FROM CLEVELAND TO COLUMBUS.

Close of the Third Meeting of the Grand Trotting Circuit.

Cleveland, Aug. 1.—The third meeting of the Grand Trotting Circuit ended here today with four good contests. Rifle ended the 2.17 trot, left unfinished from yesterday, in a single heat, and then the 2.12 trotters had a lively encounter. Don L., the favorite, was off, and had to be drawn after two unsuccessful attempts to redeem his credit. Ellore E. stole a march on James L. in the fifth heat, shifting through at the rail and catching him in the last 100 yards. The 2.19 pace was a surprise, as Dan T., a local horse, was much too fast for Red Oak and Myrtle G., that carried the money. He reduced his record 8 seconds in the first heat. Helen K. was the dark horse in the 2.23 trot, and moved cleverly, except in the second heat, when she cast a shoe. Her previous record was 2.21¼. Columbus, O., is the next point for the crack steppers, and there is a splendid card for the meeting, which begins there on Monday. Summaries:

HORSES FOR ENGLAND.

Niagara Falls, Ont., Aug. 2.—Thomas Emery, the well-known liveryman of this town, made a good sale of horseflesh last week to Abel Buckley, President of the Manchester Bank, at Ashton-under-Lyne, England, who has been visiting the sights of Niagara the past few weeks. Mr. Emery sold his pacer Favette, with three other blooded horses, named Edmund S., Nellie B. and Phillips. Mr. Buckley shipped the horses to England yesterday, and engaged the well-known groom, Joe Spencer, to accompany them across the ocean and remain with them in England to condition the horses for the English tracks.

THE CONVERTED SENATORS.

They are Now Called Torontos and Reopened With a Defeat.

Humiliating though it was, they came back—not that they loved Toronto more, but that they loved Albany, less and Scranton faced the prodigals over the Don Saturday afternoon before one of the best crowds of the year. The coal shovellers won owing to the yellow article of ball put up by their opponents. Both pitchers were hit heavily, and both were wild. Dunn replaced Moran in the ninth. Wright was out of form and Casey played centre field after the fifth. A drizzling rain fell during the greater part of the contest, and the occupants of the bleachers got into the grand stand out of the rain. Their howling was great, but they could not root out a victory. The full score was given in The Sunday World. Score by innings:

WON BY GAUDAUR'S CREW

THE ENGLISH FOUR EASILY BEATEN AT HALIFAX.

Haliguonians Finished Third—Time of Race, 18.35—Canadians Had the Race Well in Hand All the Way and Finished as They Pleased—Gaudaur Sails for England Aug. 5—For the Brockville Regatta.

Halifax, Aug. 1.—"It's the most magnificent race I ever saw," said Edward Hanlan, the one-time world's champion, as he watched the struggle an hour before dark this evening between the contestants for the Halifax prizes in the four-oared international aquatic event that ended the summer carnival. It was a grand sight under the setting sun as the crack crews of England and America rowed toward the finish line almost abreast, the Britishers straining every nerve to put their bow in front, while the Canadian-American four, maintaining the easy, comfortable style of rowing with which they started, held their own in beautiful form, then rushed ahead as their antagonists weakened, and crossed the line a winner by over five lengths.

When the crews were sent out about 7.10 o'clock there was a light ripple on the water, but not enough to interfere with high speed. Five fours started as follows: English crew—Bubear, Haines, Barry and Gibson.

Canadian-American — Gaudaur, Durnan, Hackett and Rogers.

Halifax—Lynch, Holland, Shea and Brennan.

St. John—Daly, Clarke, Patchell and Lambert.

Bedford—Heffer, Vanbuskirk, Boutilier and Boutilier.

The Casey crew of Boston and the McLeod-Sullivan crew of St. John failed to show up. All five boats effected a fine start, catching the water pretty well together, but the St. John men, pulling a very heavy stroke, forged to the front. For a few minutes they seemed to hold a slight advantage over the others, but it was of brief duration. Three of the other four boats pushed past them before an eighth of a mile had been covered. These were the Canadian-Americans, the Englishmen and the Haliguonians. Gaudaur's four, with graceful, steady and never-varying stroke, took the leading position as soon as the real struggle began, and they lost it only once while the race lasted. Dipping their oars at the rate of thirty-seven times to the minute, they never seemed to increase or decrease their stroke, but went ahead like a piece of superbly-regulated mechanism until the contest was finished. Down the whole length of the course, to the turn, one and a half miles from the start, they were closely pressed by the Halifax and English crews, but they never lost their position until the turn had been made, and then regained it so quickly that it was easy to see they were the superior crew, destined to capture the thousand-dollar prize. Half a mile from the start the Bedford crew, already a quarter of a mile behind the others, dropped out. At this point Bubear's boat was heading Halifax by two lengths, with St. John following closely. The Canadians were just then getting clear of the Englishmen, and the fishermen four of Halifax were setting the pace, forcing the others to work hard or drop astern. Lawson and Crewe participated in two very neat doubles, while the Reds were completely at sea.

CHAMPIONSHIP LACROSSE.

Cornwall Springs a Surprise at Montreal and Beats Shamrocks 4-2.

Montreal, Aug. 2.—The Cornwall braves, with a few staunch allies from Cornwall Island, came to the city yesterday in search of the Shamrock scalps, and they succeeded in carrying them away with them. The battle was a keen one during the two hours it lasted. It was one of those surprises that occur frequently in the national game. The Cornwalls carried the day, but the Shamrocks played superior lacrosse. The Shamrocks have improved wonderfully in their play of late, but the Cornwalls have outdone them in this respect, and the weak home of a month ago has developed into a clever and knowing body, who yesterday at times had matters their own way with the Shamrock stalwart defence. The Factory Town home is stronger than it has been since 1891, and only by exceedingly brilliant play and clever brain work can a home score against them. It was a grand game, one of the finest, in fact, ever seen by human beings, and decidedly the really only scientific one witnessed in Montreal this year. The Cornwall supporters had any amount wagered at odds on the result, and carried many a Shamrock dollar up west last night. Over 5000 people assembled on the M.A.A.A. grounds. The game throughout was clean and devoid of roughness. The summary:

First—Cornwall, Tobin, 30 sec.
Second—Shamrocks, Wall, 1 min.
Third—Cornwall, Tobin, 14 min.
Fourth—Cornwall, Lewis, 24 min.
Fifth—Shamrocks, Tucker, 2 min. 16 sec.
Sixth—Cornwall, Lewis, 14 min. 5 sec.

MARKHAM DEFEATS STOUFFVILLE.

Markham, Aug. 2.—The most exciting game of lacrosse of the season was played here this afternoon between Stouffville and Markham. It was the first championship game in the Midland district played here, and a big crowd were on the grounds. Stouffville played Manning of Newmarket, Sewell and Macdonald of the Torontos, and also had Ed Doyle and Cane of Newmarket, who play with Barrie, along with them. But, fearing a protest, didn't play them. Markham won after a hard struggle by 3 goals to 2. Markham won the first game in 1 hour and 5 minutes. Stouffville the second in 15 minutes, Markham the third in half a minute, Stouffville the fourth in a quarter minute and Markham the fifth in 9 minutes. H. B. Thompson of Georgetown referee and J. McGibbon and R. Irwin of Georgetown, umpires and gave general satisfaction.

THE LACROSSE SCORES.

MORE RECORDS AWHEEL.

The Butler Bros. Make a New Mile Mark on a Tandem at Boston, 1.52 3-5—Quintet Race.

Boston, Aug. 2.—The 5000 people who went to the Charles River track yesterday afternoon witnessed some of the finest bicycle racing seen in this vicinity this season. The afternoon's sport was productive of one world's record, an unpaced mile tandem, ridden by the speedy Butler brothers, Nat and Tom. It also witnessed the downfall of the New York Police Force and saw Boston's finest win the mile race with the greatest ease. Another feature, something that had never been seen in this country, was the race against time between the two quintets, Berry's and Anderson's, and the best time, 1 minute 46 3-5 seconds, against rather adverse conditions, was reached. The Butler brothers went for the unpaced tandem record and succeeded in cutting it from 1 minute 55 3-5 seconds to 1 minute 52 1-5 seconds. They rode around the track once and started flying. Their times were: quarter, 27 2-5; third, 36; half, 55 2-5; two-thirds, 1 min. 14 2-5 secs.; three-quarters, 1 min. 24 3-5 secs; mile, 1 min. 52 3-5 secs. The two quintets raced neck and neck. Hutchinson, Rhodes and Kluge did the first quarter in 25 4-5 secs., third in 35 3-5 secs., half in 54, two-thirds in 1 min. 12 4-5 secs., three-quarters in 1 min. 22 2-5 secs, and the mile in 1 min. 53 secs. The Anderson team, consisting of Callahan, Nat Butler, Turnbul, McIlroy, Cornett, Corr, Fuller, Jeffs, Soules, Martin, Wilkinson, Deslauriers, Greatrix, Belfry; captain, Waghorne. Take 6.20 boat.
