Treated by Three Doctors for a Severe Attack of Dyspepsia,

Got No Relief From Medicines, But Found It At Last In

Burdock Blood Bitters.

Mrs. Frank Hutt, Morrisburg, Ont., was one of those troubled with this most common of stomach troubles. She writes:—"After being treated by three doctors, and using many advertised medicines, for a severe attack of Dyspepsia, and receiving no benefit, I gave up all hope of ever being cured. Hearing Burdock Blood Bitters so highly spoken of, I decided to get a bottle, and give it a trial. Before I had taken it I began to feel better, and by the time I had taken the second one I was completely cured. I cannot recommend Burdock Blood Bitters too highly, and would advise all sufferers from dyspepsia to give it a trial."

OBITUARY

Mrs. Sarah H. Patterson.

Mrs. Sarah H. Patterson died Tuesday night at her home, 255 Waterloo street, aged 50 years. She was the widow of David H. Patterson and is survived by one daughter and one son, Hamilton Patterson, of The Telegraph composing room. To the bereaved ones there will go out the sympathy of all their friends.

Joseph Lamb.

Joseph Lamb, one of the oldest and most highly respected residents of the parish of Kingston died quite suddenly at his residence, Perry's Point, Tuesday morning at the advanced age of ninety-two years. On Sunday he was out and seemed to be in his usual health, but he was soon after taken with illness, which proved fatal. Mr. Lamb was of Loyalist descent. His family are C. H. Lamb, Chicago; A. P. Lamb and Mrs. Frank Williams, of Boston; Mrs. J. H. Scribner, Jacob T., George E., and S. T. Lamb, all of this city.

Joseph Paxton.

Joseph Paxton, a well known resident of Oak Grove, died March 10 at his home, 222 B Washington street, Malden (Mass.), after a protracted illness. Bright's disease was the cause of his demise, and he was in the forty-seventh year of his age.

The deceased was a native of Oxford (Eng.), and received his education there and at Fredericton (N. B.), where he moved with his parents at the age of fourteen.

He came to Malden seventeen years ago and has since made his home here. He was a printer by trade and for the past ten years had been in charge of the book department of the Gibson Company, Boston.

He was past commander and present recorder of St. Elmo Commandery, K. M., past worthy patriarch of Middlesex Encampment, and a member of Malden Lodge and Canton Malden, I. O. O. F. He was also a member of the Center Methodist church, and is survived by a widow, son Harry, and daughter, Miss Gertrude.

Mrs. Charlotte Patriquin.

Mrs. Charlotte Patriquin, wife of Archibald Patriquin, died at her home this morning of dropsy and heart trouble, after an illness of several weeks. She was a native of the British provinces, but had lived here many years. She was a member of the Methodist Episcopal church and a constant attendant. Besides her husband, who is in the west, she is survived by two sons and three daughters. She was about fifty-five years of age.—Gloucester Daily Times, March 13.

Miss Violet Grey.

Fredericton, March 16—Miss Violet Grey, sister of Mrs. M. E. Doohan, a native of Nova Scotia, passed away at the hospital today after an illness of typhoid fever.

Alexander J. Baxter.

Alexander J. Baxter died last Wednesday at the home of his father, Dr. Baxter, at Thessalon (Ont.). The deceased was well known here having resided for several years with his uncles, Alexander and Robert Jardine. He was on the staff of the Telegraph for a time and was actively engaged in athletics, being easily the fastest mile runner here. He was a general favorite in St. John and when he went to Ottawa and then to Vancouver his movements were followed with interest. Both in Ottawa and Vancouver he was in newspaper work and eventually accepted the position of secretary to the Tourist Association there. In this capacity he soon attained a great deal of success.

Failing health compelled him to give up work some months ago and he went home to Thessalon. The members of the Vancouver Tourist Association showed him every kindness and attention during his illness. There was no cure, however, for this disease—tuberculosis of the intestines.

A year ago last December he married Miss Maud Templeton, of Vancouver, daughter of one of the ex-mayors of that city. He spent part of his honeymoon with his uncle, Robert Jardine of this city. The death of Mr. Baxter will cause much regret in St. John.

John Hagan.

John Hagan, who had been a life long resident of this city, died Thursday morning at the residence of his daughter, Mrs. Maurice Breen, Brittain street, aged fifty-six years. He was taken ill on Sunday with a heavy cold, which rapidly developed into pneumonia. He was of a quiet, good humored disposition, always ready with a word of encouragement and he will be missed by a host of friends. He leaves two daughters, Mrs. Breen and Mrs. M. Clarke, of Calcutta, India, and two granddaughters in Brockton (Mass.)

Joseph McArthur.

Joseph McArthur, the father of ex-Ald. Douglas McArthur, died early Thursday evening at the advanced age of 86 years. He had resided in this city for the greater part of his life, and held an honored and prominent place in the business community.

He was a staunch Orangeman and an adherent of the Presbyterian church. Born in Strabane, county Tyrone (Ire.), he came to this country sixty years ago. A few years after his arrival the gold excitement commenced in California, and he joined in the general rush to the west. In 1852 he returned to St. John and engaged at ship carpentry work and as contractor.

Deceased was a leading spirit among the volunteers of forty years ago, being a member of the old Havelock Rifles. During the Fenian raid scare he was one of the first to volunteer for guard in this city, and a few years ago received his service medal.

His widow and five sons and two daughters survive. The sons are Messrs. Douglas, Walter, Joseph, George, and Albert. Douglas and Albert are in the stationery business, Walter is a stone cutter, George a contractor, and Joseph a mason. The daughters are Mrs. Walter W. Chase, of the North End, and Mrs. Wm. Young, of Philadelphia.

Deceased joined the Orange order sixty years ago in Ireland. He was a member of St. Stephen's church.

Miss Elizabeth Hackett.

Woodstock, N. B., March 16.—Miss Elizabeth Hackett, of Houlton (Me.), who has been an invalid in the Woodstock Hospital for several weeks, from consumption, died at that institution this morning. John Hackett, a brother, arrived this afternoon from Houlton and will convey the body to that town where interment will be made. Miss Hackett was well known and had many warm friends in her own town and in Woodstock, who will regret to hear of her death. J. C. Milmore, of this town, is an uncle of the deceased.

Cancer Treatment

For centuries, Cancer has been treated locally without regard to the fact that it is the result of blood conditions. The lump has been cut away, burned away or torn away by plaster; but all these methods of torture having invariably ended in failure, Cancer has cause to be spoken of as an incurable disease.

Cancer can be cured. Our Vegetable Cancer Cure has cured hundreds of cases and we have the evidence to show for it. Pleasant to take and can be used in the privacy of one's home. Send 6 cents for booklet "Cancer, its Cause and Cure."

$12 Buys this $20 Outfit

$1 Sends it to Your Home

GUARANTEED FOR FIVE YEARS

Our $1 Offer

A payment of only $1 and your promise to pay the balance ($11) in five and a half monthly payments of $2 each will buy the new Crown Melophone, *guaranteed to be equal in every respect, and superior in many important respects, to machines sold for $17 without records*, also a Needle Box, 300 finest quality Diamond Steel Needles, and six brand new 8-inch 50c. Records—*good $20 value for only $12 on easy payments or $10 cash.*

Description

The new Crown Melophone is a handsome instrument, substantially made, and so simply constructed that a child can easily operate it. It can be wound while running, and will play any make or size of disc record. It has a beautifully polished oak cabinet, fitted with a real talking machine motor (not clock-work motor) with worm gearing, constructed on the same principle as those found in the highest priced machines, only on a little smaller scale. It has the new combination brake and speed regulator, by the use of this you can start, stop and control the speed of the machine by one small lever so simply constructed as always to be in order. It has the regular standard, full size sound box. The horn is 15 inches long, finely nickel-plated and red lacquered on the inside. Its unusual length, improved shape and extra large bell, 9 inches in diameter, rounds out the tone beautifully, that which they issue from the horn they are *loud, full, clear, musical, very distinct and as sweet as a bell.* All the metal parts are nicely gilded, and the whole is elegantly finished, making an instrument superior in appearance, workmanship and finish to any machine ever sold for less than $20, including 6 records, and remember we guarantee it for five years.

Why we Can Make Such a Liberal Offer

The more we buy the cheaper we buy, and the cheaper we can sell. We do not always want to offer such a value. When we first started in business we bought machines by the dozens and records by the hundreds. Then our business steadily grew and we began to buy by the hundreds and thousands, later by the carload. Now we control the entire output of one of the largest factories in the world of this particular machine.
