GROUNDERS.

Three ruffians made two murderous assaults on William J. Clymer, the former captain and outfielder of the Buffalo baseball team, on Wednesday.

Von der Ahe is reported to have sold the release of Dave Cross to Cincinnati for $6,000. The sale of Clements is next on the programme, to be followed by that of Sugden. John T. Brush is getting the men, it is said, for the purpose of establishing a league team in Indianapolis.

The St. Louis Browns, the tail-enders of the National League, and the champion tail-enders of everywhere, have disbanded. For some time the Browns have been playing double-headers, in order to make the agony over as soon as possible. Thanks to the $4,000 received from Cincinnati for Jack Taylor, the men were paid up in full before being turned adrift.

PILES FOR 20 YEARS.

Hayes, Brigden, Ont., writes: "I have been troubled with blind and bleeding piles for 20 years; tried everything I heard of and got treatment from the best physicians, but nothing did me any good. Sent to New York for medicines but they did me no good. I was advised to try Dr. Chase's Ointment. I got a box and used it and never have been troubled since, and that is three years ago. It has been a great boon to me."

SHE ATE SPIDERS

Novel Suicide of an Iowa Woman Serving a Life Sentence.

Des Moines, Iowa, Oct. 14. — Cora Smith, who was serving a life sentence for the murder of her father, killed herself by eating live spiders. She had been trying for weeks to find a way to take her life, and, seeing one day the spiders crawling on the walls of the prison yard, it occurred to her that they would serve.

She gathered spiders day by day until she had a large number tied up in a handkerchief. At night she ate the spiders and in the morning was found dead in her cell. The handkerchief with the remaining spiders was found by her side.

CLOSING SESSION

Of the Y. P. S. C. E.—Election of Officers.

A Genuine Forward Movement—The Billet Abolished—Delegates to Pay Their Way.

Hamilton, Oct. 14.—Bible study, led by Rev. Elmore Harris, B. A., opened yesterday morning's proceedings of the Y. P. S. C. E. convention, after which there were devotional exercises led by Mr. T. F. Best, of Brantford.

Geo. McLeod, of Knox Church, Hamilton, occupied the chair.

Papers were read on different topics by juniors' president. After the meeting the convention met in the basement of Knox Church, where the local junior union had prepared a breakfast for visiting juniors, workers, and friends. The breakfast finished, the members, in short speeches, gave some snap-shots in child study. These stories proved very interesting, and gave those present a further insight to child nature.

The president, Rev. Wm. Johnson, was in the chair when the session resumed in the Armory. Mr. T. F. Best conducted the opening devotional exercises, after which the minute report of the secretaries were received. The subjects of the reports were encouragements and discouragements in Christian Endeavor work. It was led by Rev. Dr. Clark, and was of a very interesting nature.

During the meeting Rev. Geo. Kerby, B.A., of Brantford, sang a solo.

An evangelistic service was held under convention auspices at the Canadian cotton mills.

New officers were elected as follows: President, Rev. Elliott S. Rowe, of Toronto; vice-president, Rev. J. F. Barker, Hamilton; Mr. C. J. Atkinson, of Toronto; Mr. T. Morris, jun., Hamilton; Rev. J. S. Henderson, Hensall; secretary, J. F. Cooper, Clinton; treasurer, W. J. Doherty, London; editor, Rev. J. S. Conning, Caledonia; junior superintendent, Miss L. Wiggins; councilors, Rev. Dr. Dickson, Galt; J. N. Dales, Kingston, and S. John Duncan Clark, Toronto.

A real forward movement was undertaken by the convention, when Rev. Mr. Henderson, of Hensall, moved that in future the billeting system be discontinued, and that delegates pay their own way, local committees being merely asked to find boarding houses, etc., for delegates. The mover thought the country was overrun with conventions, and endeavorers should be progressive enough and independent enough to pay their own way wherever they went.

Miss Beatty seconded the motion. "Of course, we should pay our own way," she said, "and if we lose in quantity at our convention from such a cause, we will gain in quality." (Laughter and applause.)

The motion was carried unanimously.

The convention closed with a public meeting in the drill hall. The programme included addresses by Rev. Francis Clark, D.D., on "The Christian Endeavor Birthright," and by Mr. N. W. Hoyles, Q.C., of Toronto, on "The Evangelization of the World in This Generation." Rev. Dr. Clark also conducted a consecration service for delegates. The programme was brightened by special music, and the annual presentation of banners to successful societies.

SOAP SHARP VICTIMIZED

Beaten Out of a Dollar by a Ridgetown Boy Whom He Had "Roped In."

Ridgetown Dominion: A Ridgetown youth who attended the Rodney fair on Tuesday displayed an amount of foolishness that was only redeemed by his nerve afterward.

A soap sharp was rolling up $5 bills, putting them in certain boxes, and offering a choice of three for $2. He tossed a box containing a "V" to the young man, told him to look and see if the money was in it, and put it back with the rest. This the young man did, and at once bought a choice for $2. Needless to say, he drew a blank. Again the operation was repeated, and the young man was out another $2.

The soap man soon moved down to another corner and commenced operations on a new crowd. But the crowd was not all new. It contained the Ridgetown young man, who had followed the sharper. The latter began as before. He evidently did not recognize his victim, or believed he was ready to bite again. He tossed a box containing a five to the young man, and told him to look and see that the bill was there. This the young man did, and more: He took the bill out and coolly put it in his pocket, remarking:

"You have $4 of mine; I have $5 of yours," and walked away.

The sharp shouted at him, and he was followed into a hotel by a couple of cappers, but the young man held on to the money, refusing even to give back the extra dollar he was ahead.

GET FLESH.

Get Strength, Vigor, Clear Complexion and Good Digestion, Not by Patent Medicine, but in Nature's Own Way.

Any honest physician will tell you that there is but one way to get increased flesh; all the patent medicines and cod liver oils to the contrary, notwithstanding.

Nature has but one way to increase flesh, strength and vigor, mind and body, and that is through the stomach, by wholesome food, well digested. There is no reason or common sense in other methods whatever.

People are thin, run-down, nervous, pale and shaky in their nerves simply because their stomachs are weak.

They may not think they have dyspepsia, but the fact remains that they do not eat enough food, or what they eat is not quickly and properly digested, as it should be.

Dr. Harlandson says the reason is because the stomach lacks certain digestive acids and peptones, and deficient secretion of gastric juice.

Nature's remedy in such cases is to supply what the weak stomach lacks. There are several good preparations which will do this, but none so readily as Stuart's Dyspepsia Tablets, which are designed especially for all stomach troubles, and which cure all digestive weakness on the common-sense plan of furnishing the digestive principles which the stomach lacks.

Stuart's Dyspepsia Tablets give perfect digestion. First effect is to increase the appetite and increased vigor, added flesh, pure blood and strength of nerve and muscle is the perfectly natural result.

Stuart's Dyspepsia Tablets is the safest tonic known, and will cure any form of stomach trouble except cancer of the stomach. May be found at druggists at 50 cents for full-sized package, or direct by mail from Stuart Co., Marshall, Mich. 59c sxv.

Convicted of Wife Murder and Must Suffer the Penalty.

Houston, Texas, Oct. 14.—Rev. Geo. E. Morrison has been convicted at Vernon, Texas, of the murder of his wife, and the penalty has been fixed at death. Morrison poisoned his wife in October, 1897, that he might be free to marry a young woman at Topeka, with whom he was infatuated.

IN RE LUMBER

Ottawa Valley Men Interview the Dominion Premier and His Aides.

[By C. P. R. Telegraph to Advertiser.]

Ottawa, Oct. 14.— A delegation of lumbermen waited on Sir Wilfrid Laurier, Sir Richard Cartwright and Hon. Mr. Davies. It comprised J. R. Booth, W. C. Edwards, M.P., A. Lumsden, M.P.P., and Levi Crannell. The position of the Ottawa Valley lumbermen in connection with the new Ontario law providing for the manufacture of logs in Canada is well known. What the Ottawa men want is free lumber by the United States tariff, and to anything which will prevent this being obtained. The Ontario law will, on the other hand, they claim, be to provoke retaliation. The matter was discussed at length.
