TRAIN LEAVES TRACK FOUR PERSONS HURT TWO CARS SMASHED

Wabash Train, East-Bound, Strikes Spread Rail Near Cayuga.

(Special to The Advertiser).

CAYUGA, June 14.—Four persons were injured when Wabash train No. 2, eastbound, left the track about three miles west of Nelles Corners about 3:30 this afternoon. One member of the train crew, Baggageman Pat Nevin of Windsor, was badly injured and after medical attention was sent on to his home. Two other railwaymen were slightly hurt and one passenger, a young girl.

A spread rail is believed to have been the cause of the accident. The engine, which was in charge of Engineer W. K. Sanderson of St. Thomas, remained on the track, but the tender and the two following cars, a combination baggage and smoker and a passenger, jumped the rails and turned over, but a Pullman car at the rear of the train remained on the track. There were 37 passengers on board, mostly foreigners. As soon as possible these people were taken back to Jarvis and detoured from there to Hamilton.

The combination car was badly smashed, but the second car escaped more lightly. Conductor Bradley was in charge of the train. Three wrecking crews, St. Thomas, Hamilton and Mount Brydges, are at work on the task of clearing the track and expect to have it in shape by midnight. In the meantime trains are being detoured.

Thomas Doyle of North Cayuga, fractured three ribs when he fell from the water wagon of which he has charge, yesterday. He was employed hauling water to the workers on the provincial highway.

YOUTH ASKS $1,000

Last of Jury Cases, County Court, Being Heard Today.

Tutt vs. Davey & Jones, the last of the jury cases on the county court civil docket, was commenced at the courthouse this morning and will probably last the remainder of the day. Several non-jury cases have yet to be heard.

Roy Tutt, through his next friend, Alfred E. Tutt, is suing J. Davey of Hamilton and George Jones of London for $1,000 for personal injuries. On May 24, he claimed when on the stand today, that he was well over to the right side of Adelaide street, near the G. T. R. crossing, when the defendants, who are truck drivers, knocked him off his bicycle, causing his arm to be broken and other injuries. He says that he is permanently injured, and adds that the defendants were driving wrongfully and negligently.

The defendants deny any negligence on their part, and say that with reasonable care and diligence the plaintiff could have avoided the accident. They say that the statement of claim discloses no cause of action against them.

J. M. McEvoy is acting for Tutt and Meredith & Fisher for the defendants.

PASSENGER ON RIDOUT CAR IS GIVEN SCARE

One of the witnesses in the trial of the Garfield brothers, who were convicted at Woodstock in connection with the killing of Bernard Johnston, was greatly alarmed last night when a window in the street car on which he was a lone passenger, was smashed by some missile, believed by him to be a bullet.

At 10:30 o'clock he was riding homeward on Ridout car No. 104. While the car was proceeding slowly along Dundas street, near Eleanor street, where the car makes a "Y," the glass in one of the windows near which he was sitting was smashed. The sound made, resembled that of a bullet. The ledge of the window was niched.

Conductor R. Penalagan, the passenger says, gave chase to a person who was believed to have been guilty of the damage, but lost sight of him at the rear of an adjacent factory.

According to the passenger the matter was reported to the police.

M'CAFFERY BROTHERS ARE NOW BEING SUED

Crown Witnesses in the Brammer-Mason Case To Again Appear in Court.

Hubert McCaffrey and Joseph McCaffrey, crown witnesses in the Brammer-Mason theft case at the courthouse last week are being sued by Charles John McCaffrey of Mosa Township for possession of a farm in Biddulph Township, and for rents and profits derived from the farm since April 6, 1921, or rent, and for the proceeds of the sale of cattle, which the plaintiff alleges belonged ti him. The case has been entered for the non-jury session of the supreme court, which opens at the courthouse on Monday.

Plaintiff claims that Ann McCaffrey, deceased, mother of the defendants, was his tenant. He says that she received from him a cow and a calf, and that for them she was to give him one roan cow, one red cow and one yearling. He says that he leased the farm to the defendants for only one year, and that they claim that he leased for three years. He says that the defendants sold the cows.

Joseph McCaffrey says that he has no interest in the action, as he is only in the employ of Hubert McCaffrey as a farm laborer.

Hubert McCaffrey declares that when his mother died on April 6, 1919, he secured the farm for three years on condition that he performed the roadwork, pay the taxes, and pay the interest on the mortgage held by the Lambton Loan and Investment Company of Sarnia. He said that he paid all the money and that the plaintiff received it. He says that at no time has the plaintiff given him the required six months' notice to vacate on the date that the year ended. He says that C. J. McCaffrey never owned the cattle.

Meredith & Meredith for the plaintiff, Jarvis & Vining for the defendants.

300 MEDICAL MEN HERE ON THURSDAY

Ontario Neuro-Psychiatric Association Members To Meet At the Ontario Hospital.

The annual session of the Ontario Neuro-Psychiatric Association will be held in the Ontario Hospital here on Thursday, when many prominent medical men will address members present. Included on the program is a paper on "The Psychopathic Hospital," to be read by Dr. Barrett, medical director, State Psychopathic Hospital, University of Michigan, and one on "Suggested Revision of the Statutes With Respect to Psychoses," by Dr. Oaks of Preston.

The members, numbering about 300, will be welcomed at 2 p.m. by Mayor E. S. Little, Dr. H. A. Stevenson, M. L. A., and Dr. W. J. Robinson, medical superintendent of the Ontario Hospital. Other speakers during the session will include Dr. E. H. Young of the Ontario Hospital staff; Dr. C. M. Crawford, of Ontario Hospital, Whitby; Dr. H. Clare, Dr. H. W. Hill, Dr. G. Rowland, Dr. McNaughton, Dr. E. Clarke, Dr. George F. Boyer of Toronto, Dr. S. M. Fisher, Dr. F. W. Luney, and Dr. W. Mitchell. Dinner will be served at the hospital, to be followed by an evening session.

The papers to be read will be discussed at the meeting, and the latest research work along the lines of the scope of the association will be brought out. "Epidemic Encephalitis," which includes sleeping sickness, is the topic of a paper to be read by Dr. S. M. Fisher of this city, while Dr. George F. Boyer of Toronto will introduce the subject of epilepsy. The last meeting of the Ontario Neuro-Psychiatric Association was held in Hamilton.

FOREIGNER PLEADS GUILTY TO CRIME AGAINST WIFE

Remanded to Jail For Sentence by Police Magistrate.

Mike Sokolska, a foreigner, pleaded guilty in police court this morning to an unmentionable crime against his 17-year-old white bride of six weeks. He was sent back to jail to await sentence after her story and his story were heard.

On April 27 they were married in Chatham and later moved to Toronto, and then to London. On Monday of last week he could not pay his room rent, and said that his wife must get it some way or other. He told a story of her winking at men and trying to keep her on the straight and narrow path. Magistrate A. H. M. Graydon told him that he did not believe a word he said.

In the meantime the girl will be placed in jail on a nominal charge of vagrancy, as she has no place to go, but her father will be communicated with in an effort to have her taken to his home.

OLD-TIMER, DOWN FOR "TEN"

"You're Annoying Everyone in Town," Magistrate Tells Booze Artist.

One of the "oldtimers," who is still able to locate cases in dry Ontario, bobbed up in police court this morning and bobbed down again, when the gavel came down with a thump, and it was communicated to him that he was to have a parched tongue for ten days at the county jail.

"You're annoying everyone in town," declared Magistrate Graydon. "I'll have to avail myself of the amendment to the Ontario temperance act, and send you to the reformatory for three months, if you persist in coming here."

Silence was golden as far as the prisoner was concerned.

Charles Warden was fined $10 and costs, and Rachel Joyes was allowed to go on suspended sentence on charges of disorderly conduct. They were arrested in Queen's Park last night.

WILL HEAR APPLICATION.

Chicago, June 15.—Application of the American Railway Express Company for reduction of wages for its 80,000 employees, has been set for hearing before the United States Railway Labor Board next Friday. The company recently held conferences with its employees, but no agreement could be reached.

LONDON MEMBER RAPS OPPOSITION

Comes to Defence of Hon. Peter Smith Over Loans.

Dr. H. A. Stevenson, M. L. A. for London, commenting on the difficulties of Provincial Treasurer Peter Smith in floating the $20,000,000 provincial loan in New York, because of conditions on the money market, raps critics of the treasurer's action in floating the loan in Ontario last year.

"Last year some members of the Opposition criticized the provincial treasurer because he floated the loan in Ontario, with interest and principal being retained in the province," commented London's member to The Advertiser today.

"If I were the provincial treasurer I would put it up to them to float it, and see if they could do any better than he did last year. They were doing a lot of talking. I would keep my own bids to myself and see what they could do."

FIRE DEPT. WILL BE ENTIRELY MOTORIZED EARLY IN THE FALL

Horse-Drawn Equipment Will Soon Be Thing of the Past.

London's fire department will be completely motorized by next fall, according to the prediction of Ald. F. R. Watkinson, chairman of No. 1 committee, of the city council, who is acting mayor today.

"The new service truck ordered for the central station is well under way," he informed The Advertiser today. "When it is ready, in about three weeks time, we will start to motorize the other three halls, which have horse equipment at present."

"The new truck is being made right here in London, and when it is finished we are going to exhibit it to the citizens to prove that we are showing progress in patronizing our own industries. This truck, which will replace the horse-drawn hook and ladder apparatus, will cost a little over $9,000. We will have the whole fire department motorized by next fall, with the best equipment in Canada."

Purchase of three service trucks for outlying fire stations in London North, London South and on Adelaide street, has been ratified by the council, but tenders have not been called for as yet. However, Ald. Watkinson stated that this would be brought up at a meeting of No. 1 committee of the council today, so that steps may be taken at once to obtain the new motor apparatus.

City Briefs

VISITING NORWICH.—Staff Captain R. Penfold and Adjutant Martin of the Salvation Army are going to Norwich this afternoon with a view to opening a Salvation Army Hall in that town.

OPENING POSTPONED.—The date set for the opening of the new Salvation Army East End Hall, June 25, is not authorized, as the work on it is not expected to be completed by that time. A new date will be agreed upon later on.

AUTO COLLISION.—A car driven by Wilse Rodgers, Redan street, had a mudguard badly bent this morning on Clarence street, when the driver attempted to pass another car, driven by Fred Biggs of Rectory street. Mr. Biggs' car had a front spring broken.

NEW TENDERS.—New tenders have been asked for the new Grace Hospital to be located at Windsor, under the direction of the Salvation Army. The city council of Windsor has granted $60,000 to the financial committee for this work.

G. T. R. ADDING MEN.—One hundred and twenty men were added to the strength of the maintenance of way department in the local division of the G. T. R. during this week. The men will be employed in gangs in various parts of the division replacing worn ties and repairing the roadbed.

HAS ARM SLASHED—Errol Snelling, 19 years old, an operator in Penman's, Limited, factory here, had the arteries and muscles of his left arm seriously cut Tuesday morning. He was taken to St. Joseph's Hospital, where his condition late last night was reported as very favorable.

BADLY BURNED.—George Holmes, 947 Elias street, was badly burned at noon today, when spontaneous combustion occurred while he was cleaning some silk with gasoline at the American Dry Cleaning Works, 755 Dundas street. He was rushed to Victoria Hospital, where his wounds were dressed. Although he will recover, he will be confined in the hospital for some time.

BUILDING PERMITS.—A. W. Morrison has taken out a building permit for a 1½-story brick veneer dwelling on Beaconsfield avenue to cost $3,400, and George Wood has been granted permission to erect a 1½-story brick veneer dwelling, finished with stucco, on Talbot street, at an estimated cost of $3,800.

REPLY FROM ST. THOMAS.—E. V. Buchanan, general manager of the Public Utilities Commission, who last week wrote to St. Thomas to ascertain if it is possible to procure specimens from the Flower City zoo, disbandment of which was announced, has received a reply from Ald. McIntyre of the above city stating that it has not yet been definitely decided to abandon the zoo there, and that he would be notified if such a decision is made.

CONSERVATORY RECITAL. — An extremely enjoyable recital was given last night at the London Conservatory of Music by piano pupils of Miss Dorothy L. Munroe, assisted by elocution students of Miss Topley Thomas, and violin pupils of Mr. Roselle Pocock. The students played with fine expression and clean technique. Particularly interesting was the piano sextet and the piano quartet, the ensemble being well sustained.

The following were the students who took part: Helen Keene and Eileen Black, Margaret Carrothers, Edith Jones, Louise Blake, Delia Peckham, Dorothy Wright, Margaret Ross, Wilhelmina Lind, Miss Erle Young, Annie Wilner, Thelma Roberts, Edythe Essex, Nonie Wheaton, Mildred Essex, Catharine Porte, Willie Sharne, Elsie Murphy, Mrs. R. G. Wilson, Miss Elsie McLeod, Lillian Edmondson.

PRINTERS RECEIVE STRIKE PAY.

Toronto, June 15.—No negotiations were entered into by the employing printers with any of the striking trades this morning, nor was any expected this afternoon. Today the striking printers received their first full strike pay of $25 a week for married men, and $20 a week for single men.

UNION SERVICES FOR JULY AND AUGUST

Centennial Methodists and King Street Presbyterians To Combine.

Committees from the Centennial Methodist Church and the King Street Presbyterian Church decided at a meeting on Tuesday evening to combine their Sunday services and Wednesday evening prayer meetings throughout July and August.

Rev. J. E. Thompson of Wallaceburg, the new pastor at the Centennial Church, will preach the first Sunday to his own congregation, while the last four Sundays in July he will have the united congregations of both churches.

Rev. W. R. McIntosh will take over the same duties for the month of August.

Throughout the summer both congregations will attend one church, a change being made each Sunday.

The same procedure will take effect relative to the Wednesday evening prayer meeting.

The King Street Presbyterian Church choir will participate during July, but will be relieved by the Centennial choir for the month of August.

M. J. WILLIAMS HURT BY HUGE CROWBAR

Removed in Unconscious Condition To His Home, Sackville Street.

M. J. Williams, 105 Sackville street, was seriously injured about the head when he was struck by a flying crowbar while at work on the G. T. R. tracks a short distance east of Rectory street at 10 o'clock this morning. It is possible that his skull may be fractured.

When the police ambulance, in charge of Constable Walter Harpur, arrived, Williams was unconscious, and a physician ordered him removed to his home. A second man, who was standing near, was struck in the leg by the bar, but was only slightly hurt, as it had spent most of its force in hitting Williams. The men were laying plates at the time.

At 8 o'clock this morning the police had another call, removing a 16-year-old boy, who had taken sick on the corner of Dundas and Richmond streets, to his home.

Obituary

MRS. SARAH WILSON.

The death of Mrs. Sarah Wilson, widow of Robert Wilson of lot 7, con. 1, North Dorchester, took place at the above residence today.

The funeral will be held on Friday afternoon at 2:30 to Brown's Hill Cemetery, Nissouri Township. Services will be conducted at 2 o'clock.

ACCIDENT VICTIM BURIED.

The funeral of William Tazzman, son of W. R. Tazzman of London Township, was held from his grandfather's residence, London Township, to Brown's Hill Cemetery, Crumlin, on Tuesday afternoon at 3 o'clock.

Rev. S. Reid of Hill Street Methodist Church conducted the services at 2:30.

MISS BETSY McNEE BURIED.

The funeral of Miss Betsy McNee, 458 Central avenue, who died on Monday, was held from the above residence this afternoon to the Presbyterian Cemetery, Thamesford, at 2 o'clock.

The services were conducted by Rev. James McKay of New St. James's Presbyterian Church at the house at 1:30.

INFANT BURIED.

The funeral of the infant son of Mr. and Mrs. McLarty of 83 Becher street, was held to Woodland Cemetery at 3:30.

Services were conducted at 3 o'clock by Rev. J. G. Stuart.

C. O. F. APPROVES OF ACTION OF HIERARCHY

Ottawa, June 15.—The action of the Hierarchy of Ontario in petitioning the Ontario Government to turn over all separate schol taxes to the separate schools received the unanimous support of the Ontario division of the Catholic Order of Foresters at this morning's session of their annual convention in the Monument Nationale. The resolution setting forth the feeling of the convention in regard to this matter read: "The delegates to the annual convention of hte Catholic Order of Foresters, Canadian Division, are heartily in accord with the action of the hierarchy of Ontario in attempting to secure for the separate schools of the province all separate schol taxes, which are rightfully theirs."

JAPANESE COMMANDER DENIES AID WAS GIVEN TO THE ANTI-BOLSHEVIK

Tokio, June 15.—Charges made by the Government of the Far Eastern republic that the Japanese assisted the anti-Bolsheviki in their coup d'etat which resulted in the ousting of the soviet government of Vladivostok, are denied by General Tachibana, Japanese commander in that city. It was alleged that the Japanese disarmed the militia in the city, but the general declares that both the anti-Socialists and the militia were disarmed, for the reason that the Japanese would not permit activities of armed bodies in the zone of occupation.

General Tachibana declares that the militia abandoned its duty in preserving order and indulged in political strife by attacking the anti-Socialists.

DUKE OF DEVONSHIRE WILL FORMALLY OPEN OTTAWA RACE MEET

Ottawa, June 15.—Fair weather and a fast track are almost certain winners at the Connaught Park inaugural this afternoon. His Excellency the Duke of Devonshire will formally start the meet under way when he will be attended by a retinue from the Government House.

The opening day card is one that is claimed by race officials has not been surpassed by any Canadian track to date, and it is doubtful if it has been equalled. In all, 61 horses will parade to the post, which makes an average of eight a race. There are three races, which are limited to less entries.

The card for today should be productive of plenty of spirited contests. Four events are at one mile or over, two at six furlongs, and the other a two-year-old race at five furlongs.

DOESN'T LIKE ACTION OF NO. 2 COMMITTEE

Ald. Wenige's Request For Certain Information Filed.

Ald. G. A. Wenige does not take kindly to the action of No. 2 committee of the city council, which Tuesday night filed his communication requesting information regarding the city engineer's staff, and sand dryers purchased in 1920 and this year.

"I asked for information, and I am entitled to get it," he declared to a reporter today. "I am going to get it. I went at it in the proper manner to obtain this information from the city clerk upon instructions from No. 2 committee. This information is very valuable to the taxpayers. They are hiding somewhere, or they would give me the information that I want. I could have appeared in person before the committee and asked for the information, but I wanted to give time for it to be obtained."

Ald. Wenige declined to state what methods he would pursue in order to obtain the information, which involves the number of men employed by the city engineer, salaries, by whom and when appointed, and relationship of any employees to City Engineer H. A. Brazier. He also wants to know what became of the sand dryer constructed in 1920, how much it was utilized, and why a second dryer was purchased this year.

BREAD PROBE TO COME BEFORE COMMITTEE

Ald. Bridge Commends Ald. Brighton For Action.

"I was glad to see Ald. Brighton do that," said Ald. John Bridge, who has declared war on local bakers, to The Advertiser this morning, regarding the action of Ald. B. F. Brighton at the meeting of No. 2 committee of the city council Tuesday night, who moved that the committee request the attorney-general to empower the council to appoint a commission to investigate the local bread situation.

"That let's him out," continued Ald. Bridge, who alleges that local bakers can sell at a profit for 10 cents per 24-ounce loaf. "He receives no secret rebates because his business is not big enough. It is the big fellows that I am after. I believe Ald. Brighton has dealt honestly with the people who purchase his bread.

"I am going to bring the same request for an investigation before No. 1 committee of the city council today, and that will make the request unanimous. I have requested City Clerk Baker to wait until this committee takes action, and if they approve of my resolutions one letter can be sent to Attorney-General Raney asking power to appoint a commission. There is nothing new on the situation today, pending word from the attorney-general."

Cupid Is Giving City the 'Go By'

Weddings Are Not As Numerous As Last Year.

The recent hot weather seems to have made Cupid more lazy this month than in June, 1920, as he is twenty couples behind in the first half of the month than last year. At the London city clerk's office, 36 marriages have been registered this June, in contrast to 56 during the same time in 1920. This means that 72 young people have formed a life contract here during the month, although it is pointed out that a 30-day limit is allowed for registration of marriages, and when final results for the month are in Cupid may not be such a sluggard after all.

Many weddings announced to be solemnized during the latter half of the month in this city will swell the total, and may cause the bow and arrow expert to work overtime in an effort to establish a record.

QUEBEC LEGISLATURE IS EXPECTED TO HOLD SESSION THIS FALL

Montreal, June 15.—A provincial session this coming fall, possibly in September, is being discussed in Liberal political circles. Such a session would be the forerunner of general provincial

There are various matters that should

There are various maters that should be dealt with by the Legislature in order to pave the way for a general election, it is said. A certain dissatisfaction has been expressed with some of the provisions of the Quebec liquor law by several of the provincial deputies, and this dissatisfaction does not appear to have died away. This is because of the fact that tavern and restaurant permits cannot be given except in cities and towns, and rural districts must content themselves with hotel licenses, which permit the sale of beer and wine at meal-times only.

COMMISSIONER SAYS ICE CREAM A LUXURY

Ottawa, June 15.—Canadian Press.—In a judgment isused today the board of railway commissioners refuse the application of the manufacturers of ice cream that this commodity should be placed in the second class for express purposes, and not in the first class, as at present. In rendering his judgment, Chief Commissioner Carvell declared that ice cream is essentially a luxury.

WILL JOIN BOLSHEVIKI.

Vladivostok, June 15—Reports received here today declare that the Government of the Far Eastern republic, following a continuous conference of three days, has decided to join Soviet Russia, Anti-Bolsheviki have destroyed bridges across the Amur River between Blagovestachensk and Khabarovak, and communist gunboats on the Amur have bombarded villages taken over by the insurgents.

General Semenoff, who came here from Dalny for the purpose of taking over the leadership of the elements which ousted the Socialist Government three weeks ago, left the Kyodo Maru, on which he entered the harbor, and on which he was held a virtual prisoner, and boarded the Russian steamer Patroci yesterday. It is expected he intended to land at some point on the Siberian coast of the Amur Bay.

SANSONE AND WILNERS WILL BE SENTENCED ON SATURDAY

Crown Attorney J. B. McKillop Makes Announcement.

Sylvia Sansone, convicted by a jury before Judge Talbot Macbeth at the county court last week on a charge of attempting to break into Ward's cigar factory, and of robbing, with violence, Jacob Wolfe, an east end merchant, will be sentenced at 11 o'clock Saturday morning at the courthouse.

Harry and Jacob Wilner, convicted of receiving stolen goods, namely, silks taken from a Strathroy store by two men who are serving two years each in Kingston penitentiary, will be sentenced on the same morning, Crown Attorney J. B. McKillop announced today.

38 MILES OF LONDON STREETS NOW OILED

Two More Thoroughfares Are Added To List of No. 2 Committee.

London streets have been oiled for 38 miles, according to City Engineer H. A. Brazier, which is about 93 per cent of this work estimated for the year. Addition of several streets to the oiling program by No. 2 committee of the city council at its meeting Tuesday night will add two more miles to the total, making it 40.

In addition to the 40 miles of oiled streets, London possesses 34 miles of paved streets, to which additions are being made daily by large construction gangs. There are about 120 miles of streets in this city, and over half of this amount is either oiled or paved.

"QUEEN OF FLOWERS" ON EXHIBITION AT HYMAN HALL TODAY

150 Varieties of Roses Being Shown by London Horticultural Society.

The essence and the choicest beauty of London's finest gardens is concentrated in the Hyman Hall today, where the London Horticultural Society is holding its annual exhibition of roses and other seasonable flowers. In the great room of the hall, where the air is rich with perfume, on long tables artistically arranged, the "Queen of Flowers" reigns supreme in a colorful display.

Altogether more than 150 variety of roses, including many rare species, are on exhibit. There is also a splendid showing of foxglove, iris, pansies, a wide variety of daisies, sweet william, tall-reaching larkspur, flaming poppies, and the last peonies of the season.

Array of Bloom.

One would hardly dream that all the gardens of London put together would contain the multitude of roses with their different shapes, perfume and delicate coloring that are represented by the wonderful array of bloom. Each single rose and the various groups bear its name, so that any flower lover who wills might become acquainted.

Among the noteworthy and rarely beautiful roses on exhibition are the "Jochnheer L. Mock," pink with silvery tinted reflex; the "Duchess of Wellington," delicately fashioned and lemon colored; the "Kaiserine Augusta Victoria," creamy white; the "Chateau de Clois Vogeout," with velvety petals of deep red; the dark crimsoned "Lieut. Chaure"; the sweet-scented "Pink Killarney"; the "Flame of Fire," living true to its name, and the deep yellow "Rayon D' Or." There are also huge white bloom, clustered ramblers, and many, many others.

Exhibitors.

Following are some of the exhibitors of roses: William McNaughton, 294 Grosvenor street, who is showing 75 varieties; L. E. McGugan, W. E. Greenaway; H. Hartrey, James Fairley, E. Wyatt, K. Casselman, W. T. Lawrence, and E. C. Bowker, all of this city. Peonies and other seasonable flowers are being shown by T. H Hill, Malcolm Westland, Dominion Seeds, Hugh Wilkins and John Fraser.

The room is tastefully decorated by ferns and palms loaned by the Dominion Seeds.

Judging will be concluded this afternoon. The show will be open all of today and until late Thursday evening. Because roses are so generally popular, it is expected that thousands will visit the exhibition.

COST OF LIVING FIGURES DISPUTED.

London, June 15.—(Canadian Associated Press).—The joint labor committee today published a statement controverting figures issued by the ministry of labor regarding the cost of living at the present time in the British Isles. According to the figures of the labor committee, the rise in September last was 189 per cent above the 1914 level, or 23 points above the ministry's estimate. Since the labor committee's inquiries appear to have been conducted scientifically, and the ministry's official figures form the basis of innumerable wage agreements, demands for investigation have arisen in several quarters.

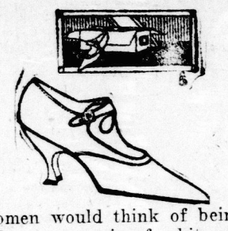
CADET TRAINING DISAPPROVED.

Regina, June 15.—Disapproval of the present system of cadet training in the schools of the province; of all forms of mixed dancing; of race track gambling, and newspaper guessing competitions, of scenes in motion pictures portraying crime and violence, the methods of criminals and sex features, and the holding of pugilistic encounters within the province, was voiced in various motions passed by the Saskatchewan Methodist Conference yesterday.

The conference also expressed its disapproval of any further system of religious education in public schools, by voting down a motion to provide for a traveling teacher of religion, who would work during school hours.

What is the use of storing up that old sideboard when you can easily sell it through an advertisement in The London Advertiser? Classified ads are read by everybody, and you will be able to find a customer readily.

White Shoes For Summer



Few women would think of being without at least one pair of white shoes for summer.

They are easy to clean and always look so fresh and immaculate, if one gives them just a little attention.

PRICES: $1.98 TO $8.00 THE PAIR

Ashplant's
146-148-148 DUNDAS ST

Most Popular Spot in City

Sister, Age 3, Immerses 9-Months-Old Brother in Thames Park Pool.

The most popular thing in South London these days from the standpoint of the younger generation is the wading pool in Thames Park. School closes none too quickly each day for the youngsters who rush home, don bathing suits of every style and description, and hike to Thames Park.

On Tuesday, among those present was a little chap and his "big sister." The latter is 3 years of age, while her ward is of the tender age of 9 months. "Big sister" insisted upon ducking the little fellow into the pool, regardless of the fact that mother had not dressed him for the occasion, and unmindful of the fact that he wore his Sunday clothes. The supervisor on duty was abut to remonstrate with her, when it was discovered that her charge thoroughly enjoyed the situation. Perhaps mother looked upon it in a different light when the pair returned home, but details of this phase are not recorded.

A youngster who took in the fun on Tuesday appeared with an empty cement barrel cut in half. He placed it in the pool, and without replacing his clothes by a bathing suit, proceded to cross the Rhine. To his horror, a youngster in a bathing suit grasped his ferry, which emulated a submarine, capsizing it and immersing him in the pool. Explanations to mother were in order on Tuesday night.

The water in the pool is changed daily, and in the near future a shack will be constructed in which the children will be allowed to change their clothes before and after enjoying the fun.

NEW YORK STOCK EXCHANGE.

New York, June 15—Wall Street, 10:30 a.m.—Oil shares registered sensational declines in the early trading on the stock exchange today as a result of latest developments in the Mexican oil situation. A block of 2,000 shares of Mexican Petroleum changed hands at the opening at 120, representing an over-night loss of 7 points. Pan-American Petroleum, which controls Mexican Petroleum, opened at a moderate loss, but this was immediately extended to 3 points. Royal Dutch, General Asphalt and Atlantic-Gulf featured the other reactionary shares of that group. Heaviness marked the dealings in Baldwin Locmtive, Pullman, American Sugar, Crucible Steel and numerous other industrials and specialties.

[Reported by Jones, Easton, McCallum Company fr The Advertiser.]

NEW CUSTOMS ACT DEFINED BY BOARD

OTTAWA, June 14. — (By Canadian Press.)—In view of the uncertainty occasioned by the recently enacted amendments to the customs act, the board of customs has ruled, effective as from June 6, that "in determining the value for customs duty purposes of goods entered for warehouse prior to June 6 and entered ex-warehouse for consumption on and after that date, the provisions of section 30 of the customs act shall apply as follows: 'Duty shall be payable in all cases on the quantity and value of goods in the warehouse as ascertained and stated on first entry, or as originally warehoused.'

"It is understood, nevertheless, that the provisions of the act to amend the special war revenue act, 1915, in effect from May 10, 1921, as respecting tax on sales, apply to all such importations when entered ex-warehouses for consumption."

LOTS OF HARVEST HANDS.

Washington, D. C., June 15.—A plentiful supply of labor for the coming wheat harvest in the United States is forecast in advices received today by the department of agriculture from its field agents throughout the west and southwest. In Kansas, where the harvest is about to begin in the southern sections, the supply already exceeds demand, it is said.

MONTREAL STOCK EXCHANGE.

The market's close was unfeatured by any startling changes, most of the leading issues remaining quiet all morning. Abitibi was down a point at 32, and Atlantic Sugar was quiet at 28. Brompton did not maintain its early advance, and closed at 30. Dominion Steel did not change, nor did Laurentide. Breweries went down a point to 51.

LIVE STOCK.
