GENEVA, July 16.

The Board of Arbitration met to-day.

A large quantity of printed matter was submitted to the Board, and exchanged by the agents of Great Britain and the United States.

No other business was done.

The Court adjourned after a session of less than thirty minutes.

There is no reason to anticipate further delay in the proceedings, nor is any lengthy controversy expected.

NEW YORK, July 17.

Australia news to June 6th is received.

The steamer "Clarence," from Sydney for Grafton, was totally wrecked 2nd inst. Passengers and crew saved.

Barque "Mary and Edith," from Puget Sound for Australia, laden with lumber, was wrecked near Housnea.

Ship "Young Australia" was lost a few hours after leaving Brisbane for London with a cargo of 1,400 bales of wool and other produce. Ship and cargo fully insured.

The threatened strike of New York printers has been averted by the payment of 20 per cent. increase of wages.

Weather continues unusually hot.

Notice to Mariners.

CARDIFF, June 13th.—Several shipmasters have lately complained of the danger they have run in passing Lundy Island, either in going down or coming up channel, in consequence of no gun being fired by the look out man when vessels are nearing that island. It is often surrounded by a thick mist, which not only prevents the light from being seen, but the roar of the breakers on the shore is often the first warning mariners have of their nearness to it. It would, therefore, be of the utmost importance to urge that the gun (which is placed there for this very purpose) be fired as frequently as possible, especially in very dark or thick weather; hence your correspondent adopts this means of bringing the matter before the notice of those who may be able to avoid a serious disaster which might shortly occur on the dangerous spot.

Spoken.

Steamer France, before reported ashore at Montreal, had discharged all her cargo July 9. She was taking in ballast, and would probably be got off and sail 11th for Quebec, where she will be docked and repaired.

GENTLEMEN:—I shall be a Candidate for your suffrages, at the coming election.

In preparation for political life I have attended all the sessions of the first Parliament of the Dominion. Born among you, bred to the plough, and occupying a freehold, where for three generations my family have tilled the soil of King's, I claim to be most fully identified with your interests; and believing that the representation of this fine county should be entrusted to one of its sons, I confidently solicit your support.

Your obedient servant,
J. E. B. McCREADY.

To the Electors of King's County.

GENTLEMEN,—Having been requested by many of your most influential freeholders to allow myself to be put in nomination at the next general election as a candidate for the representation of your County in the General Parliament of the Dominion, I have consented to do so, and if you deem me a fit and proper person to be your representative, I have to solicit your support.

Being a resident in the County, and having no small stake in it, I feel that your interests are identified with my own, and if elected, my best energies shall be devoted to your service and to the welfare of the Province generally.
