BOOK CIRCULATION EXCEEDED MILLION

Toronto Public Library Board Reports Splendid Progress During Past Year.

Splendid reports for the past year were submitted at the annual meeting of the Toronto Public Library board held yesterday afternoon. The retiring chairman, T. W. Banton, reported 25 new employes added to the staff, and two new libraries installed. The eastern branch in the Y.M.C.A. building at the corner of Gerrard and Main streets, East Toronto, where rooms have been rented for the purpose, and the Beach branch at Queen and Hambly avenue.

G. H. Locke, chief librarian, reported that for the first time the circulation of books has exceeded a million, and that 26,000 new books have been placed on the shelves and 706 cleared out. These have been accumulating since 1883.

In recognition of his services, the retiring chairman was presented with a set of books entitled "Chronicles of Canada," which were written by Professors Wrong and Langton. The reports show in every department steady progress.

PATRICK DE ORO IN FORM AT OTTAWA

Winning Classified Event in Straight Heats—Golden Rex Beat Birdie Welsh.

OTTAWA, Jan. 29.—Beautiful weather again prevailed for the second day of the Hull Driving Club meeting on the Ottawa River. Altho the thermometer was lower still there was no wind, and it would be considered an ideal winter day. The attendance was about the same as yesterday. Three races were carded, besides the unfinished race of yesterday, which was won by Major Hunter after a hard drive thru the stretch.

The second race was a classified trot or pace for a purse of $400, with eight starters. Birdie Welsh opened favorite in the pools, selling for $10, Spear Olcott $8, Bellington $6, Geo. Lacondo and Golden Rex $3 each, and the balance of the field $4. Golden Rex won the first heat quite easily, with the favorite second, Lord Ermine being third.

In the second heat Geo. Lacondo got away well, trailing the pole horse and easily beat Golden Rex thru the stretch, who finished second, with Birdie Welsh third. Time 2.21¼. Lacondo was favorite for the next heat, but Golden Rex, who had trailed for the first half, pulled out at the three-quarter pole and easily defeated his field, Geo. Lacondo giving him an argument thru the stretch, but could not quite get there. The final heat was won by Golden Rex, he leading from wire to wire, with Lacondo second and Lord Ermine third.

The second race was also a classified event, in which Patrick De Oro, the Calgary wonder, showed some of his form. From an outside position he picked up his field one after the other and at the half was going easily in front and was never in any trouble at any time during the race, winning in straight heats. Vis, a pacer from Malone, N.Y., was the contender, but could not quite reach. The time was slow.

The third race was a classified trot, with four starters. This race remains unfinished, Miss Brownlee winning the first heat, while the Gleaner won the second in a close finish with Tom Millerton. THREE GERMAN SHIPS GIVEN BAD MAULING

Derfflinger Greatly Injured by British Gunfire—Two Hundred Wounded Pass Hamburg.

Special Direct Copyrighted Cable to The Toronto World.

LONDON, Jan. 29.—In a despatch from Amsterdam today The London Chronicle's correspondent says: "From special German sources, the reliability of whose information has been proved time after time during the war, I learn that in the naval battle on Sunday, besides the loss of the Blucher, three other German warships were badly damaged. The largest of the enemy's battle cruisers the Derfflinger, suffered great injury from British gun fire and is now being overhauled at Hamburg. The Seydlitz and Moltke both lie in Cuxhaven also in a severely damaged condition. Over 200 wounded German bluejackets have passed thru Hamburg. The ill-fated Blucher was one of the vessels transferred from Piel to Wilhelmshaven not long before the sortie."
