that point will make Bloor-street the prettiest drive we have within easy distance of city. The following properties may confidently be expected to double or treble in value when these improvements are completed, and two years is the extreme limit to place before they are accomplished. A word to the wise should be sufficient. For a few days only we can offer the following at annexed prices: 300 feet east side Craig-st., $8; 325 feet west side Craig-street, $8; 200 feet west side Elizabeth-street, $9; 100 feet south side Park-road, $9; 382 feet north side Grenadier-street, $10; en bloc only, 25 per cent. cash—other property held at one-third higher prices.
