} **Less than present cost price**

Ladies' Cambric Night Dresses, Chemises, Drawers, Corset Covers and Underskirts. **I bought these before the great advance in Cottons, and I am giving my customers the benefit of old prices.**

DON'T BUY MERCER CROCHET COTTON and destroy your eyesight crocheting before you find out the present cost of White Cottons, Lawns, etc. **IT IS PROHIBITIVE!** I can supply Ready-to-Wear Garments, no doubt not what you are used to, but for war-time alright!

I hold the agency for Bridgetown for **The Justly Celebrated Parisian Corset Company's Corsets, Corset Waists, etc.**, and I am selling a real good Corset with Suspenders at **85c. per pair. MY BEST CORSET for $1.50, worth to-day $2.00 per pair.**

Under date 30th ulto., the above named firm wrote me as follows:

"If the price of materials keeps increasing we will be unable to quote less than $10.00 per dozen for our lowest Corsets," i. e. for a corset without any suspenders, and so poor that I have never stocked them.

I have another case of my **BEST CORSETS**, 19 to 30 inch, en route. I have tried to place an order for more at a price which would enable me to sell them at present prices, and have failed to do so. Good policy to buy an extra pair now for yourself and one each for the young ladies. DON'T YOU THINK SO?

CLARK'S BEST SPOOL, 300 yds., for the balance of this month at **9 cents.** Don't get "stung" with 250 yards put up on spindles which are precisely like the 300 yard ones——Why? People in Bridgetown bought them for years before I came here, thinking that they were getting 300 yards of thread. Too bad!

SNAPS — "Colonial Maid" Snaps, the kind you have been paying ten cents for elsewhere. **My Sale Price**, all sizes, black or white, **5 cents dozen.**

Buy your Christmas Handkerchiefs, Pearl Buttons, Ribbons, Embroideries and Laces NOW before my stock is exhausted, and save money. I am selling all of them at precisely LAST SEASON'S PRICES.

Do you subscribe for THE WEEKLY MONITOR? You may easily **lose a dollar by not doing so.** The price of paper and printer's ink has more than doubled during the last three years. The paper under present management is worth a lot more. The present price for a year's subscription, $1.50, against the old price, $1.00, **is really a reduction.** It used to take the price of six to eight dozen of eggs, not so very long ago, to cover a year's subscription. Now in autumn, and lots of grasshoppers, the price of three dozen will do the trick. Why not secure a neighbor's sub? I want every family hereabouts to subscribe and get the benefit of my advertising.

My Store is open until October the 1st, Mondays and Tuesdays, 9 a.m. until 6 p.m. Saturdays 9 a. m. until 11 p.m., OLD TIME.

My Store will be open on Tuesday nights, but will NOT be open at any time on Wednesdays, Thursdays or Fridays.
