Best prescription for your condition is Dr. Hamilton's Pills of Mandrake and Butternut. For dyspepsia and indigestion it is doubtful if a better remedy will ever be devised. These pills bring new strength and vitality to the stomach and digestive organs; they build up the general health and instill such vim and resisting power into the system that sickness is impossible; try Dr. Hamilton's Pills.

TOO LARGE.

Your boy has a fine head.
It's too large.
Too large?
Yes; he can't wear any hat.
