At Montreal:

Jersey City .... 000200100—3 9 4
Montreal .... 141001000—7 10 3

Batteries — Cooney, Thompson and Wells; Mattern and Madden.

BALL GAME TODAY AT 3 O'CLOCK

With such excellent games being played between the Marathons and the Fredericton team in these post season series, and the ten inning battle yesterday should be inducement enough for a very large number of people attending the game of ball on the North End grounds this afternoon. Four games in the series have been played, the St. John team winning three of these. Fredericton will be out in force this afternoon with Condon the pitcher and they will have Joe Tarbell to face and a good game may be expected.

The teams are very evenly matched and despite what has been said the Fredericton team is taking as much if not more interest in these games than they did when playing in the regular league schedule and they will work hard for a victory this afternoon.

With two games played on Monday the Fredericton team will disband and as far as they are concerned the 1913 season will be finished. If games with an outside team cannot be arranged by that time for the Marathons this team will also disband on Monday night.

MARITIME LADIES' GOLF TOURNAMENT

Charlottetown, P. E. I., August 29.—The Maritime Ladies' Golf tournament was concluded today, the weather being fine. The first consolation match was won by Mrs. Bonnyman, of Amherst, who defeated Mrs. Goodwill, of Charlottetown. The match for the inter-provincial cup was won by Nova Scotia, who defeated the New Brunswick and Prince Edward Island combination team by 31 to 10. The annual meeting of the association was held today. A resolution was passed that the champion at the next tournament play all the matches instead of merely defending her title on the last day. This change was made on the suggestion of this year's winner, Mrs. Handsomebody.

Halifax was fixed as the tournament ground for next year, the last week in August, and the officers elected are as follows: President, Mrs. Dr. L. M. Murray; vice-president, Mrs. Harry Mahon; secretary-treasurer, Mrs. F. C. Keiser, all of Halifax. A committee was appointed to take steps to induce other clubs to join the association. It was decided to drop the handicap prizes next year.

The prizes were presented this afternoon by W. K. Rogers, president of the Charlottetown Club. The champion received a handsome silver filigree basket and a bracelet set with pearls and amethysts, and Miss Bauld, of Halifax, also received a beautiful special prize.

GREEKS WIN TEN INNING GAME; PITCHERS' BATTLE THROUGHOUT

There was a fair crowd of people at the North End grounds yesterday afternoon to witness the Marathons defeat the Fredericton team in a ten inning hard-fought game with a score of three to two. It was a pitchers' battle throughout between Conley of the Greeks and Dedrich for Fredericton and although eight singles were made off each pitcher and the majority of the hits were infield ones, Conley had the better of the fight, having struck out ten men against two struck out by Dedrich. In a number of cases the errors made by the players were almost excusable. Conley, the Fredericton third baseman, in the last inning threw slightly wild to Bien on first, causing that player to reach off the base to catch the ball with the result that the batter was safe and Conley, the Greeks' twirler, was enabled to bring in the winning run. The Greeks made their first two runs in the fourth inning. With two down, Jacobson hit safe to right field. Shankey hit one to Conley at third and that player failed to stop the ball, it striking against his glove and bounding away. Pinkerton hit to the first baseman and reached first before the ball could be fielded to the base in time to catch him and Jacobson scored. Then White beat out a hit to short and Shankey scored. Waterhouse struck out and retired the side.

The two runs that the Frederictons scored were in the sixth inning. Morey beat out a bunt to the pitcher, and White did the same trick to third, O'Brien slipping and falling when trying to field the ball. Duggan sacrificed and advanced the men a base. Then Morey and White worked the double steal while Conley was winding up, the former scoring. Conley struck out. Callihan hit safe to right field and White scored. Bien hit to short and forced Callihan at second.

The sides were retired quickly until the eighth when after two men had struck out Duggan managed to beat out a hit to short on a close decision and then successfully stole second and third. Conley retired the side by flying out to centre.

With two men out in the tenth inning White singled to centre and advanced to second when Shankey failed to hold a throw from the pitcher and a pass ball allowed the runner to reach third. Duggan drew a base on balls and stole second. Conley filed out to pitcher.

For the Marathons Conley managed to single to centre. O'Brien sacrificed. Parker filed out to short. Riley came over with a single to right. Jacobson hit to Conley at third who threw wide to first causing Bien to reach off the base to capture the ball and Jacobson was safe while Conley crossed the plate with the winning run. It was a most interesting game of ball and the fans were pleased with the manner in which the men on both teams worked.

The box score and summary:

Marathons.

WEYMOUTH DEFEATED ST. JOHN TEAM

The Weymouth, N. S., cricket club defeated the St. John eleven on the Barrack Green yesterday afternoon by a score of 138 to 77.

Weymouth won the toss and put St. John to bat and some good batting was done. Tucker hitting up 25 and Fairweather 13 were the top scores. The innings closed for 77 runs.

Weymouth went to bat and hit up 138 in fine style—Jones' 46 was the feature of the game. A. Campbell got in 30 in good form. The following is the batting analysis of the match:

St. John

Tucker, c Hollowell b Fillwel	25
Bradbury, c Taylor b Campbell	5
Williamson b Jones	9
Fairweather b Jones	13
Popham b Campbell	1
Rev. R. A. Armstrong b Jones	4
Sturdee b Campbell	0
Rogers b Campbell	1
Langworthy run out	2
Burrows b Campbell	0
Morrisey	0
Byes	15
Leg byes	2
No balls	2
Total	77

Weymouth.

T. Campbell run out	5
H. R. Jones run out	46
P. Fillwel b Popham	2

H. Hollowell c Popham	9
A. Campbell stumped	30
Rev. M. Taylor b Popham	0
J. B. McNeil b Popham	4
C. Oliver b Popham	14
C. Ruggles stumped	9
M. Oliver run out	2
Byes	15
Total	138

CRICKET TODAY.

On the Barrack Square this afternoon the St. John cricket team will play a match with the team from the Atlantic Sugar Refinery. The St. John's line-up will be: Sturdee, Munro, Ingleton, Tucker, Rev. R. A. Armstrong, Fairweather, Kingswell, Popham, Stubbs, Jones and Longworthy. C. E. Macmichael will referee.

JOHNSON AND SAM LANGFORD ARE MATCHED

Boston, August 29.—Sam Langford, negro heavyweight, is to meet Jack Johnson, heavyweight champion of the world, in a bout for the title in Paris, December 20. Arrangements for the match were completed by cable today, according to Joe Woodman, manager of Langford.

The bout is to be of 20 rounds and will be staged in the Cirque de Paris, under the direction of Theodore Vienno. Langford is guaranteed a lump sum and a percentage of the receipts for his appearance, Woodman says.

The Boston heavyweight was defeated by Johnson seven years ago and has been seeking a bout with the champion since. Johnson's reported need of money and the fact that the proposed bouts with white men in Paris and London have been frowned upon are the reasons, in Woodman's opinion, that resulted in the match being made.

INTERESTING HORSE RACING AT HOULTON YESTERDAY

Houlton, Me., August 29.—The unfinished race was won in slow time by the bay mare, Lady Bell, driven by C. Dugan, Queen Mary being second, Ada Todd third. The matinee race went to Mr. George, with the pacer Garry A. Jennett, a good looking trotter by Colombo, bred by E. H. Greeley, of Ellsworth, won second premium.

Agnes W., 2.18 3-4, bay mare by Wilken, won the 2.21 class, after dropping the first heat to Muster Hill. Patchen Brady picked up third money and Fanny M., (2.22 1-4), the big trotter owned by C. H. Rideout, Houlton, landed fourth in a field of pacers. This was a good showing for the mare.

The 2.18 pacing stake was a very interesting race to watch. George Reed, from Fort Fairfield, landed the black gelding, Thomas S. (2.15 1-4), like a grand circuit driver, winning handily, but the horses were close enough to make the finish interesting. At the end of the second heat Tommy Raymond and Mike Gerow stood alike. The third heat would decide who got third and who fourth. Mike dropped in behind, Tommy pulled out at the seven-eights pole. From that point to the wire the two drivers did some very smooth driving, but the gray was too much for the black, Tommy winning over Mike by more than an open length.

The races were all over at 4.30. The summary:

2.30 Stake.

Finish of 2.30 stake: Lady Bell, 1st; Queen Mary, 2nd; Ada Todd, 3rd. Time, 2.25.

Matinee Race.

Garry A., blk h (George)	1	1	1
Jennett, blk m (Verd)	2	3	2
Minnie Briague, b m (Rideout)	3	2	3
Aguinaldo, b h (Donnelly)	4	4	4
Ben Wilken, b h (Hamilton)	5	5	5

Time—2.30, 2.31 1-2, 2.29 1-4.

2.18 Pace.

Time—2.19 1-4, 2.21, 2.20 1-4, 2.21 1-2.

CHAS. O'BRIEN SIGNED BY WHITE SOX

Word was received yesterday by Charles O'Brien that Comiskey, the manager of the Chicago White Sox, had purchased him, and O'Brien expects to leave St. John on Tuesday next for Chicago to join the White Sox squad. In procuring O'Brien the White Sox manager is procuring about the fastest third baseman that has ever been seen on a diamond in the East. He has been playing the third sack for the Marathon baseball team for the past two seasons, and has been counted as being one of the best players in the New Brunswick and Maine League. His fielding of extremely difficult balls has mostly been clean and in many cases of such a sensational manner that it won him well merited applause from the fans. He is a good stick artist and is well acquainted with baseball in its many stages. As a popular young man and a gentleman there is none better than Obey O'Brien, and all the harm his many friends wish him is that he will make good with the big league manager. He is a young athletic player with plenty of experience and will undoubtedly be seen playing among the big ones next season.

MOOSEPATH RACES MONDAY.

There is every prospects of a good afternoon's sport on the old Moosepath Park track on Monday when the St. John Driving Club will hold races. There is a good number of horses entered for the different events and the heats will undoubtedly be closely contested.

PLAYERS TRADED OR PURCHASED

Cincinnati, August 29.—Exclusive of those players obtained by major league clubs from minor league teams through optional agreements, two hundred and two players have either been traded or purchased by minor league teams from each other, or from minor league teams during the last year, according to a list handed down by the National Baseball Commission today. A large majority of these represent purchases from the minor leagues, some of the players not having yet reported to their teams. All trades or sales from August 20, 1912, are included.

The American league carried off the honors, 110 players coming to them during the last year, while an even 100 either entered the ranks of the National League or will when the details or trades will have been consummated.

The Boston Nationals lead in men obtained. Twenty-three players new to the Boston National team have been contracted for during the above-mentioned period. Cincinnati comes next with twenty-one. Detroit is third with nineteen, while the others are as follows:

Cleveland 17, New York Americans 15, Pittsburg 14, St. Louis Nationals 14, Chicago Americans 14, St. Louis Americans 12, Boston Americans 11, Washington 11, Chicago Nationals 10, Brooklyn 10, New York Nationals 4, Philadelphia Nationals 4, and Philadelphia Americans 2.

WON 302 MILE GRIND.

Elgin, Ills., Aug. 29.—Two veteran drivers shared the honors of today's road race for the Cobe trophy—Ralph De Palma and Joe Dawson. The former won the 302 miles grind in 4.31.56, but Dawson was only slightly behind, going the distance in 4.39.52.

De Palma's average, 66.08 miles per hour, is slightly better than the previous record for this event, which is the annual preliminary to the Elgin National, to be run with fifteen big cars tomorrow.

IMPORTANT BANKER

TOOK GATLIN LIQUOR TREATMENT

Cured in 3 Days

A Bank Manager of an Important Branch of one of the Leading Banks, being under the influence of the Drink Habit, would lose his position if he did not give up drink.

He fortunately took the Gatlin Treatment in time, and after only 3 days at the Institute, returned to his position a cured man.

In a letter he writes—"The Gatlin Treatment is certainly wonderful, and instead of being dull, I now transact all my work with a clear head, and business, instead of being a burden as before, is now a pleasure to me."

This treatment for the Liquor Habit never fails to cure in 3 days, leaving an abhorrence for drink in any form.

Write, call or telephone today for booklet and full particulars.

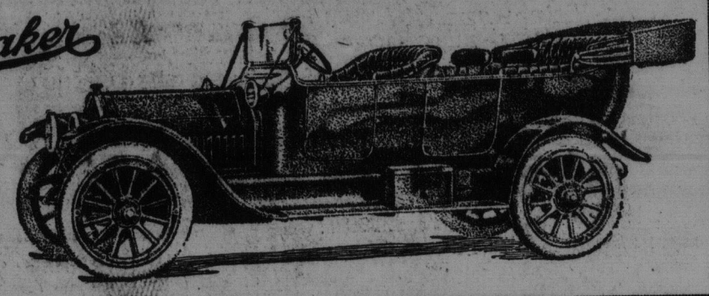
Studebaker "SIX" $1800



One of The Most Remarkable Cars Ever Seen in Canada

We urge you to see immediately the $1800 Studebaker "SIX" Touring Car.

The advantages of this "SIX" are so marked, that it may truly be said for the first time to open up to men of moderate means all those luxuries of motoring which have hitherto been found only in the most expensive cars.

The most conspicuous qualities of this "SIX" are its even flow of power, its wonderful smoothness and flexibility, and its ability to do all work with effortless ease and a minimum of wear.

The sensation which this "SIX" has already created among the well-informed has a solid basis in the efficiency which it shows under all road conditions.

You who know the average good car will be charmed and convinced by a demonstration in the Studebaker "Six".

And we venture to say that your discovery of the driving qualities of this extraordinary car will be the most pleasant in all your experience.

We urge especially that those who have not yet been persuaded of the success of a moderate priced six-cylinder car should examine this "SIX" immediately. The Studebaker "SIX" unquestionably represents a new and striking advance in automobile luxury.

Try it now. And be warned that *the Studebaker "SIX" will win you,* as sure as ever you sit behind the wheel.

Buy It Because It's a Studebaker

Standards of Luxury

The Studebaker "SIX" is, of course, electrically lighted and started.

It is furnished with full six-passenger body containing two exceedingly comfortable auxiliary seats, which may easily be folded out of the way.

The finish is rich and lustrous, requiring twenty-four operations, and weeks of drying and aging for the painting alone.

The rich upholstery enables the occupants to tour long distances without fatigue.

The Studebaker "SIX" is also completely equipped. Speedometer, electric dash light, electric horn, detachable, demountable rims, with extra rim furnished, and Studebaker Jiffy curtains, which can quickly be slipped in place from inside the car, are evidences of the care Studebaker has for the owner's comfort.

Innumerable little refinements, all of which go to make up the owner's satisfaction, are exceedingly well worth your attention. Both in beauty of line and every finished detail, the Studebaker "SIX" is a very attractive car.

Mechanical Advantages

The motor design of the Studebaker "SIX" is characteristically clean, simple and efficient.

The cylinders are cast en bloc, warranting perfect alignment and rigidity, and the pump and magneto are set on a cross shaft in front of the motor, where they operate silently and at the same time leave the valves completely accessible.

The four large crank-shaft bearings of this motor insure long life and even running. So finely, too, is the crank-shaft proportioned, that it will balance perfectly in any position.

In the rear axle beautiful design is to be found. The axle shafts are of nickel steel, and the whole assembly is what is known as a full-floating axle. All the weight from the wheels is carried on the housing, and thus the axle shafts are relieved of all road shocks.

The springs are long and very resilient, so that any roughness of the road is always cushioned.
