TO MERCHANTS, DRUGGISTS AND DEALERS IN OILS, PAINTS, &c.

WE, the Undersigned, beg to inform you that we are manufacturing a NEW OIL for lubricating Machinery, intended to supersede the use of Sperm and other Oil used for that purpose. Its qualities have been tested for several months in Manufacturing Establishments, Steamers, and upon Railroads, and the use of it has given general satisfaction. Our price is 70c. per gallon. Any orders you may be pleased to send will be duly attended to.

ROBBINS, LANGDON & Co.,
New York.

JOHN G. DINNING,
Agent for Canada.

CERTIFICATES.

BRIDGEPORT, Nov. 8th, 1849.

Messrs. ROBBINS, LANGDON & Co.,

GENTLEMEN,—After about three months trial of your Oil, I have come to the conclusion to use it entirely on the Engines on the New York and New Haven and the New Haven and Northampton Railroads, for the following reasons:—

1. It wears quite as long as Sperm Oil.
2. So far as I have used it, it keeps the Journals equally cool as Sperm Oil.
3. I have no complaint from our men about cleaning the Engines, and presume it is equally as easy to clean an Engine by using your Oil as it is in using Sperm Oil.
4. I can see no reason why it is not equal to the best of Sperm Oil for lubricating Machinery.
5. There is in my opinion a very great saving to all parties in using your Oil for lubricating Machinery.
6. I believe it will stand cold weather better than any Sperm Oil.

Very respectfully yours,
E. H. MASON, Supt. N. Y. & N. H. Railway.

STEAMER BAY STATE,
October 22nd, 1849.

Messrs. ROBBINS, LANGDON & Co.

GENTLEMEN,—In answer to your request for my testimony as to the Machinery Oil manufactured by you, I will say that I have used it for some time past on the Bay State, and am perfectly satisfied that your statement to me of its good qualities, is correct. As far as its lasting properties go, it wears equally long as Sperm Oil, runs perfectly free, and has no appearance of thickening. As a lubricating for these bearings, I would recommend you to send your friends on board our Boat, and they can then, by ocular demonstration, judge for themselves.

Yours respectfully,
JOHN GRAY,
Engineer of Steamer Bay State, Wm. S. N. R.

STEAMER KNICKERBOCKER,
September 28, 1849.

GENTLEMEN,—Mr. Hall, Agent of the Norwich and New London Steamboat Co., placed in my hands some of your Machinery Oil, which he desired me to use on the Engine and other Machinery, which I have done, and was so much pleased with the working, that I recommend the Owners to give you their orders.

I have been using the article since August 19, and will perfect satisfaction, and I am well satisfied that your Oil is as good as the best of Sperm Oil for lubricating Machinery.

I am yours very respectfully,
SAMUEL CARTER,
Eng. of the Steamboat Knickerbocker, Pier 16, N. R.

To Messrs. ROBBINS, LANGDON & Co.,
Oil Merchants, 128, Water Street, New York.

STEAMBOAT WORCESTER,
New York, October 15th, 1849.

Messrs. ROBBINS, LANGDON & Co.

GENTLEMEN,—I beg to acknowledge the receipt of your letter requesting my opinion as to your Oil for Machinery, which I had not time to reply to previous to my return to Norwich. I have been using your Oil on the Engine and Machinery of the Worcester with perfect success, and have much pleasure in testifying as to its good qualities. In my opinion, the Journals keep cooler with your Oil than with Sperm, and it wears equally well. Should you at any time wish to refer to me as to your Oil, I feel you will do so without hesitation.

Yours respectfully,
JAMES CROOKER,
Eng. of the Steamboat Worcester, Pier 18, N. R.

STEAMBOAT C. VANDERBILT,
New York, October 31, 1849.

Messrs. ROBBINS, LANGDON & Co.

GENTLEMEN,—I have been using your Machinery Oil on the Engine and other Machinery of the Steamer Southerner, running from this to Charleston, and find it equal to Sperm Oil. I shall continue the use of the same, and you are at liberty to refer to me at any time.

Yours very respectfully,
DAVID B. MAXON,
Chief Engineer Steamer Southerner.
