WINNIPEG EXCHANGE PRICES.

Winnipeg, April 7.—Markets opened about steady yesterday, but news from the winter wheat districts indicated that the damage had been exaggerated and prices dropped during the early hours. At the lower values shorts in Chicago covered and a reaction that sent prices above the opening set in. Minneapolis markets did not show nearly as much weakness on the start as did Chicago, and before the close gained over a cent above yesterday.

Trade on this market was better than for some time, and prices more than regained their loss for yesterday. Cash trade was fairly good with premiums unchanged. The close was, May 105 1-4, July 106 3-8, October 95. Oats were steady. Flax bids were lower.

Broomhall, Liverpool — The market opened with an easier tone and offerings larger, prompted by the weakness in both American and Buenos Ayres yesterday, and values were 1-2 lower. Indian offers of new crop wheat were on a more liberal scale and cheaper. Russia continues to offer free'y with private reports that the interior stocks are very heavy. Shortly before midday there was some profit taking by shorts and values steadied some but at this time the undertone was still heavy and prices 1-2 to 3-4 lower than yesterday. Corn was 1-4 lower at the start in sympathy with the break in America yesterday, but the decline was checked by less favorable advices from Argentine. Wheat cargoes arrived off coast nil, and awaiting orders nil. Wheat cargoes in distant positions easier, with more offered and sellers meeting the market. Corn slow with no bidding.

AN ARREST MADE IN THE LONDON ASSAULT CASE

Man Returned For The Hat Which He Left at The Shooting

London, April 7.—Jack Prodgers was arrested this afternoon in connection with the murderous attack on Miss Franks at her home on Wellington Road yesterday. Rodgers visited the house of Robt. Brenmer here on Tuesday night bareheaded, and asked for a hat which Brenmer gave, while his hat was found lying in Miss Frank's home having been dropped by the assailant in his flight. Bremner recognized the hat. Prodgers is a well known character here and was formerly a bar tender and has a long police record. He is 35 years of age and answer the description of the assailant. Miss Franks condition is critical and blood poisoning from the wounds is feared. Prodgers at first denied getting the hat from Bremner, but later became silent on the point. He will appear in the police court tomorrow morning on a charge of shooting with intent to kill.

THE DRUG HABIT PREVALENT IN CITY OF PHILADELPHIA

Cocaine Sold to Children in the Schools —Some Startling Developments.

Philadelphia, Pa., April 7.—The first of the tria s of persons arrested in this city at the instance of the State Pharmaceutical Board for the illegal sale of cocaine, ended today, when George and Charles Rollins, negroes, changed their pleadings to guilty, and were each sent to prison for two years. A fine of $500 was also imposed on each. The men told the court that they had been in the illegal traffic for about nine months, and that they obtained the drug from the employees of two large wholesale drug firms. They started the judges by saying that between 200 and 300 persons were engaged in the traffic in Philadelphia.

As a result of the crusade by the Pharmaceutical Board, twenty persons, including druggists, and a physician, have been arrested, charged with illegal selling of cocaine. The drug has been sold to school children, which fact, with the widespread increase in the use of the stuff, by its victims caused the crusade against its illegal sale.

Toronto Lawyer in Trouble

Toronto, April 7.—Geo. H. Stephenson, a barrister of many years standing in Toronto was this afternoon sentenced by Judge Denton to four months in jail on a charge of the theft of $480 from Mrs. Annie Pethie. A. B. ELLIOTT OF NEW YORK BECOMES BARONET

He Was James R. Keene's Confidential Manager for Years

New York, April 7.—The World today says: "Arthur Boswell Elliott, for years James R. Keene's confidential manager in Wall street, and now a member of a stock exchange firm, received word today that he had come into the title of Baronet through the death of his uncle, Sir William Elliott, of Stobs Castle, Roxborough, England.

"Sir Arthur has been prominent in Wall street for the last fifteen years. He came to this country from England twenty years ago, and became associated with the brokerage firm of which Talbot J. Taylor, Mr. Keene's son-in-law, was the head.

"Sir William Elliott was the eighth baronet of Stobs. He was related to Lord Minto. The title dates back to 1661 and the present Sir Arthur Elliott is a direct descendant of Robert Bruce. The family is one of the oldest in England."

Powers of Railway Commission

Ottawa, April 7.—The Commons railway committee today killed the preamble of the bill of Claude MacDonnell (South Toronto) which proposed that once the system of commutation tickets be inaugurated it must not be abolished except by the consent of railway commission, and further that when one railway grants reduced rates from the central to outside points, all other railways must do the same within a similar radius. The minister of railways pointed out that the recent decision of the supreme court gave the railway commission power sought by the bill.

NO RISK OF A $1,000 DOCTOR'S BILL

The Harris Medical Laboratory.

Under the supervision of Evan Tucker, graduate of the Chicago Illinois College of Opthalmology & Othology, Chicago, Ill.

Our Specialities Annihilate Disease

The Harris Medical Specialties for the eye, ear, nose, throat and all constitutional ailments, are today without a parallel in the history of medicine. Backed up by years of experience and the most famous specialists.

For instance, we have today the only absolute and positive plaster cure for External Cancer (removed without the use of the knife). This formula was originally that of Dr. Marston of the London Hospital, England, where over 5,000 cases were successfully cured by its use. We have never yet failed to see a cancer not successfully removed by its use.

Many forms of internal cancer are likewise absorbed successfully. This specialty is from one of our famous specialists also.

No charge for service or advice, as we do not enter into the practice of medicine. The sad thing about medical practitioners today is that they continually practice and doctor. What people want today is a cure. We make no charge for services, neither do we put you under the oftentimes disagreeable examinations of the local practitioner. Our specialties cost from $10 upward.

The Harris Medical Laboratory, Calgary, Alta.

Office: Arlington Hotel.

P.S.—We have over 1,000 specialties, scientifically, chemically, skilfully compounded in the finest and best and largest laboratories in the world. We are oftentimes asked if these are patent medicines, to which we must answer "No," decidedly, as we claim no proprietary ownership of any of these formulae. 919-7-9-11

CHEAP LUMBER

There is quality in lumber; do not forget that. Poor lumber means a cold, crude house; difficult to live in; difficult to rent, and difficult to sell. We carry cheap lumber suitable for some purposes, but the kind you want in your new house we make a specialty of. Inquire about our hardwood flooring. It costs you little more than fir and it adds greatly to the value of your house. We store our high grades in completely enclosed warehouses which give protection from dust, rain and sun. Our purchases are of such magnitude that we can demand the best of lumber for the least money. Our customers get the benefit! Inspection of any one of our thirty-six yards will satisfy you as to this. Two yards in Calgary.
