THE C. W. WILLIAMS MANUFACTURING COM'Y

Established in Boston 1866; Established in Montreal 1868; Incorporated 1872.

CAPITAL, $500,000.

MANUFACTURERS OF THE

Celebrated Singer Sewing Machine.

Perfection Means Success.

THE perfection and great simplicity of the C. W. Williams Singer Sewing Machines, have placed them ahead of all other makers, and notwithstanding that, all other sewing machine companies and their trade constantly reduced being now but one-half of what it was in former years, and give as a reason hard times. The C. W. Williams Manufacturing Company find their trade rapidly increasing. Their sales in the month of May, 1877, were one-third more than they ever made in one month since the Company had its existence. What does it mean? Simply this, that the Williams Singer is the best Sewing Machine made. The ladies find it out, tell their friends and neighbors, and so sales are increased.
