BAR ASSOCIATION ASKS REFORMS

Want Some of the Damage Cases Transferred From the Jurors to the Judges.

Toronto, Feb. 3.—The Ontario Bar Association waited on the Ontario Government yesterday in regard to the proposed measure for law reform. Perhaps their most important request was that actons for damages for negligence should be taken out of the hands of juries. It was maintained that it was too easy to work on sympathies of juries.

In regard to appeals, they do not want any change from the present law.

F. E. Hodgins, K.C., who introduced the deputation, said that the bar would prefer a final court of three judges sitting constantly, and with plenty of time to consult together and consider cases.

Hon. J. J. Foy said it was quite clear some matters had to be remedied, and there was something not quite right about appeals. What should be done he would not say, as it must be introduced by legislation. He was glad to have the views of all classes, and they would be digested. The Government would introduce a measure putting things on a proper basis, making delays less, and more satisfactory for the public.

The mere fact that the speakers had suggested a commission showed that the question was thought to be difficult. He himself did not think a commission necessary.

Premier Whitney said that there was no excited demand for reform on the homes of the Province. Litigation had decreased, and it was not felt to be a crying event.

SWINE BREEDERS IN CONVENTION

Thinks That Duty on American Pork Should Be Increased.

Toronto, Feb. 3. — At the Dominion Swine Breeders' Association's annual meeting today a general demand for an increased tariff on hogs was made, the feeling being expressed that the present duty was far too low in comparison with the duty on the same article shipped to the United States. The Americans held the high and controlling hand in this matter.

"At the present time the duty on cured pork coming into Canada is two cents a pound," stated Mr. D. C. Flatt, president, who presided, "and on the other hand, if the Canadians wish to ship practically the same goods to the other side the duty is five cents a pound.

"Why, one-half of the cured pork consumed in Toronto and also in all the Canadian cities is American meat," he concluded.

All those who spoke were unanimous that the duty should be increased to at least four cents a pound. This, if put into effect, would just double the present tariff.

The executive of the Dominion Association has put the matter before the Dominion Parliament, but no action has as yet been taken. The matter will be pressed, as it was felt that it was the foundation of the Canadian hog industry.

Officers for the ensuing year were elected as follows: President, D. C. Flatt, Millgrove (re-elected by acclamation) vice-president, William Jones, Zenda; secretary-treasurer, A. P. Westervelt, Toronto.

The directors are: W. R. Durham, Toronto; J. E. Brethour, Burford; D. DeCourcy, Bornholm; W. M. Smith, Scotland; George Douglas, Mitchell; Jos. Featherston, Streetsville; R. H. Harding, Thorndale, and Prof. G. E. Day, Guelph.

The representatives to the fair boards are: D. C. Flatt, Millgrove; Samuel Dolson, Alloa; R. O. Morrow, Hilton; R. J. Garbutt, Belleville; Geo. Douglas, Mitchell; R. H. Harding, Thorndale; Prof. G. E. Day, Guelph; G. B. Hood, Guelph; Wm. Jones, Zenda; P. O. Collins, Bowesville; J. C. Smith, Hintonburg, and W. H. McNish, Lyn.

A Kerry cow, the property of a gentleman in County Cavan, gave birth last week to four calves, which were unfortunately dead. Eight months ago the same cow had three calves, all fully developed, but which were also dead. As far as is known, this is a record.
