## I CURE FITS!

When I say cure I do not mean merely to stop them for a time and then have them return again, I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a lifelong study. I warrant my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible remedy. Give Express and Post Office. It costs you nothing for a trial, and I will cure you.

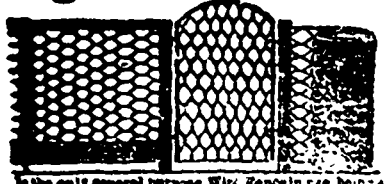
## Sedgwick Steel Wire Fence



is the only general purpose Wire Fence in use, being a Strong Net-Work Without Barbs. It will turn horses, sheep, and poultry, as well as the most vicious stock, without injury to either fence or stock. It is not the fence for farms, gardens, stock ranges and railroads, and vermin for lawns, parks, school lots and cemeteries. Covered with rust-proof paint (or galvanized) it will last a lifetime. It is superior to Boards or Barbed Wire in every respect. We ask for it a fair trial, knowing it will wear itself into favor. The Sedgwick Gates, made of wrought iron pipe and steel wire, defy all competition in neatness, strength and durability. We also make the best and cheapest automatic or self-opening gate. Also manufacture All Iron Lawn Fence, Street Fence and Field Angers. Also manufacture the celebrated Wheat Banders for binding wheat, or general engines for grinding and other light work. For prices and particulars address the makers, mentioning this paper, SEDGWICK BROS., Richmond, Ind.
