## LOCAL AND OTHER MATTERS.

THURSDAY, the 8th November, has been appointed Thanksgiving Day throughout the Dominion.

IT appears as if we are to have an unusually fine fall. It certainly looks like it at present, and the prophets say so, too.

MR. JOSEPH POPE, Private Secretary to Sir John A. Macdonald, is at present on a visit to his friends in this Province.

WE are indebted to our old friend, Mr. M. P. Hogan, for copies of the Sandusky papers bearng upon the late elections in Ohio.

THE small arm men and marines from H. M. S. *Griffon* will go through drill practice at Victoria Park to-morrow, commencing at ten o'clock a. m.

THE Grand Jury in the O'Connor case at Halifax have returned "no true bill" against Dr. Lawson. This is far more than the Dr. expected when he left the city.

MESSRS. F. LOUGHRAN AND B. TRAINOR, of the Charlottetown Savings Bank and Post Office, respectively, left on Saturday morning last to spend their vacation in the United States.

MR. R. F. MCDONALD, Postmaster of Souris East, has resigned, and will be succeeded by Mr. Marshal Paquet. Mr. McDonald is going to British Columbia for the good of his health.

A RIFLE MATCH between seven men belonging to H. M. S. *Griffon* and seven Charlottetown volunteers, came off on Thursday at the Kensington Rifle Range. The Charlottetown boys were victorious.

WE are glad to be able to state that on next Saturday, probably, a suitable memorial covering, or cenotaph, will be placed over the grave of the late Father McGillivray. It is being prepared by Mark Wright & Co.

AN alarm was raised on Saturday evening, caused by some tincture of benzine Mr. Reddin, of the firm of Fraser & Reddin, was compounding taking fire. The bottle which contained the liquid broke, and the alcohol caught. A few little accidents occurred, but no damage was done.

MR. ROBERT WATSON, of Georgetown, Section Foreman on the Island Railroad, died suddenly on Monday evening. He and his men were discharging logs from a car, and it is supposed Mr. Watson over-exerted himself. He fainted, and expired before medical assistance could be procured.

THE steamer *Carroll* arrived at 4 o'clock this evening, with freight and the following passengers: Mr. John McEachren, Dr. J. W. Johnson, Mr. John Kelly, Mr. McPhee, Mr. Angus Nicholson, C. W. Lewis; Miss McDonald, Jennie P. Dogherty, Margaret Colby, Sarah Henderson; Mrs. McPhee, Mrs. C. W. Lewis.

OUR now story, entitled "The Wrong Man," will commence in the HERALD of November the seventh. It is written by the Hon. Mrs. Montgomery, one of the purest and most entertaining of English novel writers. We venture to hope that the ever-increasing number of the HERALD readers will be pleased with the intellectual treat in store for them.

A MAN of the name of Wilson, a native of Cape Breton, met with a fatal accident on Wednesday. While returning from Southport to Fort Augustus, he fell out of the cart he was driving, and the wheel passed over his body and killed him, though not instantly, for he survived till the day following. His spine was broken, and nothing could be done for him.

THE name of Mr. Peter Murphy, of Portage, was inadvertantly omitted from the prize list of the Dominion Exhibition, as reported in the HERALD, although that gentleman was entitled to honorable mention as having drawn second prize for red wheat. Mr. Murphy has been generally successful in drawing prizes at the various exhibitions for that class of cereals.

ON account of the dynamite scare at Halifax, the Admiral of the station has thought it necessary to adopt precautions for the protection of the men-of-war at that port, and in view of this action Commander Davies has taken similar steps in regard to the *Grifon*. Boats or suspicious objects approaching the *Griffon* after dark are guarded against, and all other necessary precautions taken.

MR. W. T. DOUGAN, of this city, for several years in charge of the Bookbinding department of the Summerside *Journal*, left for Boston last week. Mr. Dougan has no superior in the craft, as is admitted on all sides, and the exhibit of his work at the Dominion Exhibition received the highest praise. We have no doubt his future record will place him among those Islanders abroad who, by their talents, reflect credit on the place of their birth.

WE have, unfortunately, not always reason to be proud of our Islanders abroad. Johnny Hatch, who obtained here a local celebrity as a fire bug, or salamander, has made an energetic attempt to burn down the dormitory of the Foundlings Home in Boston, where he is confined. It was fortunately prevented in time, or the consequences would have been awful. He will now no doubt be returned to Charlottetown, and the question is, what shall we do with him? Johnny should be sent to sea, and put under hatches.

THE following is the list of articles disposed of by lottery in connection with the Hospital Bazaar: Handsome Drawing Room Clock, presented by His Grace the Archbishop of Halifax, won by Mr. Jas. W. Mullally; Fancy Worked Chair, presented by Mrs. L. H. Davies, won by Miss Hensley; picture of the late Father McGillivray, presented by Mr. G. H. Cook, won by Mrs. Daniel Brennan; handsome Sofa Cushion, presented by Mrs. Joseph Pope, won by Judge Hensley; Fancy Worked Chair, presented by Mrs. J. D. Mason, won by Mr. P. Lavie.

MALCOLM WILLIS, twelve years of age, one of the *Examiner's* news boys, met with a painfully sudden death on Friday afternoon. It seems the little fellow was driving a water cart into town from Spring Park, and the horse jumping or shying suddenly threw him to the ground, when the wheel passed over his body, inflicting fatal injuries, from which he died soon after in the Dominion House, where he was taken and kindly cared for pending the arrival of Dr. Jenkins. He was dead before the Doctor arrived, and his remains taken in charge by his parents and removed to their residence on Weymouth Street.

### SPECIAL NOTICES.

Great rush for Tea at P. Monaghan's Grocery and Tea House, an evidence of its strength and flavor. oct3

☞ The reason there is such a rush for Groceries to George Carter's store on Great George Street, is that he gives good value for the money. "Only this and nothing more." He sells good Sugar for 8c. per lb., good Tea for 32c. and Raisins for 10c. He sells all his goods low and guarantees the quality. Customers consult their own interests when they deal with him.

IMPORTANT TO ALL CONCERNED.—I will pay as high in cash for Eggs as any dealer in the city, and will allow one cent per dozen extra when exchanged for goods. Parties having Eggs for sale will do well to remember this.—George Carter, Great George Street. se 12 tf

"THE SATURDAY EVENING POST"

*$2.00 a Year for Single Copy;*

—OR—

**$1 a Year in Clubs of 10.**

**Now is the Time to Raise Clubs for the Coming Year.**

We are determined to get a very large list of new subscribers, and in order to do so we will receive subscriptions at ONE DOLLAR A YEAR, IN CLUBS OF TEN!

And, as an inducement to each of our subscribers to send a club, we will give a gratis copy for every club of 10 at $1.00 each. Remember, we will not send a single copy for less than $2.00; and in order to get the reduced rate, one must send at least ten subscriptions. We cannot send a less number for less than $2.00 each.

*Think of it! 10 copies of THE POST one year, with one extra for sending the Club, making 11 copies for $10.00.*

As to THE POST, there are few in this country, or any other country, who are not familiar with it. Established in 1821, it is the oldest paper of its kind in America, and for more than half a century it has been recognized as the Leading Literary and Family Journal in the United States. For the coming year we have secured the best writers of this country and Europe, in Prose and Verse, Fact and Fiction.

A record of over sixty years of continuous publication proves its worth and popularity. THE POST has never missed an issue. Its fiction is of the highest order—the best original Stories, Sketches and Narratives of the day. It is perfectly free from the degrading and polluting trash which characterizes many other so-called literary and family papers. It gives more for the money, and of a better class, than any other publication in the world. Each volume contains, in addition to its well-edited departments, twenty-five first-class Serials, by the best living authors, and upwards of five hundred Short Stories. Every number is replete with useful information and Amusement, comprising Tales, Adventures, Sketches, Biography, Anecdotes, Statistics, Facts, Recipes, Hints, Cautions, Poetry, Science, Art, Philosophy, Manners, Customs, Proverbs, Problems, Experiments, Personals, News, Wit and Humor, Historical Essays, Remarkable Events, New Inventions, Curious Ceremonies, Recent Discoveries, and a complete report of all the latest Fashions, as well as all the novelties in Needlework, and fullest and freshest information relating to all matters of personal and home adornment, and domestic matters. To the people everywhere it will prove one of the best, most instructive, reliable and moral papers that has ever entered their homes.

We trust those who design making up clubs will be in the field as early as possible. Our prices to club subscribers by the reduced rate are so low that if the matter is properly explained, very few who desire a first-class literary paper will hesitate to subscribe at once, and thank the getter-up of the club for bringing the paper to their notice. Remember, the getter-up of a club of 10 gets a free copy of the paper an entire year.
