And are intended to arrive in Montreal the evenings, in time for the Quebec Boats, at Seven o'clock.

IN addition to the Ports above named, Boats will call at the other important LAKE AND RIVER PORTS.

After the 20th day of September, the Boats will continue to call at Lewiston, and on the Port of departure, at 7½ o'clock.

Sailings of Mondays, Wednesdays, and Fridays.

Establishment of this Line will enable Passengers of Canada West to remain through Montreal as late as they had been by the Night Boats in Montreal, and to reach the West at noon, and connecting, as the Boats do, with up and down Express Trains, Rochester, Buffalo, they will afford direct conveyance to Passengers and Freight between the Canadas and the Eastern States.

It is deemed unnecessary to dwell upon the advantages of First Class Steamers passing direct from the head of Lake Ontario to Montreal, in preference to those of Lines that involve transhipment (on the downward trip) at an unseasonable hour in the morning.

In compliance with a generally expressed wish, on the part of the public, a separate Table will be made for meals.

☞ The Line will be commenced by the *HIGHLANDER* leaving Montreal on THURSDAY, the 28th instant; the *CHAMPION* on THURSDAY, 28th; and the *MAY FLOWER* will be out next month.

For Freight or Passage, apply to the Captains on board, or at the NEW THROUGH LINE OFFICE, No. 203, McGill Street; or to *CHAMPION* and *MAY FLOWER*, to Macpherson, Crane & Co., Montreal; Macpherson & Co., Prescott; Kingsmill and Hamilton, Port Hope; *LANDER*, to Hooker & Holton, Montreal, Port Hope, and Kingston.

Finnigan's Water.

Let all who wish sound health or get
Just try the famed Finnigan's water
Though others vainly try to put
And gain a market for their stuff,
This only can make good its boast,
The friend of all who need it most.

AS this is the season of the year when the public are most disposed to seek the aid of mineral waters, it is necessary that parties should be strongly warned against the hard-faced attempts to give a spurious reputation to certain other Springs, by the unauthorized and unwarrantable use of the names of eminent Physicians. To such an extent has this practice been carried, that one Physician of this city has been lately compelled publicly to deny that he ever gave a certificate testifying to the rare qualities of one of these Springs.

Another artifice had recourse to, by certain parties, is the publication of *old certificates granted to other Springs*, as if they had been given in favor of their own Springs. In fact, such is the spirit of jealousy excited at the overwhelming success of the far-famed Montpelier Water, that it can hardly contain itself, and is now seeking the most unfair means to impose on the credulity of the public. Such attempts, however, cannot succeed; every day the fame of the Plantagenet Waters is spreading wider and wider. Whilst it has its place in the Pharmacopœia as one of the most efficacious and efficacious of aperients, its use as a pleasant summer beverage is almost unbounded. There never was a mineral water which combined so admirably the two qualities of useful and agreeable, and to talk of competition or comparison is simply absurd. Ask the medical man what in nine cases out of ten is the first thing he prescribes, and he answers, Plantagenet Water. Ask the merchant what is his morning's draught, still the reply is, Plantagenet Water. Ask the professional man what lightens his labors and invigorates his health, and again we are told Plantagenet Water. Ask the hard-working mechanic, or laborer, what is the cheapest medicine for himself and family, and he will reply, a bottle of the Plantagenet Water. This extraordinary success has induced attempts, both in Montreal and the country, to substitute other spring waters for the Plantagenet—a fact of which the Proprietor has been directly informed by Medical gentlemen of this city. In short, no attempt is left untried by these persons who wish to trade on the unparalleled reputation enjoyed by the Plantagenet Water. To guard against deception, therefore, the public are requested to supply themselves *direct from the Depot, Place D'Armes, Montreal.* Price per gallon, 1s; bottled, 2s the dozen; bottles returned, 1s; bottled per glass. The demand for this Water, by the glass, averages 200 glasses every morning.

NEW CERTIFICATE.

The following from Dr. Munro, Chief Physician of the Hotel Dieu, adds one other to the overwhelming testimonies borne to the virtues of the Plantagenet Water by all our leading Physicians:—

To Mr. Larocque, Proprietor of Plantagenet Water, Place D'Armes.

Sir,—I have hitherto refrained from giving you my opinion of the Plantagenet Water; but the time has now arrived when it is just, both to the public and yourself, that I should do so. I state, then, frankly, that I have the highest opinion of the Plantagenet Water, which I consider superior—in fact, far beyond comparison with any other mineral water with which I am acquainted. I have used it extensively in my practice at the Hotel Dieu Hospital, and with the most remarkable success. As a gentle aperient, its use is invaluable; and in numerous cases where other medicines could not be safely employed, I have found it most useful. I consider it a duty, both to the profession and the public, to make this much in its favor; and I strongly recommend all the heads of families to keep a supply of the water by them, being perfectly satisfied of its great utility.

I have the honor to be, Sir,
P. MUNRO, M.D.,
Chief Physician in the Hotel Dieu Hospital, and Lecturer of Surgery in the School of Medicine, of Montreal.
Dalhousie Street, 4th August, 1851.

In conclusion, let it be borne in mind, that it is not simply as a saline drink that these waters are beneficial, but from the fact that they are an oily, fattening property, unknown to any waters besides. There is, in fact, but one Plantagenet Spring, and the more it is known, the higher its reputation, and the more all others sink into insignificance beside it.

It is enough to read the names given below, of parties who have used the Plantagenet Waters, to be satisfied of their superior excellency over all others:—

Duncan W. Nelson, W. Fraser, G. W. Campbell, A. Heldt, A. McCulloch, R. McDonnell, Crawford, J. G. Bibaud, R. H. Trudel, H. Mount, J. L. Leprohon, S. C. Sewell, F. Badgley, — Pelletier, J. M. Cellerier, C. F. Tavernier, G. D. Gibb, F. Rolph, Thomas Grant, L. H. Massue, H. Peltier, H. Nelson, S. B. Schmidt, W. F. Smith, P. Munroe, F. Ledue, W. Wright, Ed. Boyer; the Hon. A. N. Morin, the Hon. Peter McGill; the Hon. Louis Joseph Papineau; C. Wilson, Esq., Mayor; E. Fabre, Esq., Ex-Mayor; — Belleau, Esq., Mayor of Quebec; J. B. Bernard, Esq., Ex-Mayor of Quebec; J. N. Lepoidevin, Esq.; J. Bellet, M. P.; Maurice Prouls, Priest; J. S. Cameron, Esq.; and many others.

Sold only at No. 6, Place D'Armes, Montreal, where parties from the country, who want it to sell again, can be supplied at liberal rates.

For sale also in Beauharnois by Mr. Robert Tom, and Carillon by Mr. C. W. Schmidt.
