ON the 5th inst. Rev. Mr. Ballantyne was inducted into the pastoral charge of Walton, Ont., vacant for nearly a year.

ON the 11th inst. the dwelling-house of Rev. Wm. Reeve, Gravenhurst, one of our retired ministers, was destroyed by fire.

HANDY TO HAVE.

The most useful medicine you can have in the household is Hagyard's Yellow Oil. It cures rheumatism, neuralgia, sore throat, aches, sprains, bruises, burns, and all external or internal painful conditions. Keep it at hand for ready use.

A MODERN MIRACLE.

In a recent letter from R. W. Dowson, of Deloraine, Ont., he states that he has recovered from the worst form of dyspepsia, after suffering for fifteen years; and when a council of doctors pronounced him incurable, he tried Burdock's Blood Bitters, six bottles of which restored his health.

THE Knox College Students' Missionary Society held its first regular monthly meeting for the session 1886-7 on Wednesday evening, the 13th inst. The following gentlemen were elected officers of the society: President, John McGillivray, B.A.; 1st Vice-President, Jonathan Goforth; 2nd Vice-President, A. J. McLeod, B.A.; Recording Sec., D. McKenzie, B.A.; Corresponding Sec., T. R. Shearer, B.A.; Sec. of Committee, J. C. Tolmie, B.A.; Treasurer, J. G. Shearer; Councillors, Messrs. Perrie, Clark, Bloodsworth, Scott and Rae. Encouraging reports of work done during the past summer in the mission field were read by D. G. McQueen, B.A., A. E. Mitchell and N. O. Talling. The President and Mr. J. Goforth were appointed delegates to the inter-seminary convention to be held in Montreal from the 28th to the 31st of this month. The Society decided to supply with services during the session Coboconk, Waubashene and Mud Lake—three of the fields occupied during the past summer, and Messrs. Perrie, Glassford, and Gilchrist were appointed bishops to obtain regular supply for these stations. In the city the work carried on during previous years will be continued, and the following gentlemen were chosen as bishops of the various departments:—Mr. A. G. Jansen for Hospital for Sick Children; Mr. P. J. Pettinger for Old Women's Home; Mr. G. W. Logie for Central Prison; Mr. P. Foran for the Jail.

DR. CARSON'S CATARRH CURE is no longer an experiment. No cure no pay is the terms on which it is sold. Money refunded if medicine not satisfactory. Ask your Druggist about it, then buy it and take no other.

Don't use any more nauseous purgatives such as Pills, salts, &c., when you can get in DR. CARSON'S STOMACH BITTERS, a medicine that moves the bowels gently, cleansing all impurities from the system, and rendering the blood pure and cool. Great Spring Medicine. 50 cents.

VICE-PRESIDENTS.

Being at all times anxious to meet the wants of the Insuring Public, in any way that experience and caution recommend as desirable, the Directors are much gratified to find that the Company's Commercial plan, as approved during the latter part of the year, has been largely appreciated and adopted by insurers. The regular cost, after admission, for a Commercial Policy, is only $3 a year per $1000 for expenses, and at ages 31 to 35, $2.05 a quarter, payable on fixed quarter days, named in the policy, making the total cost $11.20 for a policy of $1000, or $112 for a policy of $10,000. The usual level premium for a $10,000 Policy at age 30 is $177, and at age 35 $203.80, more than double that of the Commercial Plan. During the years of life in which life insurance is especially needed, the cost on this plan will be only about one-half that of the ordinary plans, or for the same payment double the amount of insurance can be obtained on the Commercial Plan.

No extra charge is made by this Company on the premiums on its Tontine or semi-Tontine Policies, but the premiums are the same as on its like ordinary policies. The investment feature of Tontine insurance has induced thousands of young men to take out policies who have no need of insurance of any other form. It offers an investment that is far better than a savings bank fund, inasmuch as once begun there is not half the likelihood of a failure to keep up the contract as there would be if the money was accessible at any time. More than this, it inculcates a habit of saving that will be of it estimable benefit to every young man in his early training. Full information furnished on application to
