THIS ORGANIZATION
has for its object the acquisition of desirable locations in the North-West Territories with a view to speedy colonization in accordance with Government requirements; and the exercise of other functions incidental to this end, and promotive of the general interests of its Colonists.
THE STOCK LIST
consists of numerous and widely-distributed, *bona-fide* subscriptions to the Capital of the Company, liable to calls, at reasonable intervals, in the discretion of the Directors. The project being the spontaneous outcome of a large class, no advantage is allowed to one shareholder over another, but all stand upon an equal footing.
THE OPERATIONS
of the Company will be conducted upon a basis of prudent liberality, that will strongly invite all classes of settlers from the most needy colonist to the well-to-do farmer, artizan, merchant or manufacturer; and at the same time afford a fair compensation for the capital invested.
HOMESTEADS
and Pre-emptions will be offered in these settlements upon the same conditions as those of the Dominion Government.
SUBSTANTIAL AID
will be given in the erection of places of worship, and the Company will encourage public improvements of all kinds, such as the construction of railways, the formation of Commercial centres, early and direct postal communication, etc., etc.
ARRANGEMENTS
are being made with the Government, pending which, reference to locations would be premature. It may be premised that the utmost care and discernment have been exercised in making selections, as will be very evident when details are furnished. This announcement is made that those interested may govern themselves accordingly
PROSPECTUSES
containing full information as to locations, lands, prices, conditions, etc., will be prepared as soon as possible, and will be favored to any person on application to the Secretary.
Address communications to
JOHN [illegible], Secretary,
Drawer 2717, Toronto.
