WAITING FOR SALMON.—The International steamer Cumberland was delayed a couple of hours this morning. She was waiting for a consignment of salmon which came in on the late train.

AT THE SHAMROCK GROUNDS.—The City Cornet band will give another of their enjoyable concerts at the Shamrock grounds this evening. The grounds are well lighted by electricity, and the various promenades in excellent condition.

BARQT. MANDARIN (Nor.) arrived last evening from Liverpool with a cargo of salt for Barton Gandy. The captain reports seeing large quantities of ice near the banks. He was 21 days from Liverpool to the banks and 19 from there to this port.

DECLARED OFF.—The excursion to St. Stephen and Calais which was to have taken place today will not be held. Word was received this morning that it was raining heavily at the border town. Quite a number of people were at the Shore Line station, at Carleton early this morning waiting to proceed.

BUSINESS PURCHASED.—By reference to an advertisement in another column it will be seen that Mr. John O'Regan has purchased the old established business of Grindon, Welch & Co. 21, & 22 North Wharf, and in future will carry on the wholesale wine and spirit business, at his old stand as well as on the North Wharf.

THEY ENJOYED THE SPORT. — Seven policemen, their chief and Magistrate Ritchie were present at the boxing tournament last evening. Notwithstanding the fact that the members of the police department have recently been making strenuous efforts to put down prize fighting they still seem anxious to take in all the sparring matches going.

DESERTERS.—Chief of police Clark has received a description of two men who deserted from H. M. S. Bellerophon at Halifax last night. Geo. Coker, one of them, is 5 feet 3 inches in height, has light brown hair, blue eyes, and sallow complexion. Edward Terry, the other is 5 feet 5 inches in height, has dark brown eyes and fresh complexion. Both are A. B.'s and a reward of £3 each is offered for their apprehension.

HARKINS'S DRAMATIC CO. which opens its season on the 14th at the Institute will be larger and stronger than ever. Negotiations are now in progress to secure two more strong attractions, the melo-drama, 'The Main Line' and the domestic drama 'Sweet Lavender.' These in addition to 'The Black Flag,' 'Harbor Lights,' 'Shadows of a Great City,' 'American Flats,' 'Ranch 10,' and other pieces ought to make brilliant a season.

GORTON'S MINSTRELS had a most enthusiastic reception in Halifax, this week, playing to crowded houses both nights. Among the performers are several members of Baird's troupe when last here. The Stratford (Ont. Herald) says of the company:—"The performance was well in keeping with the claims made by the advance notices. The entertainment was pleasing throughout, and not an act or word was in the slightest degree offensive. The jokes in the first part were new and funny, and the singing was excellent. The dancing and specialties in the afterpart were clever and the farce was a side-splitter. Gorton's gold cornet organ accompanied the vocalists."

THE DOMINION ILLUSTRATED.—The last issue of the Dominion Illustrated is an illustration of the force of example. The previous number was devoted to Victoria, B. C. Of course, long before its appearance, the fact that it was due was well known in the North-West. And not without result, evidently. Calgary has quickly followed suite—the present number being almost wholly given up to that thriving western centre. Eastern Canadians would hardly, perhaps, except that so much could be said about a place so young; but a glance at the pages of the Calgary number of the Dominion Illustrated will convince the most incredulous that Alberta and its fair metropolis comprise many features of rare interest in scenery, resources, population and general progress, and that even the best informed will find in this rich number the means of adding considerably to their store of knowledge. The illustrations (which are excellent) and the accompanying letter press are of historic value and are well worthy of preservation. Address: Dominion Illustrated, 73 St. James St., Montreal.

HAVANA CIGARS.—I have received from Havana today 2 cases of very choice cigars from celebrated manufacturers, which are guaranteed to give the utmost satisfaction. Louis Green, 59 King street.

KIND WORDS FROM ANNAPOLIS.

Mr. H. H. Ring has received a letter from Mr. E. R. Clarke, director of the sports at Annapolis on Tuesday last, which reads as follows:—

"I have great pleasure in handing you herewith by the kindness of Mr. McAfee, the several prizes won by your colleagues at our competition on Tuesday of this week as follows:

Wm. Vincent, 220 yards race, gold medal.

T. O'Reilly, 1 mile race, silver cup.

Wm. Vincent, 440 yards race, silver medal.

E. R. Taylor, 100 yards dash, gold ring.

R. A. Watson, high jump, scarf pin.

I have to express, both personally and on behalf of our association, a sincere satisfaction in awarding the above prizes, not only on account of their being honestly and fairly won, but also that the prizes are going to gentlemen who are a credit to the societies they represented, and not only by their able performance, but by their uniformly courteous behaviour."

These are very kind words from Mr. Clarke, who represents the A.A.A.C. and are highly appreciated by the boys who competed. Every one who went to Annapolis on Dominion day are loud in their praises of the treatment which they received in that bright little town. We will treat the Annapolis boys well when they come to St. John.

Two rather unusual visitors honored St. Andrews with their presence last week. They were a black bear and cub. On Friday a disturbance was remarked among the cattle pasturing on St. Andrews island, but no one dreamed that the stampede was occasioned by the presence of a wild beast. Yet that must have been the cause, for on Friday night a large bear and cub were seen at the point, near the lighthouse, and from their position, it was evident that they must have swam across the Channel from the island.

MR. GEO. HANSON, of Marysville, had a good day's fishing on Dominion Day. He caught ninety dozen trout. Mr. Hanson knows where to find them. So says the Gleaner. Now if Mr. Hanson fished 10 hours, without a moment's intermission, and caught the number stated, he captured one in about 40 seconds during the whole time. Mr Hanson or the Gleaner man must be the champion—fisherman of York Co.

THE SYNOD.

Yesterday Afternoon's Session—The Anniversary in Trinity—The D. C. S. Business this Morning and the Business of the Synod To-Day.

At the afternoon session of the synod yesterday, Rev. Canon Brigstocke, on behalf of the committee appointed to nominate delegates to the conference to be held at Winnipeg in August, reported, recommending that Bishop Kingdon be the clerical delegate and Sir John C. Allen lay delegate. Rev. Messrs. J. M. Davenport, Campbell and Newnham were recommended as clerical substitutes, and Messrs. Weldon, Jarvis and Vroom as lay substitutes. The report was received and adopted.

The synod was then adjourned until 11 a. m. today.

The anniversary meeting of the Diocesan church society was held immediately after this adjournment.

In the evening an anniversary service was held which was largely attended. Many of the clergy were present, and the very impressive service was conducted by Rev. J. M. Davenport. Rev. J. H. Talbot of Moncton read the first lesson and Rev. J. Roy Campbell of Dorchester the second. Rev. O. S. Newnham, of St. Stephen, preached the sermon from Nehemiah ii, 18. The music during the evening was very beautiful, 50 choristers being present, Trinity choir being assisted by St. Paul's and St. John Baptist.

DIOCESAN CHURCH SOCIETY.

The executive committee of the Diocesan Church Society met this morning at 10 o'clock.

It was resolved that 3,500 copies of the Annual report be printed under the direction of the following committee: Rev. W. O. Raymond, Mr. G. E. Fairweather and Mr. C. F. Kinnear.

The finance committee were reappointed.

Mr. G. E. Fairweather was reappointed Secretary of the Widows and Orphans' fund.

Mr. T. B. Robinson was reappointed Secretary of the Fund for the education of the children of the clergy.

The Glebe Lands committee and the committee on the Incapacated Clergy fund were reappointed.

Rev. S. Neales was admitted to the Widows and Orphans' fund.

James S. Beck, H. L. Sturdee and C. McDonald were appointed a committee to examine the Robinson Trust.

H. W. Frith, C. A. McDonald and G. E. Fairweather were appointed a committee to look into the book depository to see if they have any available cash to pay a loan.

THE SYNOD.

The Synod met at 11 o'clock. After roll call, the minutes were read and confirmed.

Mr. H. W. Frith gave notice of motion. 1. That section one of article two of the constitution of the synod be repealed, and the following section substituted:

2. (1) The lay representatives shall be male communicants of at least one year's standing, and of the age of 21 years; that in the case of parishes or cures entitled to elect one representative only, such representative shall be a resident of the parish or cure, or a stated attendant at some church or chapel of ease within the parish or cure for which elected; and in the case of parishes or cures entitled to elect two representatives only one of such representatives shall necessarily be a resident or a stated attendant at any church or chapel as aforesaid.

Mr. C. N. Vroom gave notice of motion. That a special committee consisting of his Lordship Bishop Kingdon, Rev J. A. Talbot, and Mr. G. A. Schofield, be appointed to act in conjunction with a similar committee appointed by the D. C. S, to devise a scheme for meetings of the standing committee of the synod and D. C. S., as near together as possible; said committee to report at the next session of the synod.

Rev. Roy Campbell brought forward his motion that the synod direct the clergy to ascertain the opinion of those persons entitled to vote for lay representatives in the synod, on the question of the union of the synod with the Diocesan Church society; and that they report to the next annual session of the synod. Carried.

The debate on the resolutions in regard to the liquor traffic, which was adjourned yesterday, was again taken up, and Mr. C. W. Weldon moved, seconded by Rev. Leo H. Hoyt, the following as a substitute to the resolution of Rev. Mr. Pember and the amendments to it by Mr. C. N. Vroom.

"That the synod deeply deplores the evils caused by intemperance, and excessive indulgence in intoxicating liquors, a fruitful source of poverty, suffering, disorder and crime in the Dominion and hindering the church.

Therefore resolved, That it is the duty of the church and of every member of the church to use every effort to promote the principles of temperance and sobriety and to use every legitimate method to check this great evil.

Quite a warm debate ensued in which Rev. Mr. Floyd of Ontario referred to the remarks made by Dr. Weldon in putting forward his substitute and said that because the matter of prohibition had been dabbled with by political parties he could not see why that should prevent the synod from dealing with the question. He strongly supported the original resolutions.

After several speakers had spoken on both sides Rev. Mr. Little of Sussex rose. He repudiated the idea, which, he said had been brought up that the Church of England was behind in the matter of temperance. She had taken a foremost place.

Because Wesleyans, Baptists, Mormons and other sects had taken certain action, there was no reason that the Church of England should become clogged in the wheels with these smaller bodies and be carried along with them. In making it a sin to sell liquor, you are simply reproducing one of the heresies of the church. If you go right down to the teetotaler and scratch him you will find that he is simply a manikin. Teetotalism has been put forward as a new gospel, and positively teetotallers have often been avowed christians and have attended teetotal meetings on a Sunday and passed the parish church. A great deal of infidelity in London among the working classes has been raised by these men saying literally that teetotalism was the means of salvation. To-day there is just as much drunkenness and drinking in the Dominion of Canada and in the province of New Brunswick as ever there was (cries of no, no.)

In another portion of his remarks, the speaker said, "I suppose you will allow that a liquor seller may be a decent and respectable man, that he may possibly be a Christian man. I think the synod should speak respectfully of all men." (Mr. C. H. Fairweather, "Except total abstinence people.")

When Rev. Mr. Little had concluded his remarks, Mr. Fairweather rose and said he had listened with pain to the last speaker and said that an apology was due to the senate for the language he used in attributing to the temperance people that they set the temperance cause before the gospel. This he denied. He thought that as a body of Christian gentlemen they should give credit to each other for sincerity in their opinions and in their views.

Mr. Little explained that he had made his remarks only in a general way, and as they did not apply to any member personally he thought an apology should not be called for.

His Lordship denied that it was the right of the chair to call any speaker to order if improper remarks were made, and as he did not think this was the case he would not call for an apology.

Mr. Vroom stated that in being a prohibitionist he was sure he stood in good company and when he was abused as such he stood in the company of many bishops in this country and other countries. He was willing to take the abuse for the sake of the cause. He referred to the question of slavery brought up by a former speaker and the dissensions that had existed between the churches of the north and south on that subject, but he doubted if there was a church in the whole union now in favor of it.

The motion of Dr. Weldon in substitution of the resolutions of Rev. Mr. Pember and Mr. Vroom was then put and carried.

The synod then adjourned till three o'clock.

Police Court.

Andrew Johnson, Alexander McLellan, Angus McDonald and John Donohue drunks were fined $4 each.

Samuel McCarthy and George Watson were this morning fined $20 each for fighting on the 19th of June last.

The case of Chas. M. Augustine was continued this morning. Captain Frederick McFarlane of the barque J. Walter Scammell, and Maggie Miller were the only witnesses examined. No evidence was adduced, but the Miller girl contradicted the testimony given by Ingram yesterday. Augustine was remanded until Monday.

Sonnet.

TO HUNTER DUVAR, HENNEWOOD, P. E. I.

Honor and ease, and length of days be thine,
Glad singer of our country's fairest Isle,
Whose soul, whose song, no politician's guile
Can rife of their native summer-shine:
Sky-domed upon the altitude divine
Of just desert thou sittest; and canst smile
At mask and mime upon the plain below,
At king and harlequin, a motley show,
Unstable as the mockery of wine.
Lo! thou art compassed by a sleepless host,
Those light battalions, consecrate to *good*,
Thy Fairy Folk encamped in Hernewood,
Whose bugle blasts proclaim that no rude ghost
May haunt the calm of thy art quietude.
