PART IV.
"WATER CLAUSES CONSOLIDATION ACT 1907."

WHEREAS the Pacific Pulp and Power Company, Limited, has applied to His Honour the Lieutenant-Governor in Council for a certificate under section 87 of the said Act to enable the Company to proceed with its undertaking:

And whereas the Company has filed with the Clerk of the Executive Council the documents required by section 85 of the said Act and the plans showing the situation of the proposed undertaking and works of the Company:

This is to certify that the said Pacific Pulp and Power Company, Limited, was duly incorporated under the "Companies Act, 1897," as a Limited Company, on the 9th day of August, A. D. 1906, and having complied with the provisions of the "Power Companies Relief Act, 1902," is in the same position as if it had been specially incorporated as required by Part IV. of the "Water Clauses Consolidation Act, 1897," and that the works and undertaking of the company as submitted have been approved, and the same are as follows:—

1. The exercise of the corporate powers of a power company and the supplying of water and water power for electric, hydraulic, milling, mining, manufacturing and other purposes, and electricity for power, electric light, and heat to pulp and other mills, mines manufactories and other industries, and cities and other places within a radius of seventy-five miles from the head of Union Bay, in the Coast District.

2. For the above purposes to divert, in accordance with its water record No. 15, 1,000 inches of water and convey by flume, pipe, ditch, tunnel and open cut from Union Creek and its tributaries, including Union and Deep Lakes and their tributaries and sources of supply, to a power-house to be constructed by the Company on Lot 199, Range 5, Coast District.

3. The construction of dams at the outlets of Union and Deep Lakes, and of a tunnel tapping Deep Lake at a sufficient depth for a reservoir in the dry season.

4. The acquisition and holding of lands and water by record or purchase.

5. Generally, the construction and operation of such works as are authorized by the Company's memorandum of association.

And this is further to certify that the Company proposes to begin its undertaking by the construction of the dams, pipe-lines and power-house above referred to:
