WHEAT IS NOT VERY ACTIVE

Little Movement in Chicago Futures Yesterday.

Liverpool Futures Opened Higher, But Declined Later—Maize Markets Little Changed—Local Grain, Produce and Live Stock Markets —Notes and Gossip of the Day.

Tuesday Evening, Feb. 21.

Liverpool wheat futures to-day opened steady, at an advance over night, but eased off later and closed ½d to ¼d per cental lower than yesterday.

Paris wheat to-day advanced 5 centimes, and flour closed 15 centimes lower to 10 higher for the day.

Chicago's speculative wheat market was not very active to-day, and despite the recent good-sized slump, little evidence of a likely recovery was noticeable. Argentina and other foreign news continues bearish. The May option this morning opened ⅝c per bushel below yesterday's close, advanced ¾c during the session, and then receded ⅝c, closing at the same figure as it did yesterday. There will be no session of the Chicago exchange to-morrow.

Liverpool maize futures to-day declined ¼d per cental. Corn was about unchanged at Chicago.

Flour declined 3d at Liverpool to-day.

Lard declined 6d at Liverpool, and bacon declined 6d.

Liverpool wheat receipts the past three days 208,000 centals, all American. Corn same time 160,000 centals.

Bradstreet's makes the past week's decrease in the world's visible supply 1,500,000 bushels.

Exports at New York to-day: Flour 15,508 sacks; wheat 54,886 bushels.

Receipts of wheat at Minneapolis and Duluth to-day 579 cars, as against 370 cars the corresponding day of last year.

LOCAL LIVE STOCK.

The run of live stock at the cattle market here to-day was large, 77 car loads, consisting of 1000 cattle, 2000 hogs, 450 sheep and about 25 calves.

The quality of fat cattle generally was only medium, not enough of first-class, either in butchers' or exporters (especially the latter) coming forward. A few straight loads of exporters came in, but the bulk of fat cattle as mixed loads.

Trade was fair. All first-class fat cattle found a ready market, at firm prices, but medium to common butchers' stuff was inclined to be easy, as the bulk of deliveries was of this class.

Friday's prices were well maintained in nearly all the different classes of cattle.

Exporters—Choice loads of exporters sold at $4.50 to $4.75, and light at $4.30 to $4.50 per cwt.

A few picked lots of choice, heavy exporters sold as high as $4.80 to $5, and 15c per cwt. more was paid in one instance, but these quotations must not be regarded as being general by any means, as the bulk of export cattle went at $4 50 to $4.75 per cwt.

The best finished choice butchers' cattle, weighing from 1100 lbs. up, were bought for export purposes, at prices ranging from $4.40 to $4.60 per cwt.

Loads of good butchers, with a few exporters mixed, brought from $3.90 to $4.20 per cwt.

Export Bulls—Choice heavy bulls sold at $3.60 to $4, with an odd one of extra quality and breed at 20c per cwt. extra.

Light and medium export bulls sold at $2.25 to $3.50 per cwt.

Butchers' Cattle—Choice picked lots of butchers' cattle, equal in quality to the best exporters, but not as heavy, weighing from 1000 to 1150 each, sold at $4.10 to $4.30 per cwt.

Loads of good butchers' cattle sold at $3.75 to $3.90, and medium at $3.35 to $3.60 per cwt.

Loads of common butchers' cattle sold at $3 to $3.25, and inferior at $2.75 to $3 per cwt.

Stockers—Buffalo stockers were in fair demand, selling at $3.40 to $3.75 per cwt.

Feeders—Few of this class are coming forward, but choice bred steers weighing from 1050 to 1150 are worth from $3.80 to $4 per cwt.

Stock Heifers—A few of this class, weighing 500 lbs. each, sold from $2.60 to $2.85 per cwt.

Calves—About 20 calves sold from $3 to $7 each for general run, and choice heavy veals of good quality worth about $5 per cwt.

Sheep—There were 450 sheep and yearling lambs delivered, ewes selling at $3.25 to $3.50, and bucks at $2.75 to $3 per cwt.

Yearling Lambs—These were in good demand, selling at $4.50 to $4.75 per cwt. for general run, while a few choice picked heavy-weights brought 10c to 15c more per cwt.

Milch Cows—About 25 cows and springers sold at prices ranging from $30 to $45 each, the bulk going at an average of $37 each.

Hogs—Deliveries heavy; about 2000 came to the market, and 700 or 800 more went to the packing houses direct. Prices were unchanged for select lots, and thick fats, while lights were 25c per cwt. lower. The prospects are for lower prices.

Very much dissatisfaction prevailed among the drovers as to their treatment in regard to the culling of their hogs and prices paid.

Choice selected bacon hogs, 160 to 200 lbs. each, unfed and unwatered, off cars, $4.37½ to $4.50 per cwt.

Light hogs sold at $4, and thick fats of all kinds at $3.87½ per cwt.

James Gordon sold 100 hogs to the Davies Packing Company, 64 of which were selects, at $4.50, 30 lights at $4 and 6 fats at $3.87½ per cwt.

East Buffalo Cattle Market.

East Buffalo, Feb. 21.—Cattle—The total offerings were four loads. There was about the usual Tuesday peddling trade, with no important change in quoted figures of yesterday.

Heavy were quotable, $3.85 to $3.90; medium, $3.85; Yorkers, $3.70 to $3.75; pigs, $3.50; roughs, $3.20 to $3.30; stags, $2.50 to $2.75.

Live Stock in Chicago.

Fair to choice, $3.65 to $3.80; packing lots, $3.45 to $3.62½; mixed, $3.45 to $3.67½; butchers', $3.45 to $3.70; light, $3.45 to $3.65; pigs, $3 to $3.50.

Chicago Gossip.

Henry A. King & Co., 12 East King-street, received the following despatch to-day from Chicago:

Wheat—The extent of trading on our exchange to-day has been moderate in volume. It has been, on the whole, a fairly active and firm market. The opening was ⅝c under last night's final figures, but prices soon stiffened up on buying by commission houses for outside account. New York reported foreigners light sellers of May in the early part of the session and good buyers of the July option throughout the day. The selling here was light. Local receipts 116 cars; Northwestern receipts 479 cars. Liverpool was ½d lower for the day, and Paris was 5 centimes higher. Bradstreet's showed a decrease of 1,500,000 bushels. The news which was scarce to-day was conflicting in nature. The surroundings of our market lately have not been remarkably stimulating to the bulls, nor eminently depressing to the bears. No estimate of the damage over the entire winter wheat belt has thus far been considered authoritative. Exports have been larger than for any like period in a number of years, but it is said that extraordinary low ocean freights have induced the foreigner to buy and pile up more than he wanted, or will be able to take care of for many months. State reports are very favorable so far, and every little while we are deluged with accounts of the abundance of the supplies in Russia and the excess of requirements in Argentina. We think existing conditions warrant scalping markets, on which traders should be constant with moderate profits. The market closed steady at 73⅛c for May.

Corn—A fairly active market, prices ruling steady, within a narrow range. Commission people sold early on heavy receipts, 1035 cars. Stocks are accumulating rapidly and it is said in the pit the speculative load is getting too heavy for the limited trade we have. Cash demand poor for shipping and export demand. The buying to-day was light and scattered. Cars to-morrow 475.

Provisions—Had a recovery to-day under splendid buying by outsiders and local operators, and the advance was held to the close. Packers were less inclined to sell to-day, only operating on that side lightly. We think provisions will do better from now on and advise taking hold on all moderate reactions. Receipts of hogs to-day 18,000 and estimated to-morrow 30,000.

Cotton Markets.

New York, Feb. 21.—Cotton—Spot closed quiet; middling uplands, 6.9-16; do., gulf, 6 13-16; sales, 450 bales.

New York, Feb. 21.—Cotton—Futures closed steady. Feb. 6.25, March 6.26, April 6.23, May 6.25, June 6.23, July 6.24, Aug. 6.26, Sept. 6.14, Oct. 6.15, Nov. 6.12, Dec. 6.16, Jan. 6.17.

CANADIAN STOCKS ARE FIRM

With Advances Yesterday in Several Issues.

Electric Issues, Twin City, C. P. R., Richelieu and Cable All Showed a Good Tone—Wall Street Irregular, With Tobacco Most Erratic —Notes and Gossip for the Day.

Tuesday Evening, Feb. 21.

In Canadian securities to-day C.P.R. sold at 90¼ to 90⅝, the last sale being at 90⅝, and closed at 90¼ bid. General Electric, Toronto Electric, Cable, Richelieu and Twin City also closed higher than yesterday. Cariboo was easier. Montreal Railway again advanced on the Montreal board. The feature in unlisted mining stocks was the slump in Deer Park from 13½ to 7½ bid. There is talk of an unsatisfactory return from the recent test shipment of ore to the smelter.

Wall Street Stocks.

Atchison, pref., Jersey Central, Pacific Mail and C.B.Q. were the strong features. There will be no session of the Wall-street exchange to-morrow.

Southern Railway earnings decreased $55,000 the second week in February, owing to the storm.

Notes by Cable.

Consols closed 1-16 higher in London for the day.

American rails held pretty steady in London to-day, closing generally from ⅜ lower to ½ higher than yesterday. Atchisons rose a clear 1⅛ points.

In Paris 3 per cent. rentes were at 102f 95c.

French exchange on London to-day 25f 19c.

The Bank of Germany has reduced its discount rate from 5 to 4½ per cent.
