TORONTO LIVE STOCK.

Toronto, Feb. 19—We had only 53 car load of live stock coming to the western cattle yards this morning, but this, added to what was over from yesterday, was ample for all business requirements. The market can best be described as a dull and uninteresting one, with no quotable change in price.

The receipts comprised about 700 hogs, 450 cattle, 300 sheep and lambs, and a few milkers and calves.

Shipping cattle were in fair demand at from 4 1-4 to 4 3-4c., with 5c. for fair selections; for a few choice lots 5 1-2c and 5 1-4c was occasionally paid.

All the best butcher cattle here found a ready sale at from 3 3-4 to 4 1-4c per lb.; medium sold at from 3 1-4 to 3 5-8c per lb.; but common cattle were slow sale at weakening prices.

Far too much poor cattle is coming along and, of course, it interferes with the value of the best stock.

Stockers were weak again to-day, owing to weakness in Buffalo; prices to-day ranged from 3 to 3 1-2c per lb., but they had to be extra choice to realize the latter figure.

Feeders were easy and not much enquired for at 3 1-2 to 3 3-4c per lb.

Milk cows sold at from $25 to $50 each, milkers are wanted.

The enquiry for "small stuff" was dull, but prices were unchanged from yesterday.

Hogs are steady and unchanged.

Sheep are worth from 3 to 3 1-2 per lb.

Lamb sold at from 5c to 5 1-2c per pound.

Bucks are unchanged at from 2 1-4 to 2 1-2c per lb.

Common rough calves are a poor sale, but good veal calves are in demand, and will sell up to $10 to $12 each.

BUFFALO LIVE STOCK.

East Buffalo, Feb. 17.—Cattle—Rather slow of sale; the feeling on the choice kind of butcher was a little stronger.

Calves were in moderate supply, demand good, and higher; choice to extra, $8 to $8.25.

Good to choice, $7.50 to $8.

Sheep and lambs—The total offerings were 44 loads; choice lambs higher and sheep steady.

Choice to extra lambs were quotable at $7.15 to $7.30.

Good to choice, $7 to $7.15.
Common to fair, $6 to $6.75.
Yearlings, sheep, $6 to $6.35.
Mixed, $5 to $5.60.
Ewes, $5.25 to $5.50.
Wethers, $5.50 to $5.75.
The offerings were well cleaned up. The close was steady.

THE SLATER SHOE

Business Moods.

When a good man swears on a wet day it's more than likely the profanity comes from *his feet*.

The shoe that pinches spoils the temper, irritates the nerves, impairs digestion, and obscures the merry sunshine of life.

It had to fit the shoe.

Success or failure in life oft hinges upon a man's mood at critical moments, and the way his *feet* feel sometimes sways destiny.

A pair of "Slater Shoes" may unconsciously save a fortune, but can't cost more than $5.00.

It's cheaper to *throw away* a shoe that hurts than to *keep* it, and mark this—*new* "Slater Shoes" need no *breaking in*.

A tag on each pair tells just what leather it is made of—how it will affect the feet—and the wear it *will*, or will *not* give, according to use.

The makers name and price stamped on the sole protects against imitations of Goodyear Welt, and ensures value *every* time to the wearer. $3.50 and $5.00.
