1,500 GUELPH FANS SEE FAVORITES BEATEN 7--0

Goyer, Former Belleville Star, Turns in Good Hurling Performance.

GUELPH, May 10.—Fifteen hundred local baseball fans turned out this afternoon to witness the first baseball game of the season here, when the Dominion Glass team of Hamilton trounced the Maple Leafs, 1921 Inter-County champions, in an exhibition fixture by 7 to 0. The defeat came as a big surprise to the backers of the local club, who fully expected that the Leafs would carry off an easy victory. Coach Jimmy Cockman tried out fifteen players in the match, but the local squad played a very loose brand of ball in the field, while the visitors turned in a brilliant performance and fully deserved to win. The locals were also weak at bat, only connecting with four safe clouts off the offerings of Pitcher Berg of the Hamilton team.

Three Guelph hurlers were given a workout against the Hamilton nine, "Chuck" Henry, "Lefty" Goyer, the former Belleville star, and Fred Murphy. By striking out seven batters in the four innings which he occupied the mound Goyer lived up to his old reputation. The visitors failed to get one safe single off his offerings.

Score by innings: R.H.E.
Hamilton ..... 210 000 003—7 8 2
Guelph ..... 000 000 000—0 4 7

ST. ANDREWS BLANK ARMY AND NAVY VETERANS 5--0

Vets Held Scots to 2 to 0 Score For First Half of Play.

St. Andrews beat Army and Navy Vets 5—0 in a City Soccer League game staged last night at Carling Heights.

At the opening the Vets managed to make a rush and tested the opposing defence without result. The Saints, however, got the play into their own hands, and it was not long before McKay got a hard one to handle, but he cleared well only to be beaten by Lewis soon after. Morgan was successful in tallying for the Saints before the period closed, making the score 2—0.

Soon after the face off in the last stanza, Peebles chalked up another one against the Vets, beating the goalie on a close shot. At this stage of the play the soldiers had their share of the game, and pressed the Scotch defense hard. Only poor luck in shooting robbed them of well-earned goals. Peebles and Whitelaw made the score 5—0 against the Vets before the final whistle.

The score by no means indicates the play, since the Army and Navy team put up a splendid combat.

The teams:
St. Andrews—Adamson, Wilson Croal, Russell, Whitelaw, H. Johnston, Morran, Peebles, Lewis, MacFarlane.
Vets — MacKay, Noble, Perryman, Coombs Duncan, Faulkener, Woodward, Gallacher, Machannis, Leigh.
Referee: Carr.

TORONTO, May 10.—The outstanding work at Woodbine today was that of Robt. Newell's King's Plater, Greybourne. Royal Visitor started with Greybourne, but after going a quarter of a mile suddenly sulked, and Greybourne's rider pulled up slightly during the second quarter, but let the mare out for the balance of the mile journey in 1:45 1-5.

The fractional time was :24.53 and 1:20, showing that she worked the last half faster than the first. Under the circumstances it was the best shown by any plater outside of Corenzio. Jockey Thurber has been engaged to ride Greybourne in the plate.

Among the 66 entries in the Toronto Cup are the old rivals, Exterminator and Boniface, in addition to Bunga Buck, Be Frank, Olympus, Two Feathers, My Dear, Golden Sphere, Mad Hatter, Thunderclap, Grey Lag, Billy Kelly and other turf stars.

FEARS WORST IN SOME TRADES STILL TO COME

Sir Walter Runciman Tells Trade Protection Societies Country "Poverty-Stricken."

LONDON, England, May 10.—(Canadian Press Cable).—Sir Walter Runciman, in his presidential address to the Association of Trade Protection Societies at the annual meeting in London today, said he did not consider seriously the talk about dawning prosperity and the rifts in the clouds.

He was convinced, he said, that in some trades the worst had not been reached yet, and the outlook for agriculture was especially bad. In short, the country was poverty-stricken. He deprecated violent reductions in credit facilities. The primary condition to the return of good trade was stability.

The heavy mutual obligations of the Allies, and the obligations of the enemies of the Allies "to the Allies" must be settled in the most prompt manner. Sir Walter said he would rather pay a heavy income tax for years than have Great Britain's debt maintained at its present level.

SARNIA WILL HAVE EXTENSIVE FLEET

Northern Sand and Gravel Company Purchases Large Number of Lighters.

PICK DOUBLE DECK TYPE

New Class of Vessel Capable of Rapid Loading and Unloading.

Special to London Advertiser.

SARNIA, May 10.—Gradual development of a fleet to handle sand and gravel is the aim of the Northern Sand and Gravel Company, Limited of Sarnia, a recently-incorporated concern. At present the holdings of the company consist of the steam barge Marysville, purchased earlier in the spring from the Marysville Land Company, and the lighters, Maple Branch and Homer.

The homer was delivered Saturday after a refit by the Reid Wrecking Company from which she was purchased. The Maple Branch has not yet been place in commission. The Homer will be towed during the season by the tug Constitution. Other lighters to be added to the fleet are the Province and Eleanor, which are to be brought here by the Reid Wrecking Company tug, Sarnia City. They are at present at Halifax.

After this trip the Sarnia City will proceed to Fort William, where she will pick up the lighter Empire for delivery to the concern. All these lighters are of the double-deck type, capable of rapid loading and unloading.

VETERANS OPPOSE RANEY'S MEASURE

Deputation From Provincial Command Wait on Ontario Cabinet Ministers.

CONSIDERATION PROMISED

Urge That No Action Be Taken To Abolish Appeal to Privy Council.

TORONTO, May 10.—Representing the provincial command of the G. W. V. A., a deputation of members of that organization, headed by Dr. Sharpe, president of the command, waited on Hon. Manning Doherty, Hon. Walter Rollo and Col. Carmichael, in the premier's office today, and presented to the government a series of resolutions passed at the last convention of the association. Chief among the resolutions is one in direct opposition to Hon. W. E. Raney's bill to abolish the appeal to the privy council. It is an imperial landmark, it was said, and it does not do any harm, but a great deal of good. The veterans and the man on the street are absolutely opposed to the bill, it was declared.

A request, in the form of a resolution, that an impartial committee be appointed to investigate the dismissal and supplanting of medical men in the faculty of medicine of the university was also placed before the ministers.

The deputation also requested that the mothers' allowance act be amended to permit the payment of funds to deserted wives after three years' desertion, instead of the period of five years now cited in the act.

The government was urged to adopt a system of loans through their savings banks in order to assist the soldier and the workingman to buy or build their own homes.

William Turley appealed for further consideration of the private bill before the Legislature, which will deprive the G. W. V. A. of sole rights to sell the clubhouse in Hamilton. He suggested that Mr. Halcrow be asked to withdraw his bill for further consideration.

The ministers promised to give the association's request serious consideration.
