TORONTO WON THIRD GAME.

It Took Syracuse Twelve Innings to Beat Springfield.

Wilkes-Barre Beat Providence Twice—Buffalo Downed the Capitalists—Toronto Opens Their Series With Providence at the Island To-Day—No Change in the Standing.

All the scheduled games were played in the Eastern League yesterday, but the results did not alter the standing, as generally happens in the Eastern. Toronto and Buffalo are still tie for fourth place. The Torontos won their third successive game from Montreal, and the Stars played a twelve-inning game with Springfield, winning by 2 runs. Wilkes-Barre scored a double victory over Providence and Buffalo beat Ottawa. Providence will play to-day at the Island. The record:

	Won.	Lost.	Pct.
Montreal	37	32	.536
Wilkes-Barre	35	31	.530
Syracuse	38	35	.520
Toronto	37	36	.507
Buffalo	40	39	.507

Ottawa	35	39	.472
Providence	30	38	.441

Games to-day: Providence at Toronto, Springfield at Montreal, Wilkes-Barre at Syracuse, Ottawa at Buffalo.

Dooley Was Out-Classed.

The game yesterday at the Island was scarcely a contest, still it was remarkable in many respects. Grey was Toronto's first man out, and he put the ball over the fence. Then Hannivan sent a slow pop that Schiebeck threw to the track for the only error of the day. Beaumont's bounding single scored a run, then the peasoups shut up like a jack-knife, and emphasized the statement made here on the occasion of Dooley's first visit of the year to Toronto, viz.: That they are a team of quitters. True, they made few errors, but played ball well enough as they thought for 20 per cent. off.

The Irwinites' work was in marked contrast. Fired by the ginger on third base, they put up the snappiest kind of ball, without a mistake. Baker pitched his usual good game, and this time the seven ingles were very much scattered.

Not only was the fielding perfect, but Toronto's play was marked by the absence of even a battery error. More than that Baker's absolute control was not equal than Snyder's throwing to bases, not a Royal stealing a bag.

Just 33 of the visitors faced the pitcher, and they were all at bat. Of course 27 of them went out. One man scored and five were left on bases. Two singles scored their only run. It was in the third innings after Casey had gobbled up two fine hits with the utmost sangfroid. O'Brien hit safely over third base and was waiting on first, when Bannon banged the ball to the top of the right field netting. O'Brien was on the circuit, while Bannon, who was watching to see it go over got no further than first.

Souders had good control and pitched a pretty good game. After the first innings he held the Islanders down to six scattered hits and single runs in fourth, fifth and sixth.

Snyder's double and Taylor's single scored one run. Errors by Grey and Casey, with a passed ball another and a base on balls and Taylor's two-base hits the last. The score:

NO I. C. A. RACES FOR TORONTO.

Toronto District Council of C. W. A. Refuses to Become Liable for Vienna Expenses.

A meeting of the Toronto District of the C.W.A. was held last night at the Athenaeum Club with Chief Consul H. B. Hounson in the chair, for the purpose of discussing the action of the City Counmil in regard to the carrying of their resolution of June 3, which was unanimously passed, granting the C.W.A. $1000 for the purpose of securing the I.C.A. meet for '99. The grant was originally made unconditionally, but since the City Council have seen fit to impose conditions and the Toronto District Council's offer to tre C.W.A. has been withdrawn, as it cannot become liable for the expenses incurred by Toronto being granted the meet at Vienna. It was resolved that a hearty vote of thanks be tendered to the aldermen who supported the resolution, and that the failure of Toronto to secure the meet was due to certain aldermen who, although present, did not oppose the resolution on June 3, but since it was passed saw fit to change its terms.

A committee consisting of J. J. Ward, G. S. Pearcyff and Chief Consul Howson were appointed to arrange for a Wheelmen's Day at the Exhibition under the auspices of the C.W.A.

EXHIBITION DOG SHOW.

Over $2000 Offered in Prizes — The List of Judges—Many Special Prizes.

For the tenth consecutive year the prize list of the International Dog Show makes its appearance. Over $2000 is the sum offered for distribution in this department, perhaps the most popular of all attractions at Canada's great Industrial Exhibition. A glance through the prize list reveals each breed known in dogdom to be liberally catered for, while a Canadian class, which is for dogs which have never won a first prize at any show under Canadian or American Kennel Club rules, has been added in the following breeds: St. Bernards, greyhounds, foxhounds, English, Irish, Gordon setters, collies, bull terriers, Irish terriers, Irih, water, sumber and field spaniels, cocker spaniels, beagles, dachshunds and fox terriers. A class popular with sportsmen, of the shooting tribe, will be the field trial classes for pointers and setters.

The committee must be again congratulated upon its excellent list of judges: Mr. J. S. Williams, Toronto, St. Bernards; Mr. H. L. Jeffry, Stratford, Ont., collies; Mr. John Davidson, Monroe Mich., Russian wolfhounds, greyhounds, deerhounds, foxhounds, pointers, Irish setters, and beagles; Mr. James Mortimer, Hempstead, Long Island, N.Y., mastiffs, bloodhounds, Newfoundlands, great Danes, English setters, all spaniels, poodles, bulldogs, all terriers, whippets, dachshunds, pugs, toy spaniels and the miscellaneous classes.

In addition to the many special prizes offered, the Canadian Kennel Club have most generously donated prizes in the St. Bernard, setter, spaniel, collie and foxterrier classes.

This year the show will be held under Canadian Kennel Club rules, and it is to be hoped that Canadians will come and all will unite in making their annual show second only to New York in importance on the American continent. Premium lists will be ready at the commencement of the week at 82 King-street east, Toronto.

TRADE MARK

When the hot weather affects the rubber of a tire, the tire is practically "broken down" no amount of free repairing can keep it from leaking. No matter how much trouble it gives you, you will have to discard it sooner or later. Discard it now.

Goodrich-Resflex Single Tubes never break down, only need pumping once a month, fit the rim of any discarded tire.

Montreal Students Made 78 in Their Second Innings, Leaving Visitors 115 to Make to Win, But the Task Proved Beyond Their Batting Ability.

Montreal, July 21.—(Special:)—On resumption of play this morning the last two wickets of McGill's second innings duly added a few runs and the side were all out for 78, leaving the visitors 115 to make in their second to win. This it was thought they would have no trouble in doing, but it proved otherwise, for they only got 87, leaving McGill victors by 27 runs. Little can be said of the display of the visitors in their second. Saunders again showed sound defence until given out l.b.w. to one from Phipot for 16. Burrows played carefully for 13. Hills played a hard-hitting game, until unfortunately run out, when he had 14 to his credit. McMurtry was also in a hitting mood, and showed good cricket for his 20 not out. MOFFAT WHIPPED HAMMOND.

Referee Siler Made Decision in 10th Round of Bloody Contest.

Toledo, July 21.—The fight between Jack Moffat of Chicago and Jack Hammond of Detroit at Walbridge Park last night was awarded to Moffatt at the ned of the tenth round by Referee George Siler, who explained his decision by saying that despite his warnings Hammond had gone down four times in one round without being knocked down. In nearly every round Hammond would be knocked to his knees or go down and stay until nine was counted. Moffatt was clearly the better man of the two, and this decision gave the spectators universal satisfaction. The six-round preliminary between Johnny Levack and Kid Broad of Cleveland was declared a draw. The main fight was one of the bloodiest and hardest fought ever seen in Northwestern Ohio. During the bout a tier of seats fell and several persons were inured.
