SHERIFF'S SALE OF MINING SHARES

FRED MOWAT, Sheriff.

MINING MARKET HOLDING STEADY

Strength in Hollinger, McIntyre, Timiskaming and Beaver.

Mining stocks were steady yesterday on the Standard Exchange. Apex sold at 2c. Big Dome was steady at 635. Hollinger was strong, selling at 21.00. For odd lots 21.10 was bid. This is a break into new ground. Jupiter was slightly easier, selling back to 9¾. McIntyre sold up to 25, but was offered down at the close to 24. Porcupine Vipond was offered at 25 with 24 bid.

In the Cobalts, Beaver was stronger, selling up to 21½. Timiskaming was also strong, opening at 9½ and selling up to 10¼. This stock was very active, 13,000 shares changing hands. When the price of silver adjusts itself this stock is likely to take a sudden spurt. Peterson Lake sold at 27½. Kerr Lake was lower, selling at 435. The balance of the market was inactive but with a fairly good demand.

Chiropractors

AN X-RAY PICTURE FREE—Chiropractics in the past has done some very remarkable things in removing the ills of humanity, but there have been some cases that seemed no worse than those benefited which have seemingly baffled the efforts of the chiropractor, whereas if an X-ray picture had been taken the cause would have been located and more beneficial results obtained; to demonstrate the efficiency of the X-ray in helping the chiropractor locate the cause of disease, I am going to give for a limited time to new patients one free picture. Dr. George W. Doxsee, Palmer School graduate, Ryrie Building, Yonge, corner Shuter; residence, 150 Roncesvalles avenue; lady attendant; write or telephone appointment; consultation free. 37
