VARICOCELE & STRICTURE

No other disease is so prevalent among men as Varicocele. As it interferes with the nutrition of the sexual organs it produces emissions, loss of semen through the urine, decay of the organs, pains in the loins, aching in the back, nervousness, despondency, bashfulness, palpitation of the heart, constipation, and a combination of these results in complete **Loss of Manhood.** Thousands of young and middle-aged men are troubled with **Stricture.** If you have reason to believe you are afflicted with it, don't neglect it. It will ruin you. Don't let doctors experiment on you by cutting, stretching or tearing it. Our **New Method Treatment** dissolves the stricture tissue hence it disappears and can never return. Cure Varicocele and Stricture without operation or loss of time. The treatment may be taken at home privately. Send for our Free Illustrated Book on **Varicocele, Stricture and Gleet. We guarantee to Cure or No Pay.**

Kidneys & Bladder

All sexual complaints affect these organs, hence the kidneys are a great source of disease. Have you aching or weakness over the small of the back, tendency to urinate frequently, deposit in urine, coldness of hands or feet, a drowsy feeling in the morning. Don't neglect your kidneys. Our **New Method Treatment** is guaranteed to cure any disease of these organs or no pay.

No Names Used Without Written Consent.

Before Treatment.

O. W. Rowe, of Jackson, Mich., says:—I had varicocele in the secondary stage and two strictures of 8 years standing. I was operated on twice, undergoing great suffering, but only got temporary relief. I was finally advised to try the **New Method Treatment** of Drs. K. & K. The enlarged veins disappeared in six weeks, the stricture tissue was removed in eight weeks and my sexual energy and vitality returned so I was a man in every respect. I recommend you doctors with my whole heart."

CURES GUARANTEED. NO CURE NO PAY.

After Treatment.

We treat and cure Nervous Debility, Lost Manhood, Varicocele, Stricture, Syphilis, Gleet, Weak Parts, Gonorrhœa and Unnatural Discharges. Consultation Free. Books Free. Write for Question List for Home Treatment.
