Great Cure of Liver Complaint and Dyspepsia in Canada.

Consecon, Prince Edward Co., C.W. March, 1867.

Messrs. Young & Chamberlain.—Sirs—Having proved within my own person that there is at last a medicine that will indeed cure Liver Complaint and Dyspepsia, I am induced to make this statement, under oath, which is to certify that I have been sorely afflicted for the last three years, according to the Doctors' statements, with Liver Complaint and Dyspepsia. I had a feeling of sinking and vague uneasiness about the stomach, worse than pain, eructations of wind, occasional pain, drowsiness, constipation, uneasiness in the right side, headache, a poor appetite, &c. and was greatly reduced in strength. Hearing your new Indian medicine, the Great Shoshonees Remedy, spoken of so highly, I tried a bottle with your Pills, from these I must say I found but little change, but I took another and then found my health improving. I continued it until I have taken about ten bottles, using the Pills, and I find that I have quite recovered. I eat hearty without pain or uneasiness. I am well and have pleasure in attending to my business. The doctor remarked to me I was looking much better. I told him that the Great Shoshonees Remedy was doing it. I have recommended the Remedy in several cases, and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.

AMBROSE WOOD.

Sworn before me at Consecon, C. W., this 1st day of March, 18-7

J. M. CADMAN, J. P.,
Commissioner in Q. B., in and for the Co. of Prince Edward, C. W. 723

WORKS OF NATURE.

In a state of health the intestinal canal may be compared to a river whose waters flow over the adjoining land, through the channels nature or art has made, and imparte their qualities; so long as it runs on smoothly the channels are kept pure and healthy; if the course of the river is stopped, or the water in the canals is no longer pure, it soon becomes stagnant. There is but one mode of circulation in nature. When there is an superabundance of humorial fluid in the intestinal tubes, and costiveness takes place, it flows back into the blood vessels, and infiltrates itself into the circulation. To establish the free course of the river, we must remove the obstructions which stop its free course, and those of its tributary streams.—Health the body, follow the same natural principle—remove the obsructions from the bowels with Brandreth's Pills, which never invigorate, but are always effectual for the perfect cleansing of the system from foulness or disease. Remember, never suffer a drop of blood to be taken from you. Evacuate the bowels as often and as long as they are defective, or as long as you are sick. See that the BRANDRETH is in white letters in the Government stamp. Sold by all Druggists.

WHO IS MRS. WINSLOW?

To this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and Nurse, principally among children. She has specially studied the constitution and wants of this numerous class, and, as a result of this study, and practical knowledge, obtained in a life spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magic—giving health, and is, moreover, sure to regulate the bowels. In consequence of this Mrs. Winslow is becoming world-renowned. A factor of her race, children rise up and bless her; especially in this place. Vast quantities of Syrup are daily sold and used by Mrs. Winslow has immortalized this invaluable article, and save thousands of children from an early grave by its use. Millions yet unborn will rise and unite in calling her blessed. She has discharged her mission alone, until she has given Winslow's Soothing Syrup. Try it now—Ladies! Sold by all Druggists. Be sure and call for Mrs. Winslow's Soothing Syrup. All others are spurious.

THE undersigned is now prepared to deliver to any part of the town good Beech and Maple Cordwood at $4 per cord, or $2 for a half cord. Also for sale a quantity of good, sound Rock Elm at $3 per cord. He will constantly keep on hand good Cedar for kindling wood, at $3 per cord, or $1.50 for half a cord. I guarantee that a full cord in each case will be delivered.

☞ Orders left at No. 4 Butcher's Stall, Market House, or at the Yard opposite Deady's Hotel, will be promptly attended to.—Terms strictly cash.
