ANNEXATION IDEA STRONG IN HAMILTON

Property Owners South of Aberdeen Ave. and Garth St. Want to Come In.

HAMILTON, Nov. 26.—(Special.)—The property owners in the district south of Aberdeen-avenue, south of Garth-street as far west as the golf links, are circulating a petition to be annexed to the city. Among other things they want a sewer system. It was agreed to submit a bylaw to the ratepayers next January for $65,000, of which $36,000 will be needed to complete the east end sewer system and the remainder for extending the Catherine-street and Ferguson-avenue sewers to the revetment wall.

Too Many in Asylum.

Mayor Stewart told the finance committee this afternoon that there were many people incarcerated in the Hamilton Asylum who should be in the House of Refuge. Ald. Evans charged that these people had been put into that institution thru the jockeying of the doctors. No action was taken, altho the opinion was expressed that all the unfortunates who were wrongfully detained in the asylum should be removed to the House of Refuge. The number of polling divisions for municipal election purposes was cut down from 79 to 61.

Mrs. Hammond, mother of J. W. Hammond, the liveryman, died this afternoon at her residence, 8 Augusta-street.

Freeze Out Game.

The majority and minority shareholders of the Grant Spring Brewing Co. had a lively time at the annual meeting yesterday. No dividends have been declared for ten years, altho this year the minority people claim there was $24,000 that should have been used for that purpose. They claim that the directors are trying to freeze them out and that they are using up the profits in directors fees and buying stock in the Hamilton Brewing Association. It is probable that the matter will be aired in the courts.

Ald. Bailey Entertains.

Ald. Bailey, chairman of the finance committee, this evening entertained his committee and some of the civic officials at a dinner at the Royal Hotel and a theatre party at the Savoy.

Can't Bluff Mayor.

Because the board of works did not pass a bylaw last night allowing the Cataract Railways access to the barns, the company is building, the company this morning stopped the work, and threw some 130 laborers out of employment. The laborers paraded the streets with a placard saying that the action of the council had thrown 400 men out of work. Mayor Stewart, Ald. McLaren and other members of the council said that such tactics would not stampede them.

Adam Hope, second son of the late Senator Adam Hope, died last night.

The funeral of the late H. P. Coburn will be held Saturday afternoon at 3 o'clock.

A son of Mrs. McMann, who is confined in the Hamilton asylum, and whose case is being investigated by Police Magistrate Jelfs, waited upon the magistrate this morning, and declared that his mother was perfectly sane, but was in a rundown and nervous condition.

It is said that the Hamilton and Dundas Railway will be double-tracked next year.

Tom Daly, the boxer, has given his lawyers instruction to proceed against The Hamilton Spectator for alleged libel. He complains of the article for which F. C. Mills of The Times took action.

Shoplifter's New Trick.

Lettie Hatley pulled off a new stunt in the shoplifting line Wednesday morning when she stole a silk blouse and then turned it in at the exchange office and drew the price, five dollars. But she did it early in the morning and as it happened that there were just two of the garments in stock and as no sale of that size had been made at the counter at that time the trick was discovered.

Yesterday morning she was arrested by Detective Murray.

Fred Campbell, the prospector, charged with receiving stolen ore from Cobalt, was sent back to Haileybury.

Only a Common Cold

BUT IT BECOMES A SERIOUS MATTER IF NEGLECTED.

Pneumonia, Bronchitis, Asthma, Catarrh or Consumption is the result. Get rid of it at once by taking Dr. Wood's Norway Pine Syrup.

Obstinate coughs yield to its grateful soothing action, and in the racking, persistent cough, often present in Consumptive cases, it gives prompt and sure relief. In Asthma and Bronchitis it is a successful remedy, rendering breathing easy and natural, enabling the sufferer to enjoy refreshing sleep and often affecting a permanent cure.

Mrs. Henry Smallpiece, Brudenell, Ont., writes:—"I was always subject to a cough and could get nothing to relieve me until I saw an advertisement of Dr. Wood's Norway Pine Syrup and thought I would try a bottle, and when I had taken a few doses I found I was getting relief, and when I had finished it I was cured. I procured a bottle for my baby, who had a cough, and a few doses cured him. I would advise anyone having a cough, to give Dr. Wood's Norway Pine Syrup a trial and I am sure they will never be without it."

Dr. Wood's Norway Pine Syrup 25 cts. per bottle at all dealers. Put up in yellow wrapper, and three pine trees the trade mark. Refuse substitutes. There is only one Norway Pine Syrup and that one is "Dr. Wood's."

At the Princess.

Italian Grand Opera.

Yesterday night Ivan Abramson's Italian Grand Opera Co. opened a brief series of four performances at the Princess Theatre. The opera presented was Verdi's Aida, a work demanding for its satisfactory performance a very high standard of excellence in histrionic no less than in musical ability. It was unfortunate that a larger audience was not attracted, but what was lacking in numbers was compensated by the enthusiastic approval accorded the efforts of the artists, for Mr. Abramson's company is an admirable and well balanced operatic organization, that proved itself fully equal to the call made upon it. No better Italian opera aggregation has been seen in Toronto and it is seldom that the musical public has so favorable an opportunity as that now offered, and it is certain that those who attend will not be disappointed.

The leading role of Aida was taken by Mme. Helene Therry, whose voice is a soprano of exceptional range and remarkable dramatic quality. Mme. Therry is also an actress of real power and her great scenes were given with immense effect. Mlle. G. Strauss, who took the part of Amneris, is a mezzo-soprano, pure and rich in tone, who also exhibited marked dramatic talent and well deserved the appreciation she received. Mlle. M. Bossi, as the priestess, also sang with fine expression. N. Barl as Radames shared in the success achieved. He has a robust but free tenor of good range that met the requirements of the part to satisfaction. A. Pacini in the role of Amonasro, G. Lamer as the High Priest and D. Dragoni as the King, maintained the general excellence. The orchestra, under the leadership of A. Fornori, deserve warm praise, as did the chorus, which was thoroly trained and sang with force and expression. To-night Donizetti's Lucia de Lammermoor will be given and will be followed by Il Travatore at the Saturday matinee, while the engagement will conclude with the ever popular Quality. New artists will appear in these presentations.

The recital by the famous Kneisel Quartet is one of the red-letter occasions in the season's musical calender, thanks of the Women's Musical Club. The program to be given this evening in Conservatory Hall, beginning at 8.30, is as follows: Haydn, quartet in E flat major; Beethoven, quartet in C major; Claude Debussy, two movements from quartet in G minor; Greig, unfinished quartet in F major.

BUSINESS IN THE CITIES.

How They Draw the Best Business From the Towns Adjoining.

HAMILTON, Nov. 17.—"Yesterday I had a delegation of three young men from Brantford asking me why we did not open a Semi-ready Wardrobe in their city," said Joseph McClung, proprietor of the Semi-ready store on James-street. "They showed their sincerity by purchasing three suits and an overcoat, and emphasized the impossibility of getting such good clothes in their own town."

Mr. McClung says that he has customers come from all the towns adjacent to Hamilton, and that a big percentage of their business in the Toronto Semi-ready store is with the best-dressed young men in the provincial towns. Merchants in the towns adjoining Toronto say they can make more money selling ready-made clothing, but they lose sight of their loss of business with the gentlemen who want and will have something better. These men buy in the cities, and their trade is lost to their town.

Merchant tailors in the towns say they can make clothes cheaper than semi-ready tailoring, and point to Semi-ready high-priced suits at $30 and $35, but they do not compare theirs with the Semi-ready suits at $15, $18 and $20. The Semi-ready Company, as wholesale tailors, claim that their suits save the buyer from $5 to $15 when the quality, style and tailoring is taken into consideration.

DUFFERIN PARK BOOKIES SUMMONED TO POLICE COURT

In court yesterday Thomas and John Hare, Fred Allen and Michael Slack were charged with conducting "a common gaming house" in connection with the racing at Dufferin Park. H. H. Dewart, K.C., secured a remand until Tuesday.

Inspector Archibald says information has been secured to define the word "place" so as to overcome the technicality which quashed the Woodbine track prosecution.

Sons of England Banquet.

St. George's Lodge, No. 27, S. O. E. B.S., held their annual dinner at the Rooyad Canadian Hotel last night. Mayor Oliver, Joseph Russell, M.P.-elect, Controllers Harrison and Hocken, Ald. Geary, Rawlinson, Church, ex-Ald. Davis and A. Chamberlain, president of the British Welcome League, were present. Dr. Norman Allen was in the chair.

Welsh Beat Attell.

LOS ANGELES, Nov. 26.—Abe Attell, the fast and undefeated featherweight champion of the world, met more than his match last night in Freddie Welsh, the English lightweight champion. Welsh showed himself to be a clever man. His boxing, foot work, generalship, defensive tactics were superb and Attell never had a chance from the beginning. The doughty little champion seemed to lack confidence. His blows lacked vigor and his generalship was not up to his standard. While he fought bravely on the defensive and rallied frequently against the lead of his opponent, Attell was not able to make a sufficient showing at any time to place the result of the fight in doubt. Welsh led with both hands with unerring precision. There was much infighting and in this alone did Attell show to advantage. Attell said after the fight that he had given away too much weight to his opponent. He also alleged that an injury to his hand, received in training, interfered with his work. The betting was 10 to 8 on Attell, who lost the decision at the end of the 15th round.

Wrestling Match Arranged.

Last night final arrangements were made for a wrestling match between Artie Edmunds and Young Roeber of New York for the lightweight championship of Canada. The match is for $250 a side, and will be the best three falls in five, a novelty in its way, inasmuch as most bouts are decided two falls in three. The championship will be decided at the Labor Temple on the night of Tuesday, Dec. 8. Three crackerjack preliminaries will precede the main affair, and one of the best athletic nights of the season is promised.
