Finance Notes.

Money is easy in New York and London. At the Stock Exchange in New York call loans are 2½ to 3 per cent. In London bankers' balances were 2 to 2½ per cent., and discounts in open market 2⅞ per cent.

The New York bank statement is not as unfavorable as had been anticipated. The reserve decreased only $735,200 during the past week, and the surplus is now $9,052,375 as compared with $3,416,425 at the corresponding date of last year, and $6,695,975 in 1889.

At Toronto there is little change in the condition of the market. The demand is not very active, and loans are report at the rates of last week. On prime collateral, call money can be had at 5 per cent, and in other cases 5½ per cent. is quoted. The tendency is towards greater ease.

MONTREAL.

MONTREAL, Q., March 23.—About 1,000 head of butchers' cattle, 35 calves and 40 spring lambs offered at the east end abattoir to-day. The butchers were slow to begin operations, but towards 11 o'clock trade became quite brisk, and for some time there was some difficulty in getting the cattle weighed fast enough. Prices of anything not very prime were lower than last week; extra beeves sold at from 5c to 5½c, and first-class animals at about 4½c per lb, with the rougher beasts down to 3½c, but trade was slow in everything but prime animals; 5 extra beeves sold at 5½c per lb and 20 prime animals at 4½c per lb. The best calves were bought up before reaching the market to-day, as there is a very brisk demand for good veals; 6 good calves, to be delivered in a few days, sold for $72. Fifteen superior sheep, yearlings, sold at 6c per lb live weight, and five good spring lambs at $7 each. A good many spring lambs offered here to-day, which were much too small, and some of them would scarcely bring $3; fat hogs are plentiful, and sell in large lots at from 5c to 5½c per lb, but a few choice porkers sold up to 6c do.

EAST BUFFALO.

EAST BUFFALO, N. Y., March 22.—Cattle—135 cars on sale; market opened with an active demand, and prices fully 10c to 15c stronger, as a rule, for all kinds except common. The attendance of out-of-town buyers was large. The bulk of the offerings were sold early, and feeling toward the close was firmer, while the demand for good handy steers was unsatisfied, but few here. Good to extra ranged at $5 25 to $5 60, while good shippers of 1,150 to 1,275 lbs ranged from $4 90 to $5 20, and good handy butchers and medium steers brought $4 60 to $4 85; light to good butchers', $4 40 to $4 50; good mixed butchers', such as cows, heifers and light steers $3 40 to $4 10; good heifers sold readily at $3 75 to $4; oxen were in liberal supply, and ranged from $3 25 to $4 25; bulls were about steady; good to choice heavy lots, $3 50 to $3 75; fair to good, $3 to $3 25. The demand for stockers and feeders was limited, and the supply light, buyers preferring feeders as a rule; stockers, light to good, $2 75 to $3 15; feeders, $3 25 to $3 50. There was a moderate supply of cows and springers, with a light demand; best cows are quoted at $30 to $36; extra fine family cows, $45. The veal market was nominal and unchanged; good calves were quoted at $4 50 to $5 50.

Sheep and lambs—Seventy-two cars on sale. The market opened with a very light demand, and prices in consequence all of 10c to 15c per cwt. lower as a general thing on lambs in some cases, and a number were held over. Sheep closed as follows: Choice to extra, $5 85 to $6 15; good to choice, $5 25 to $5 75; common to fair, $4 25 to $5; choice to extra lambs sold at $6 60 to $7; good to choice, $6 to $6 50; common to fair, $5 to $5 75.

Hogs—Sixty-five cars on sale; the demand for all kinds of hogs was active, and the market ruled fully 10c higher; good to choice Yorkers sold at $4 45 to $4 50; light lots, $4 35 to $4 40; good mediums, $4 45 to $4 50; a few choice heavy, $4 55 to $4 60; pigs, $4 to $4 20; roughs, $3 50 to $3 90; stags, $2 50 to $3 25.

Petrolea Oil Market.

PETROLEA, March 23.—Oil to-day, $1 36¼.

LONDON AND ENVIRONS.

—The Art School will reopen on Monday next in the Mechanics' Institute.

—The customary Palm Sunday services were held in the Roman Catholic churches Sunday.

—George Minhinnick, of Petrolea, charged with impersonation, has been admitted to bail by Squire Jarvis.

—Evangelist Crombie preached a very acceptable sermon in King Street Presbyterian Church Sunday morning.

—The petitions of the Women's Christian Temperance Union for the enfranchisement of women are being largely signed in this city.

—Mr. James Fox, formerly G. T. R. conductor on the Sarnia branch, died suddenly at his residence on Grey street Sunday morning. Death resulted from a stroke of paralysis.

—The Ministerial Association met yesterday and appointed a committee to take action on the Springhill (N.S.) disaster. A paper will be prepared on the Sunday funeral question.

—The launching of the steamer "Joe Milton" will take place at Port Stanley Saturday next at 4:15 p.m. sharp. Arrangements are being made with the G. T. R. for reduced rates from London and St. Thomas, of which due notice will be given later.

—The Christ Church Guild has elected the following officers: Honorary president, Rev. Canon Smith; president, Mr. W. B. Minhinnick; first vice-president, Mr. A. F. Wicks; second vice-president, Mr. Geo. Brown; third vice-president, Mr. A. E. Welch; recording secretary, Mr. F. Cousins; financial secretary, Mr. J. T. O'Brien; treasurer, Mr. T. Parkinson; marshal, Mr. F. A. Ackert; guard, Mr. Geo. Loney.

—James Ryan and his garrulous wife Hannah affored a great deal of amusement to a large crowd of spectators at the Police Court yesterday. Drunk and fighting was the charge registered against them. The woman was evidently the aggressive party as her spouse when found had a disfigured countenance and his head wrapped in a towel. On being questioned Mrs. Ryan broke into a torrent of vituperation in the richest brogue, which the interpositions of the magistrate had not the slightest effect in stopping. A fine of $5 or twenty days was imposed, as it was by no means the first offense.

He Will Die.

Inquiries were made yesterday regarding the condition of Frank Jannison, who was crushed by a locomotive at the G. T. R. roundhouse Saturday morning. He is reported to have no chance of recovering. His life is limited to a day or two.

Murray Lodged in London Jail.

Robert Murray, the Strathroy man charged with murdering William O. Rowe, was brought to London yesterday and lodged in the county jail. He was in charge of Constable Wilson, of Strathroy, and was not handcuffed. His father accompanied him, and the two followed the constable from the station to the jail. Murray was quite a favorite in Strathroy, and Squire Noble wanted to admit him to bail, but Crown Attorney McKillop would not consent to such a proceeding. Murray will be taken back to Strathroy on Wednesday in time for the coroner's inquest.

Death of Mr. Joseph H. Elliott.

Mr. Joseph H. Elliott died at his residence Saturday evening. Mr. Elliott was born in Coventry, England, in 1830 and came to this country in 1862. Mr. Elliott was a member of St. George's Society and of St. George's Lodge, No. 42, A. F. and A. M. He was buried with Masonic honors yesterday afternoon.

THE WORKING WORLD.

CHICAGO, March 23.—The conference committees representing the Carpenters' and the Carpenters and Builders' Association came to an understanding Saturday night after being in session four days. The agreement signed says that the Joint Committee on Arbitration shall act as a board of arbitration and shall finally decide all questions submitted. Each association is to elect a standing committee, to serve for two years, to establish a minimum rate of wages and adjust all questions of interest. The work will be eight hours, and the pay will be by the hour, the minimum rate of wages being 35 cents per hour for the first two years.

Mighty Words of Truth.

A Persian poet has said: "There is not a single dispensation of Providence which, if properly viewed, will not afford an excellent lesson. Never repine at the good fortune of others, for many are there who wish to be raised to your station."

You may not possess fame, wealth, position or honor in the world, but Providence may have bestowed upon you health, happiness and contentment, which the wealthy and those of high position, wealth and fame generally have themselves to blame for any lack of health and contentment. In the hurry and worry after gold, fame and honor, their health is neglected, and ailments and troubles brought on which endanger and shorten life. They are victims of nervousness, insomnia, irritability, headache, morbidness, bad circulation and dyspepsia in its worst forms. For them there is no royal pathway to health; they must take the same simple, yet effectual remedy which their less favored fellows use—Paine's Celery Compound. It is a universal and infallible remedy, and will benefit all who use it. Reader, if you are one of the wealthy and noted in your community and long for health, joy and happiness, Paine's Celery Compound will give it. This remarkable preparation is as necessary for your troubles as is the rain for the dry and parched fields of the farmer.

When she became Miss, she clung to Castoria.
