Dancing & Etiquette.

MESSRS. CRERAR, beg leave to say that it is their most anxious wish to secure an AFTERNOON MINOR CLASS, from 4 to 6, exclusively for young Misses and Masters; knowing, that, ultimately, it will prove the best test of their merits as teachers of Dancing. A few little Misses have already joined the class,—and with due deference, they would recommend to Parents and Guardians who desire to see their young people not only excel in the polite accomplishment of dancing, but to have their natural and acquired defaults eradicated,—to acquire a freedom of step in walking, an easy and becoming carriage and address, to send them forward as soon as possible, as it is of much importance to the advancement of pupils to have them early arranged in classes.

Where there are three or more of a family a liberal deduction of fee will be made.

A select Evening Class from 6 till 10.
