FATALLY HURT WHEN TREE FELL

Percy Drane Crushed To Death Near Owen Sound.

OWEN SOUND, Feb. 28.—Percy B. Drane, aged 24, was instantly killed in Keppel Township, about five miles from here, by a falling tree. He was on a visit to his brother and had gone to the bush to give him a hand in getting out logs. Before quitting for the afternoon they decided to shift a tree which in falling had lodged against another. When the tree was moved it struck a dead basswood stump, about twenty feet high, and broke it off close to the ground. Young Drane was standing leaning against a pile of logs nearby, and the falling tree struck him and crushed him against the pile. His skull was broken in a dozen places, and he was instantly killed. He leaves his mother and three brothers.

WILL ENTER PROTEST.

BRANTFORD, Feb. 28.—M. M. MacBride, M. L. A., will protest in the Legislature against the alleged immoral actions of license spotters in Brantford. It is understood he will make particular reference to a case last week where a young foreigner was engaged by the provincial police and had a woman examined by a police court aide for the purpose of identifying her as an associate of a supposed bootlegger. The defendant in the case was acquitted chiefly because of the examination proving fruitless.

SNEAK THIEVES BUSY.

WOODSTOCK, Feb. 28. — Sneak thieves are again busy here. The homes of Thomas Goodyear and Thos. Cohford were entered, while the inhabitants were out. At one house a sum of money in bills and a child's bank with three dollars was taken. At the other the intruders were only rewarded by a small sum in currency.

WAS FINED $500.

SARNIA, Feb. 28.—Convicted on a charge of unlawully selling liquor to James McLean, Edward Burns, taxi driver, was fined $500 and costs, $13.50, by Magistrate Gorman today. Admission by McLean under cross-examination that statements made in his deposition after his arraignment on a charge of supplying liquor to M. Buchanan were false, were a feature of the hearing.

McLean, who was convicted on February 16 of supplying liquor to Malcolm Buchanan, was arraigned for sentence at the conclusion of the Burns case. Magistrate Gorman imposed a fine of $200 and costs, $6.50, or in default three months in jail. "The evidence given here today places you in a very bad position," remarked the magistrate in passing the sentence.

COURT TRIMS FOOD CONTROL

Declares Sections of U. S. Act Unconstitutional — Many Cases Affected.

WASHINGTON, Feb. 28.—Sections of the Lever food control act, under which the United States department of justice has brought many actions for alleged profiteering in necessities, were declared unconstitutional today by the supreme court.

Hundreds of cases growing out of the government campaign to reduce the cost of living are affected by the opinion.

Practically all of the attacks against the act were based on the ground that it violated the fifth amendment to the United States Constitution in that it deprived the defendants of their property without due process of law. Other arguments were based on the allegations that enactment of the law on October 23, 1919, after hostilities had ceased, was not a proper exercise by Congress of its war power. It also was argued that the sales were entirely intra state and therefore outside of federal jurisdiction.

REPORTED $15,000 PAID FOR HOLSTEIN

American Buyers Are Making Purchases in Vicinity of Brantford.

BRANTFORD, Feb. 28.—American cattle buyers traveling through Brant County have made several purchases. It is understood that a Holstein cow belonging to Thomas A. Barron, Cockshutt road, was sold to a New York buyer for $15,000.

Incendiarism is blamed for a fire at A. A. Parker's home, 163 Dalhousie street, today. The loss amounts to about $50. There is no clue to the identity of the firebug.

J. C. Burgoyne, ex-sergeant of the 84th Battalion, has been placed on probation on the police force. The police are making an addition of two men.

It is expected that a meeting will be called by Mayor Wedlock this week for the purpose of striking the tax rate. It is understood the rate will be much lower than last year, an authority stating that 39 mills is the probable figure.

LAWYER FALLS 6 STORIES; LIVES

MONTREAL, Feb. 28.—After falling six stories to the street from his office in the Montreal Trust Building this afternoon, S. L. Dale Harris, a well-known Montreal lawyer, lies in the Royal Victoria Hospital terribly injured. It was at first reported that he had been killed outright by the fall. Mr. Harris was fixing the blind in his office window and was being held from falling by assistants, who had hold of his coat. Somehow he slipped and his weight tore the coat out of his assistants' hands.

FORMER LONDON PRIEST IS DEAD AT TORONTO

TORONTO, Nov. 28.—Rev. Father James Walsh, parish priest of St. Helen's Roman Catholic Church, died at the parish home this morning. Yesterday Father Walsh, who had been in ill-health due to overwork, suffered a stroke, from which he never rallied. Prior to becoming pastor of St. Helen's in 1899, Father Walsh had been a secretary to the late Archbishop Walsh and also pastor of Our Lady of Lourdes Church, this city. He was born in Iseland, and was 60 years old. He was a nephew of the late Archbishop Walsh.

The late Father Walsh lived in London, Ontario, for some time.

Calling Special Meeting To Consider Teachers' Salaries

Trustee Waxes Warm Over Attitude of Members of the Collegiate Staff At St. Thomas—Committee Reports That Conference Was Without Results.

ST. THOMAS, Feb. 28.—"Is the Teachers' Federation in league with the Government?" asked Trustee Wright, at a special meeting of the board of education tonight. "Or is it a ring of the Government or a body appointed to dictate to the collegiate staff. If the federation has a right to control the action of the teachers and the Government supports the union, the public should know it.

"If the Government is not in accord with the purpose of the organization, then the Government should order those teachers who are acting in harmony with the federation to return their certificates."

Two Sides to Question.

The question, insisted Trustee Wright is not all on one side of the house. It is a question whether the people of St. Thomas will stand for this dictation by the teachers and be told that the federation that the people must increase the teachers' salaries. If the board will submit to this sort of thing the people will have something to say.

Collegiate Ultimatum.

The ultimatum of the collegiate teachers that they would quit their places at the institute on March 31 unless their stipends were advanced as directed by the teachers, brought the board together.

A conference had been held with the aggrieved teachers last week by a special committee of the board and the following report was submitted:

"Your special committee appointed to consult with the staff of the collegiate institute with reference to salary adjustment, beg leave to report that they visited the collegiate institute on Thursday afternoon and had a conference with the committee of the staff. Your committee were unable to arrange any modification of the terms which were submitted by the teachers in their last communication to the board."

Ask Special Meeting.

Trustees Wright and Konsinger were anxious to get into communication with the Government to secure information, and they moved that a special meeting of the internal management committee be called to consider the question of salary increase of the institute teachers in a week's time in order to secure some more information.

And there the matter rests.

Govt. Doesn't Need the Money, Is Plea

Lawyer Uses Novel Argument To Reduce Fine Under O. T. A.

ST. CATHARINES, Feb. 28.—"The Government does not need the money; the provincial-treasurer says he is proud of his deficit," remarked B. H. Lancaster, counsel for three Niagara township farmers, in pleading before Magistrate Campbell today for the minimum fine, after his clients had pleaded guilty to breaches of the O. T. A.

Mr. Lancaster claimed that they had been double-crossed by higher-ups who had made use of their names and farms for shipping in booze and storage before conveying it across the Niagara river.

The fines were as follows: W. F. Kerr, $1,000; W. Walker, $400 and T. H. Fields, $200.

HANNA HAS NOT YET REINSTATED HIGGINS IN CANADIAN NATIONAL

TORONTO, Feb. 28.—James Higgins, former C. N. R. employe, who forfeited his position to contest the Northeast Toronto provincial by-election, is still awaiting reinstatement, as are Messrs. Moore and Palmer, of Manitoba.

"When are you going to reinstate James Higgins?" President Hanna was asked today.

"Why, has he made an application for reinstatement?" replied Mr. Hanna.

"It is understood that he made an application for reinstatement long ago."

"Oh, well, I don't know anything about it. I have handed the matter over to Mr. Hungerford, vice-president of the C. N. R., in charge of operation, and he has my instructions what to do."

"Are your instructions a secret?"

"No, they are according to the terms of my letter to the department of labor."

Mr. Hungerford is out of town until Friday.

It is stated that in Mr. Hanna's letter is a provision which makes the reinstatement of Messrs. Higgins, Palmer and Moore contingent upon the employes of the railways consenting to the continuance of the "no politics" order and that the C. N. R. management will wait until the men pronounce on the matter.

New Secretary Planning Big Fleet For United States.

DETROIT, Feb. 28.—A United States navy second to none, trained to the minute and equipped with the best material, will be the objective of Edwin Denby, newly-appointed secretary of the navy, he said here today. The statement was made upon his return from St. Augustine, Florida, where he conferred with President-Elect Harding.

Declaring he favored a larger navy, Mr. Denby asserted he did not fear war with any power, but said that "the peculiar situation of the United States demands and justifies a strong first line of defence."

TELLS HOW C. M. HAYS REJUVENATED G. T. R.

MONTREAL, Feb. 28.—(By Canadian Press).—Part of the story of the rejuvenation and reconstruction of the Grand Trunk Railway after C. M. Hays took charge of the road in 1895 was told today by F. H. McGuigan, ex-vice-president of the company, at the resumption of the sitting of the Grand Trunk arbitration commission, which is inquiring into the physical value of the railway prior to its acquisition by the Dominion Government.

Mr. McGuigan told of the recreation of the railway from an antiquated road with light rails, poorly ballasted, frail bridges, light engines and insufficient train equipment, into a partly modern railroad by 1907, and this had been done largely out of earnings.

Outside of this, Chief Engineer Lorn Bond of the Grand Trunk, completed his evidence, whilst other evidence was given by H. E. Whittenberger, general manager of the Grand Trunk western lines, with headquarters at Detroit.

During the 26 months that the Grand Trunk United States lines were taken over by the United States Government, Mr. Bond said, essentials had been looked after, but much work was left over, for which a claim is now being made on the United States Government.

COLONIAL OFFICE HAS MIDDLE EAST DEPT.

LONDON, Feb. 28.—The prime minister in the House of Commons today set at rest a question which has caused considerable public discussion. It was whether Winston Spencer Churchill, secretary of state for the colonies, would in future have charge of Egyptian affairs. The prime minister announced that the administration of Palestine, Mesopotamia, Aden and areas within the British sphere of influence would be transferred to the new Middle East department of the colonial office after March 1. Egypt, the Sudan and the Hedjaz would remain under the foreign office.

In taking formal leave of the officials of the war office on his transfer to the colonial office early in February, Mr. Churchill announced that he had been intrusted with the formation and conduct of a new Middle East department. He did not at the time define the extent of the department or its duties.

SUMMON FIFTY TO CAYUGA QUIZ

Investigation Into Charges Against Magistrate Hastings Starts Today.

DUNNVILLE, Feb. 28.—About fifty witnesses have been subpoenaed in this town for the investigation to be held by John A. Patterson, K.C., Toronto, into charges against David Hastings, police magistrate, who was suspended some time ago by Attorney-General W. E. Raney, also charges made against F. R. Lalor, M.P., of this town. The investigation is to be opened at Cayuga tomorrow. There is a good deal of dissatisfaction because the inquiry is to be held at Cayuga instead of here in Dunnville, as this will involve considerable expense and inconvenience to the witnesses.

Mr. Hastings wrote to the attorney-general some time ago asking that the probe be held in Dunnville, but the minister contended that Cayuga, being the county town, was the proper place for it.

The charges against Hastings are to the effect that he has been lax in enforcing the administration of the O. T. A. The charges against F. R. Lalor, M. P. for Haldimand, are that he dominated Police Magistrate Hastings in connection with the administration of the O. T. A.

R. U. McPherson, K.C., Toronto, will be the crown counsel, and J. L. Counsell, K.C., of Hamilton, Ont., and W. T. Robb of Dunville, will look after the interests of the suspended magistrate. The inquiry may last three or four days.

SAYS AUSTRALIA MUST BE READY

Commonwealth Treasurer Cook Blames Failure To Reduce Armaments.

MELBOURNE, Feb. 26. — Preparedness must be the slogan for Australia, as there has been a failure to secure unanimity on the reduction of armaments, declared Sir Joseph Cook, treasurer of the Australian Commonwealth, in addressing the National Club of Sydney on the financial outlook.

Sir Joseph said the estimated revenue of the commonwealth and the various states for the present financial year should total £143,750,000 while the expenditures, including those of the states, out of revenues and from loans would total £191,662,000. There was a general spirit of economy prevalent throughout the country, he declared, and he considered the future prosperity of Australia as assured. The present Australian debt was £143 per capita, he said, which left the dead weight of the war at a figure which need not cause unde alarm, considering the extensive assets upon which the debt was based. He hoped, he added, that a joint commission would be appointed to manage the Commonwealth and state loans so as to give Australian loans a prestige they did not now possess.
