EARS FOR THE MILLION.

Foo Choo's Balsam of Shark's Oil

POSITIVELY RESTORES THE HEARING, AND IS THE ONLY ABSOLUTE CURE FOR DEAFNESS KNOWN.

This Oil is abstracted from peculiar species of small WHITE SHARK caught in the Yellow Sea, known as CARCHARODON RONDELETII. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and **MANY SO SEEMINGLY MIRACULOUS**, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for **OVER 300 YEARS NO DEAFNESS HAS EXISTED AMONG THE CHINESE PEOPLE.** Sent, charges prepaid, to any address at $1.00 per bottle.

Hear What the Deaf Say!

It has performed a miracle in my case.

I have no unearthly noises in my head and hear much better.

I have been greatly benefitted.

My deafness helped a great deal—think another bottle will cure me.

"Its virtues are UNQUESTIONABLE and its CURATIVE CHARACTER ABSOLUTE, AS THE WRIRER CAN PERSONALLY TESTIFY, both from experience and observation. Write at once to HAYLOCK & JENNEY, 7 Dey Street, New York, enclosing $1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so." —Editor of Mercantile Review.

☞ To avoid loss in the Mails, please send money by Registered Letter.

OBER-SELTERSER MINERAL-WASSER.

THE Oberseltzer Mineral Water is one of the best and purest of waters, it is admirably suited for the table, both on account of its constituents, and the abundance of carbonic acid gas which it contains. It is brilliant to the eye, pleasant to the palate, efficacious in quenching thirst, and particularly refreshing.

It rises from a considerable depth, and is carefully and efficiently guarded from the contamination of surface water and other impurities, and is offered with confidence as a natural Mineral Water, possessing the very highest qualities.

In addition to other valuable qualities, it strengthens the nerves, restores the functions of the digestive organs, and acts generally as an anti-acid.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

HORACE FAIRBROTHER."

Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY."

159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."

Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."

Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."

Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.
