NOTE AND COMMENT

When the Interprovincial Rugby Union gets thru with the Ryan case to-day it may be time for the C.A.A.U. to take the matter up. However, the chances are that the football magnates will end the matter by retiring the player.

A Queen's quarter-back turned a trick against Varsity at Kingston on Saturday that his team didn't need. He passed his head gear, that looked like the football, to a fake runner, while the real sprinter tore over the line with the pigskin for a touch-down. Other Indians at Carlisle, Pa., School are winning games with a trick that is made possible by the forward pass. The end man sneaks off the field and lies in the grass unnoticed well towards the enemy's goal to receive a long off-side throw that is legal across the line. The weakness in the trick is the probability of noticing the player.

The British Columbia Amateur Athletic Association announces a willingness to affiliate with the C.A.A.U. for the very good reason of added strength. Secretary Boake stated that he considered that the backing of that organization would prove extremely useful in governing athletic matters in British Columbia.

Ottawa is having some hunt races on Saturday, and Toronto will be represented by the long-shot, Bathbrick, that has qualified to local hounds and is now owned by the Messrs. Gorman. Lady Gore was also shipped east yesterday, and the two will winter at the capital.

Our Chatham despatch indicates that the races are not finishing up this week. There is also to be some running on the Chatham track.

Big Bill Dineen, the old Toronto pitcher, and this year with the St. Louis Browns, is the champion dope upsetter of the world. He beat Cleveland out of the pennant more than anything else this season. Dineen has a habit of winning important games. He's the man that put the Pittsburg Pirates down and out in the world's series of 1903. In 1904 he pitched Boston into the American League championship by defeating New York, Boston's contender, on the last day.

George Stallings, who floated from Buffalo to Newark and has just been signed to manage the New York Americans, is having trouble about settling down in his new chair.

Frank Farrell, owner of the New York Americans, has issued the following statement: "In reference to newspaper stories to the effect that obstacles may be thrown in my way relative to signing George H. Stallings to manage the New York Americans next season, I desire to say that while Mr. Stallings has not signed a contract with my club there is nothing to prevent his doing so. So far as I know there is no opposition on the American League to Mr. Stallings, and stories to the effect that he is being opposed by President Johnson are without foundation and detrimental to his reputation."

Ban Johnson, when in Detroit, refused to be interviewed on the Stallings-Farrell question, and it was remarked that his silence might be taken as significant. It was, and he has broken it now to say that as long as he runs the American League there won't be a Stallings in it. Farrell declares he'll stick to George, and that it is none of Ban's business who manages the New York Americans. And that is how the situation is at present writing.

Tim Hurst, the chesty little veteran of the American League umpiracal staff, went up to his father's home in Ashland, Pa., a few weeks ago to call on his dad.

"Begorra," said his father, "I wisht yez had been up here last wake. We had a gr-a-nd cock-fight."

"Is that so?" asked Tim. "Whose birds were fighting?"

"Schmidt's and Kinally's," said the father. "Oi felt sorry for Kinally. Schmidt has thim Maryland blackhacle cocks, an' sure I knowd he'd whip Kinally—an' he did, he did."

"Well, I suppose you won a nice little bet, father?" asked Tim.

"Shure, no—I lost me money."

"How was that if you knew Schmidt would win?" asked Tim.

"Timmy, Oi'm s'prized at yez. Me bet against Kinally's chickens, an' him a second cousin of yer Aunt Mary's?"

More Money for the Giants.

NEW YORK, Oct. 22.—John T. Brush, president of the New York National League Baseball Club, has decided to give the club's share of the receipts from the last New York-Chicago game to his players as a mark of his appreciation for the good fight they made to bring the championship to this city. The amount was $10,000, and this, added to the receipts from one exhibition game and the benefit at the Academy of Music on Sunday, makes a large fund, which will be divided among the players, the regulars getting the lion's share. This means that the Giants will get a bonus that will make up for the loss of the world's championship series and make them feel that their long, hard fight was fully appreciated by the management as well as by the fans.

Sammy Mellor Wins Marathon.

NEW YORK, Oct. 22.—Samuel H. Mellor jr., running in the colors of the Mercury Athletic Club of Yonkers, won the fifteen-mile Marathon race, over a course laid out around Newark, yesterday, in 1 hour 41 minutes. Second in the big field of 107 starters was John J. Daly of the Irish-American Athletic Club, the ten-mile national champion. Mellor was 3 minutes ahead of Daly, and the latter finished the distance a minute and one-half before the third man, James Clark of the Xavier Athletic Association of New York. An enormous crowd saw the race at various stages, many thousands being massed at the starting point. James E. Sullivan, president of the Amateur Athletic Union, was the referee, and Mayor Haussling of Newark was one of the judges. Before the race John J. Hayes, who won the Marathon race at the Olympic games, gave an exhibition one mile run.

FISH A SACRIFICE TO FIRES.

MALON, N. Y., Oct. 22.—Sportsmen have just discovered that the forest fires in the Adirondacks have worked havoc among the trout with which many streams thruout the burned section are well stocked. Thousands of dead trout have been found in the bottoms and along the edges of the streams, and it is believed they have been killed by impurities in the water caused by ashes or smoke.

Preparing for Big Bowling Tourney.

Mr. W. V. Thompson, ex-champion bowler of Chicago, is certainly very enthusiastic over the prospects for a great international bowling tournament at Pittsburg, Pa., this season. He has been traveling a great deal of late and is in touch with what is going on in the bowling world in all of the principal cities thruout the country.

In an interview Mr. Thompson stated that there is no question but what the Pittsburg event will show a large increase in the number of entries, and he is of the opinion that they will have 450 or 500 five-men teams. Last season at Cincinnati there were 361 five-men teams, 783 two-men teams and 1469 individuals. From present indications the cast will be well represented at Pittsburg, and the following estimate shows what cities are expected to enter and with how many teams:

—Five-Men Teams—

Pittsburg and Pennsylvania	200
Washington, D.C.	8
Baltimore, Md.	6
Wheeling, W.V.	10
New York State, including Greater New York	26

The Pittsburg Tournament Association has prepared a very attractive poster, which will be mailed to all alleys, clubs, etc., on or about Nov. 5, 1908.

Andrews Did Not Ride.

Walt. Andrews did not ride to break the unpaced bicycle road record from Hamilton to Toronto yesterday, Andrews could not get away from business. He will try the ride on Saturday if the trustees can arrange to make room for him. There are already two entries for Saturday. Golden will ride in the forenoon and Rogers in the afternoon. Andrews would like to start an hour before the time Rogers is timed to leave. The record Vennels has made is not worrying Andrews any. He believes he can do the distance in 2.17. He will be satisfied this season to do the distance in 2.20, but he will put the time down to 2.17, at which figure he believes it will keep all of the best of them busy to beat him.

Bowling Program

The following are the games scheduled in the different leagues to-night:

—Toronto—

Stanleys v. Maple Leafs.

—City, Class B—

Orr Bros v. Gren. Sergeants.

Sidelights.

The game scheduled last night in the Toronto League between the Americans and Q.O.R. was postponed, owing to the illness of three of the latter team.

The game in the Central League to-night between the Wanderers and the Aberdeens has been postponed.

Anybody who tries to keep track of all the bowling leagues and their records is a candidate for the foolish factory.

Managers who intend releasing any of their players are requested to see MacAllister, Campbell of Cutt's stall-fed athletes, when a copy of how to release a player without injuring his feelings will be seen, signed, sealed, delivered and Framed.

A prominent alley owner tells a good story of how wishing to have a friendly game with a visitor he took his ball from one of the other alleys that a team were practising on, the result being that the whole team switched to another alley in town, and now no more can he say what's yours is mine and what's mine my own.

The Fox Terrier Club will meet to-night at the English Chop House, when all enthusiasts are requested to attend.

Women's Golf Championship.

WASHINGTON, Oct. 22.—The sensational victory of Miss Katherine C. Harley of the Fall River (Mass.) Golf Club over Miss Margaret Curtis, National golf champion, by a score of 3 up and 2 to play, featured to-day's matches in the third round of the women's national golf championship contests on the Chevy Chase links. The defeat of the national champion by Miss Harley, who, as a winner of cups, is practically a novice, was the great surprise of the tournament.

Soccer Notes.

The champion Little York team will meet the champion Varsity team on the Varsity campus on Saturday next at 2 p.m. This should be one of the fastest games of the season, as both teams are in fine fettle. The easterners will line up with Ruse in goal; backs, F. Gilding, Humphrey; halfs, Barkey, Gibbons, J. Dunn; forwards, G. Gilding (captain), R. Dunn, Givens, Galbraith. Referee—Hannah.

What will probably be the best game of the season is to be played next Saturday on High Park grounds at 3.30 p.m., when All Saints C and Bonar come together in the Toronto Football Association junior series. Saturday the game between these teams resulted in a tie—one all—and both teams will be out to win next Saturday. Bonar's line-up will be practically the same as last Saturday, viz.: Goal, McCoskery; backs, Hannah and McPhee; half backs, Skeeles, MacDonald and Padden; forwards, Carter, F. Wilding, McLaughlin, Lang, Pengelly or W. Wilding.

The British United Seniors will play Don Valley a league game at Chester on Saturday. Kick-off at 3. The following will represent the British Uniteds: Harding, Goodman, Tuckwell, Waller, Partridge, Hawkins, Partridge, Atherley, Mountain, Winstone, MHumphrey, McPhee and Baker.

AFTER CHARLIE CARR.

TOLEDO, O., Oct. 22.—(Special).—Charlie Carr, the popular manager of the Indianapolis club of the American Association, whose team won the pennant the past season, has received an offer to manage the Rochster club of the Eastern League. Carr's contract with the Indianapolis club expired with this season, and he is free to sign with whom he pleases. It is learned here, however, on the highest authority that Carr will not accept the offer, and next year will again be seen in the American Association at the head of the Hoosiers. The Cleveland team of the American League, it is learned, have also started negotiations with Carr. They desire his services at first. Carr, however, in a letter to friends, states that while he appreciates these offers, he can do better for himself by remaining in the American Association.

TECUMSEHS WOULD PLAY

New Westminster for Minto Cup Next May—Regina Also Challenges.

OTTAWA, Oct 22.—The challenge of the Tecumseh lacrosse champions of the N. L.U. has been accepted by the Minto Cup trustees, and also the challenge of the Capitals of Regina, champions of the Western Canada Lacrosse Association.

The Tecumsehs' challenge was in first, and therefore they will have the first crack at the New Westminster team, but the Regina team must also be accommodated just as soon as possible after the games with the Indians. The trustees have ordered the New Westminster team to be ready to defend the cup early next season.

The Tecumsehs want to play a series of games, best two out of three, in the month of May, 1909. Charlie Querrie says that it would be impossible to play during the N.L.U. season, which commences in June and continues until September.

The Capital Lacrosse Club of Regina challenge as champions of the Western Canada Lacrosse Association for the seasons of 1907 and 1908. They are at present holders of the Drewry Cup as champions of the W.C.L.A., and also Chipman Cup, emblematic of the championship of the Middle Western States and Western Canada.

Kentucky Racing Situation.

LEXINGTON, Ky., Oct. 22.—The racing situation in Kentucky assumed a more chaotic condition yesterday when the state racing commission held another meeting and passed a resolution warning all trainers, jockeys and apprentices that further participation in the meeting now on at Latonia would result in them, too, being placed under the ban by the commission and outlawed from further operations on the tracks under the jurisdiction of the commission.

As a result following this drastic action, Jack P. Chinn, chairman of the commission, went at once to Frankfort with a signed communication from the commissioners to present to Governor Willson. It is said the commission as a whole called upon the governor to use the power of the state to stop bookmaking at Latonia, and it is feared that before the week ends, if the Latonia management persists in violating the rules of the commission, state troops will patrol the grounds and arrest bookmakers and speculators alike.

Governor Willson and Acting Governor Cox are on record as saying they will invoke the power of the militia to carry out the rulings of the racing commission.

The action of the commission to-day in placing a ban on the trainers and jockeys, which was wired to the track, resulted in a number reaching here last night, and declaring they were ready to quit until conditions changed materially in Kentucky.

ITALIANS PLEDGE FOR BRISTOL

Assure Conservative Candidate of Their Support at St. George's Hall.

Altho it had been announced that Edmund Bristol would not make any public addresses yesterday or last night on account of a temporary indisposition, he turned up at an Italian meeting in St. George's Hall in the evening and was given a very enthusiastic hearing. Thos. Hook, chairman of Ward 3 Conservative Association, presided, and endeavored to excuse Mr. Bristol from speaking, but the audience would not hear to it, and the candidate obliged them.

H. A. Castrucci very warmly resented the statements that Mr. Bristol's opponents were making to the effect that his firm, Bristol & Armour, had cleared up the Giannetti estate and were withholding the dividends from deceased's creditors. The speaker produced documents, duly attested and sworn to, showing that "Messrs. Bristol and Armour have not received a dollar on account of their law court costs, and they will not receive any until the creditors are paid their dividends."

Del Cordi reversed the impression that was scattered amongst the Italian electors by Liberal workers to the effect that Mr. Bristol had stated he would, if elected, stop Italian immigration to Canada. Mr. Bristol was in favor of Italian immigration, but he would see to it that the lid was closed on the importation of diseased demented immigrants of any nationality. At the conclusion of these arguments, several Italian voters confessed they had been misled regarding Mr. Bristol, and pledged themselves upon the floor of the auditorium to support the Conservative candidate and to turn their influence to this end.

At the close of the meeting, when all but three had left the hall, two Liberal workers came rushing in and asked what the meeting was about. When they learned its purport they offered odds of two to one that Bristol wouldn't get 100 Italian votes. The intruders were very politely told by H. A. Costrucci that Mr. Bristol was not running a fiscal campaign, but was going to be elected on the purest endeavor and he had plenty of Italian supporters who had not just dropped into the city with the expectancy of voting without even being naturalized, to accomplish this end.

TAYLOR HAS BIG MEETING.

GANANOQUE, Ont., Oct. 22.—The Conservatives of Gananoque and surrounding district held the first public meeting of the campaign in the Grand Opera House here to-night in the interest of Candidate George Taylor. The opera house was crowded. The front seats and boxes were occupied by ladies only. J. B. McMurchy, president of the local association, occupied the chair. J. R. Dargavel, M.L.A., and Wm. Nickle, M.L.A., were among the speakers.

BIG FOUR GOVERNORS TO MEET HERE TO-DAY

Question Whether Ryan Is a Pro or Not Will Be Decided—A Tiger Hurt.

The Interprovincial board of governors will meet at the Queen's here to-day to discuss the Ryan affair. Mr. T. P. Galt, the fifth member of the board, having returned from the west.

Argonauts did not suggest any officials for to-morrow's game at Ottawa, preferring to leave the appointment to President Molson.

Either Dr. Hendry or Jack Last will be referee in to-morrow's game at Hamilton between Montreal and Tigers, while Phil McKenzie will be umpire.

Manager Fred Thompson of the Argonauts has uncovered a new man, Norcoss by name, formerly American College player, and, from all reports, a good one and should strengthen the wing.

The Capitals and Eurekas will furnish a lively contest at Trinity College to-morrow at 2.45 in the Junior O.R.F.U. series.

The Argonauts leave to-night for Ottawa on the 10 o'clock C.P.R. train. The team will be picked from the following: Backs, Taylor, Levack, White, M. Kent, A. Kent; quarter, Newport; scrimmage, Lane, Russell, Wood; wings—Inside, Thompson, Taylor; middle, Sinclair, Barber; outside, Toms, Parker or Norcross; spares, Ferguson, Grant, Minns.

This seems to be the Tigers' unlucky season, another member of the team being added to the hospital list last night, when Charles Parke, one of the scrimmage men, snapped a tendon in his left foot and had to be taken to the hospital. The chances are that he will be out of the game all season.

TELLS OF TRUST METHODS

Former Agent of Southern Powder Co. Describes "Freeze Out" Operations.

NEW YORK, Oct. 22.—Methods alleged to have been employed by the so-called powder trust to gain control of the powder trade in the United States were described by R. S. Waddell, former general sales agent in the United States for the big powder company, at to-day's session of the hearing in the government's suit against the company for alleged violation of the Sherman Anti-Trust Law. He had declared that the defendant company now controls between 95 and 96 per cent. of the trade in gunpowder and 90 per cent. of the trade in blasting powder. To-day he told of the formation and subsequent absorption of the Southern Powder Company.

"We went right after the Southern as soon as they entered the market," said he. "The fight continued until the general round up in July, 1896."

Mr. Waddell said that the Southern Powder Company was organized in Birmingham, Ala., and its business was restricted to Birmingham and vicinity.

"We got freight rates systematized on all the railroads out of Birmingham, and fixed those rates so that powder could never net more than 70 cents per keg, very close to or less than the cost, and then awaited developments," continued Mr. Waddell.

"How long did you have to wait?" asked Mr. Scarlett.

"It was perhaps a year before they died," replied the witness.

He said the total sales of powder of the pool in 1892 were 3,800,000 kegs, while the independents sold less than 200,000 kegs.

WARSHIPS AS ESCORT.

Duke of Abruzzi and American Bride Accorded Regal Honors by Italy.

ROME, Oct. 22.—The Italian cruiser Fieramosca has been ordered to await the Dupe of Abruzzi at New York, whither the cruiser Etruria also will be despatched. It is understood that the two warships will escort the duke and his bride to Italy. The statement is made also that no members of the Elkins family will attend the official ceremony of the transcription of the marriage deed in Rome and that when Senator Elkins visits Italy later he will be given the title of Chevalier of Annunciade.

The cruiser Fieramosca is at present in New York waters, having arrived there Saturday night from Bridgeport, where she participated in the Columbus Day celebration. It was expected that the cruiser would go to the West Indies.

CAMPAIGN PARTY "STALLED."

WINDSOR, Oct. 22.—(Special).—Hon. Speaker Sutherland and a party of Liberal speakers were stalled in Maidstone last night by reason of a special car failing to make connections. They had to catch a freight train, which did not reach Windsor until daylight.
