RACING IN NEW YORK STATE

Horsemen Are Endeavoring to Secure New and Favorable Legislation.

ALBANY, N.Y., May 31.—If there is any great interest entertained in the two amendments to the penal law proposed in the bills introduced by Senator Gittins, and which, their opponents declare, would let down the bars erected by Gov. Hughes against gambling at race tracks, it was not evinced by the attendance at the codes committee hearing.

Where hundreds of persons formerly provided overflow meetings, there were not more than thirty present, and if among them there were representatives of the "Millionaire Jockey Club Directors," they managed to keep themselves discreetly in the background, except, perhaps, R. T. Wilson, president of the Saratoga Racing Association.

Those supporting the bills insisted they are as harmless as they appear on the surface. "There is no secret meaning in them," said Mr. Wilson. "They don't upset the Hart-Agnew law or the Percy-Gray law. What they design to accomplish is to give meaning to certain indefinite features of the law as it stands."

On the other hand, Canon W. M. Chase of Brooklyn, the Rev. Dr. George W. Peck of Buffalo, the Rev. C. R. Miller of New York and others in opposition expressed their fears rather than their convictions that the bills were simply a trick on the part of race track owners to provide loopholes so that the drastic Hughes laws might be set at naught.

One of the bills seeks to define what "bookmaking without writing" is. The proposed amendment reads. "Bookmaking without writing referred to in this article, shall mean the saying or publishing of odds to all comers or to the public."

The other bill amends the Directors' Liability Act so as to eliminate from the section making an owner or agent responsible for gambling on his premises, the words "or any other inclosure or place," and adds the words "to be," so that it reads "to be used for gambling," etc.

The first of these amendments is taken by those in opposition to give the race track owners a chance to reopen the betting rings, and the second to give them a loophole to prove the "inclosures" were not knowingly to be used for betting.

SUNSTAR BY 2 LENGTHS WIN THE ENGLISH DERBY

Lord Derby's Steadfast is Second and Captain Forester's Royal Tender Third.

LONDON, May 31.—Sunstar won the English Derby to-day at Epsom Downs. The world's blue ribbon turf fixture, of $32,500, for three-year-olds, distance about 1½ miles, went to J. B. Joel's Sunstar, the favorite. Lord Derby's Steadfast was second, and Royal Tender third. Twenty-six horses started.

Sunstar, the winner, is a brown colt by Sundridge, out of Dorris. He won the 2000 Guineas Stakes at Newmarket on April 26 last, and has been a steady favorite at 7 to 4 in the betting.

Phryxus finished fourth. All Gold and Adam Bede, the only two American horses to start, were unplaced.

Two lengths separated the Joel colt from Lord Derby's Steadfast at the winning post.

The Race.

The twenty-six starters were off in a bunch. Bannockburn soon jumped to the front, with the Canadian horse, Kel D'Or, and Eton Boy close up.

Rounding the Tattenham corner, Stern, the French jockey, brought the favorite, Sunstar, thru on the rail, and, drawing away, won in the easiest fashion by two lengths. Four lengths separated the second and third horses.

Sunstar carried the public's money, so the victory was much cheered.

The final betting was: Sunstar, 13 to 8; Steadfast, 100 to 8; Royal Tender, 25 to 1.

The Joel colt, Sunstar, ruled as a strong favorite thruout the early betting, at about 7 to 4, with King William at 15 to 2, and Pietri, Colline, Steadfast and others at varying odds, the Canadian entry, Kel D'Or, bringing up the rear at very large odds.

The arrival of the royal party was the signal for a great ovation, which swept over the paddock and course. The club and public stands at this time were filled with a dense mass of people, including many members of the house of lords and the commons, who had not attended the Epsom races for years.

The betting ring was packed with people eager to lay down money at the final odds. Everybody agreed that the crowd was a record one, and the betting on the Derby and other races of the day was on an unprecedented scale.

King George.

The presence of King George and Queen Mary lended to make the coronation Derby a record one. The famous Downs were crowded from early morning with tens of thousands of racegoers. Many Canadians were present. Most of them came to the race course in coaches and automobiles, being interested in the road-side scenes.

King George and Queen Mary, accompanied by other members of the royal family, arrived on an early train from London. With them were a number of the royal visitors from other courts and many of the lords and ladies of the court's household. The royal party came early in the day in order to see the first race, preceding the main event.

A vast assemblage came from London and from all parts of the Kingdom, the stream of traffic by rail and by the highways bringing the coaching parties was as great as the most notable Derby days ever seen. It was a cosmopolitan throng of merrymakers, reflecting all stations of life and all types and ages of individuals and vehicles.

Chicago Golfer Goes Down to Defeat Before Australian

PRESTWICK, Scotland, May 31.—Chas. Evans, jr., of the Edgewater Golf Club, Chicago, who was looked upon as one of the most likely candidates for the British amateur golf championships, went down to defeat to-day in the fifth round before Bruce Pearce of Australia. Pearce won out on the nineteenth hole.

Evans won a bye in the first round and had a walkover in the second. In the third, which was played yesterday, he defeated Captain F. A. Stephens of the West Dorset Golf Club five up and three to play, and at that time did not put up his best game. He got into full swing this morning, however, when he defeated Sidney Fry of the Royal North Devon Club, one of the strongest players in the United Kingdom, and a former runner-up for the championship, by four up and three to play.

This victory carried Evans into the group of sixteen, who were to contest the fifth round. He played at the top of his form, displaying perfect golf, and was three up at the seventh hole. The Chicago player at that time looked an easy winner.

Pearce, who is a left-handed player, showed rare nerve. He won the ninth, but was again three down on the thirteenth. Evans missed a short putt on the fourteenth green, and from that on broke down badly in his long game, losing the sixteenth and eighteenth. The round ended all square.

Great interest had been shown by a large gallery in this match, and considerable nervousness was evident when the players came up for the extra hole. Pearce laid his approach to the nineteenth ten feet from the pin. Evans had bad luck, the ball trickling over the green into a bunker below. He took two shots to recover. The Australian, laying his putt dead, won the hole and the match. The American was the first to congratulate the victor, and both received a tremendous ovation.

AMATEUR BASEBALL.

In the Civil Service League Postoffice presented a patched-up team against Parliament Buildings yesterday afternoon in Kehoham Park, but won by 10 to 6. The Buildings went along nicely until the Posties solved Wright's delivery, timely hitting by Norman Ross, Hawkins and Hayes doing the trick. Ross put the ball over deep right field fence for the first home run of this league. He smokes a good box of cigars for that effort. Trivett for the Buildings played a perfect left field, getting a hard chance off his shoe strings. Score: Postoffice 10, 7, 1; Buildings, 6, 7, 5. Batteries—Parr, Crow and Sellers; Wright and Gage. Bill Pearson made an efficient umpire.

Dan Linden and J. W. Geddes have been appointed judges of the walking match at the Eaton meet.
