"A VERITABLE LIFE PRESERVER I would not be without it for any money"—Rev. Miles Grant. We have published hundreds of letters to like effect; sold thousands; do not know of one dissatisfied purchaser. No other system has effected such positive cures of Consumption, Dyspepsia, Constipation, Catarrh, Kidney Diseases, Headache, Nervous Prostration and general and nervous debility, and certainly it has no equal in preventing or cutting short an attack of Typhoid or other fevers; breaking up La Grippe, or ridding the system of its baneful effects; mitigating the severity of all acute and exhausting diseases, and vicious practices—such as sexual abuse. Simple and easy of application without previous training or skill, and does not interfere with either work or diet. We refer to the Wilford Hall "New Process"—as unfolded in our "Microcosmic Health Pamphlet." Dr. Hall still charges $4 for it, and certainly cheap to any family at $50, but we want to put the system within the reach of all, and will therefore continue our half-price offer through February, and will mail the enlarged edition of the Health Pamphlet to any address on receipt of $2, and will refund the money if not satisfactory after one month's trial, purchaser agreeing never again to use the treatment. Remember, the expense of any other system—especially drug treatment—has to be repeated, generally until the purse gives out or the patient dies, whereas the trifle of $2 paid for the "New Process" has never to be repeated, and completely does away with the need or use of any other medicine whatever. Eight-page paper, history, testimonials, etc., free. Save $2 by remitting to-day and register your letter at our risk. Address, THE SIMPSON PUBLISHING COMPANY, TORONTO. 68-bu-eod

FACTS FOR VOTERS.

LET US STOP THE EXODUS BY VOTING FOR UNRESTRICTED RECIPROCITY.

To my mind the most deplorable thing at present is the exodus of Canadians. Last week three boys went from our shop, and they are going continually as fast as we make men of them. We are keeping our raw material in the ground, but we are driving our young men out of the country. —[C. H. Waterous, jun., manufacturer, Brantford.

THE LONDON "TIMES" DOES NOT SEEM TO THINK IT A BIT DISLOYAL.

It is at this very moment a matter of discussion in Canada whether a treaty of reciprocity should not be concluded with the United States, and the result of the deliberation may very possibly be an admission of the manufactures of New England into the Dominion under lighter duties than the manufactures of Great Britain. If the Canadian Ministry come to the conclusion that such an arrangement is for the benefit of the country will the Colonial Office advise the Crown to disallow the negotiations? Assuredly not.—[London Times.

THE SELF SUPPORTING INDUSTRIES HAVE NO FEAR OF RECIPROCITY.

We are not afraid of the competition of United States manufacturers, and we believe their larger markets would be to us.—[C. H. Waterous, sen., Waterous Engine Works, Brantford.

NO CHANCE FOR ANYTHING BUT UNRESTRICTED RECIPROCITY, AND THAT IS JUST WHAT WE WANT.

There are no negotiations whatever on foot for a reciprocity treaty with Canada, and you may be assured that no scheme for reciprocity with the Dominion confined to natural products will be entertained by this Government.—[James G. Blaine.

TERRIBLE DISLOYALTY IN THE BRITISH METROPOLIS.

The London Chronicle, a Conservative newspaper with an enormous circulation, thus discussed the needs of Canada at the present time:

"The anticipations of progress held out at confederation have not been realized. What Canada needs now more than anything else is industrial and commercial freedom. Her perennial difficulties with the United States and Newfoundland arise from her absurd protective system. Mr. Laurier struck the true note when he declared Canadians should approach the Americans on economic, not on political lines. Continental free trade, but no political annexation should be the watchword of every Canadian who wishes to live on friendly terms with the neighboring States, and takes an enlightened interest in the economic future of his country."

If the Chronicle were published in a Canadian city, it would be denounced from one end of the country to the other as a disloyal annexationist sheet!

THE RASCALITIES AT OTTAWA.

What leading preachers have said on the subject of the wholesale robbery of the public, perpetrated by the present Government at Ottawa, is of considerable moment just now, when apologists for the wrongdoers, believing the people have short memories, are constantly asserting that the stealings were insignificant, and that it is enough to pretend that the minor rascals will be punished, while the men responsible for their rascalities, and sharing, as has been shown by undoubted proof, in the plunder, shall go scot free. The ADVERTISER presents the following unprejudiced opinions. The list could be largely added to. By the way, but for Mr. Hyman and his associates in Parliament, who wrung the facts from unwilling witnesses, in face of the perpetual obstruction of members of the Government, these rascalities would have been glossed over and hidden away, as have been worse offenses that will be exposed at next session of Parliament. The child-like and bland assertion of innocence by members of the Administration will not save it when confronted with the damning evidence that is promised in the section B charges and in the corruption-fund investigation that must take place.

From the Presbytery of Montreal:

The following resolution was recently brought before the Presbytery of Montreal by Rev. Principal McVicar, seconded by Professor Scrimger, and carried unanimously:

Resolved, that in view of the great public events prevalent in our country, the Presbytery see grave cause for humiliation before God, and desires to express its abhorrence of the widespread political corruptions, which have been revealed by recent investigations, and its dissatisfaction with the failure of Parliament to deal adequately in the punishment of the guilty; and, therefore, call upon the people to express their condemnation at the earliest opportunity at the polls.

From Rev. Professor Badgley, Victoria College:

No man can plead either loyalty or patriotism who stands morally convicted of bribing constituencies, of using his position as a Minister of the Crown to extort money either for personal uses or perpetuation in office, or who grinds the face of the poor to pay the debts of himself or his party; and when these things have been more than proved, the saddest fact of all is that a majority of the peoples' representatives in Parliament will vote approval, and thus invite and encourage a repetition of such scandalous immorality. In the recitation day by day of these disgraceful and humiliating facts the impression has grown upon me that the parties accused stand morally convicted of the charges made. The evidence has been extorted from most unwilling witnesses, difficulties have been thrown in the way by a Goverment fighting for its life, every possible effort has been made to prevent access to truth and fact, and under all the circumstances the wonder is that so much damning testimony has been elicited.

What a revelation we have!

Two Ministers of the Crown unquestionably guilty of malfeasance of office; a Premier who was a leading actor in the Pacific scandal; private members of Parliament holding their seats in the face of revelations that ought to consign them for ever to political oblivion, and a majority voting approval of what we fear is but a partial revelation of yet undiscovered rascality.

From Rev. Dr. McCormick, Kingston:

As a people we are deceived and disgraced by our Ottawa rulers.

From Rev. D. D. McLeod, Barrie:

The plague of political corruption is largely the outcome of the system of "protection." But the political corruption has gone deeper than the disgraceful transactions at Ottawa indicate. It has shown itself in legislating to deprive citizens of their franchise, in defrauding members of Parliament of the seat to which they have been elected, in legislating to prevent a free exercise of the peoples' will at the poll. These are crimes against the Crown and the Constitution which in other days have led to revolutions. The situation to every patriot is discouraging. Our country has been brought as low as injustice and misrule can bring it.

Rev. George Bruce, St. John, Nova Scotia:

The determination to grasp and cling to political power, at all hazards, is the passion which has primarily led to the condition of affairs which is the shame and reproach of Canada to-day. Break the unholy league between monopoly and the Government of the country.

From Rev. John Burton, Toronto:

Blinded moral sense could scarcely manifest greater obtuseness than when after acquitting, by a straight party vote, one charged with public stealing, some of the acquitters joined to sing "For He's a Jolly Good Fellow," and then hissed a friend who had the courage of honest conviction.

From Rev. David Wardrope, Teeswater.

We must send men to Parliament, not with a whitewash brush, but with a good stiff broom, to sweep out the Augean stable at Ottawa—men who would as soon try to excuse Satan as Langevin, Chapleau, Cochrane, & Co.—men not able to look on Abbott, Thompson, Foster & Co., and all their crooked ways, but with the most profound disgust; men with some pride of country, whose watchword shall be "Down with the boodlers!"—down with them, not as Tories, but as thieves and robbers, whether Grit or Tory.

From Rev. A. F. Tully, Mitchell:

The cure for the present political scoundrelism is wholly in the hands of the electorate. Let every man in Parliament who has either given or received a bribe, or has supported knowingly those who have done so, be snowed under at the polls.

From Rev. Dr. Aylesworth, Highgate:

The only cure for the political corruption in Canada is with the secular press which are not bribed, whom Providence is aiding by causing political sins to be found out and presented to the gaze of the whole civilized world, and by the removal of the Old Man at an opportune time.

From Rev. R. Thompson, Delaware:

We need a change of Government, and the placing of competent, trustworthy and honorable men in positions of trust.

From Rev. Dr. Campbell, Listowel:

Every honest Canadian must feel ashamed and humiliated at the results of the investigations held at Ottawa. All rascals, high and low, should be whipped with the same whip.

From Rev. G. S. Glendenning, Ottawa:

That such revelations are possible is a matter for deep sorrow among all who regard the national honor.

From Rev. Dr. Dewart, editor of the Christian Guardian:

As the political corruption complained of has arisen, not so much from the delinquency of individual officials as from the adoption of a wrong policy, the only cure is to remove the men who have indorsed or winked at this corrupt policy, and to put men into office who will carry out a purer and higher policy.

From Rev. Dr. Carman, superintendent of the Canada Methodist Church:

Who, after this Ottawa business, dares doubt or deny the existence of a bottomless pit?

From the late Dr. Stafford, Hamilton:

The cure of corruption at Ottawa lies with the electorate: that is, with voters capable of voting independently of party for the cure of an abuse, and who recognize the absurdity of pretenses of purification by men when they are found out. The welfare of Canada does not depend upon our being ruled by the same dozen individuals in perpetuity, much less upon our paying hundreds of thousands to bribe the people to keep them in the Government.

From Rev. Dr. Cochrane, Brantford:

The present cure for political corruption in Canada is clearly to punish every M. P. and Government official who has been found guilty of fraud in any sense, and retire incompetent heads of departments, who, if not personally sharing in the plunder, have abetted the crimes.

From Rev. Geo. Douglas, LLD., president Wesleyan Theological College, Montreal:

In brief, the only cure is the merciless repudiation of all public men of damaged character and the education of constituencies to elect only men of exalted honor and fidelity to right and justice before party.

Rev. Hugh Johnston, D.D., Toronto:

The corruption has made Canada a stink in the nostrils of the nations. We are the most extravagantly and the most corruptly governed country under the skies.

From Rev. Geo. M. Milligan, Toronto:

We need one at the head of affairs of Cromwellian determination regarding wiping out this stain upon our national honor and hurt to our national credit.

From Rev. Dr. Grant, principal of Queen's College, Kingston:

Can we have in Canada a clean Government? Our house must be cleaned or we are not fit to keep house or to propose alliances with anyone else. I wrote years ago that we must choke bribery or be choked by it, and indicated the chief forms in which both parties were less or more consenting to it, but matters have become so much worse that at last public attention is aroused. Unless the people are hopelessly drunken with party spirit or with local or individual selfishness, they will surely see that we have got down to hard pan and that it is time for them to awake.
