Easy Way to Remove Freckles and Eruptions

Some women have skin of such texture they occasionally are annoyed by the sudden appearance of freckles, slight eruptions or fine lines. March winds usually play havoc with skins of that kind. In such cases if one will procure an ounce of common mercolized wax at any drug store, apply a little of it before retiring, like cold cream, she can easily overcome the trouble. When the wax is washed off the next morning, flaky skin particles come with it. The entire outer cuticle is removed in this way in a week or so, with all its defects. No bleach could so effectually remove freckles or blemishes. The new surface is smooth, clear, fresh looking. No harm or inconvenience accompanies this simple treatment.

For deep wrinkles or crowsfeet, a solution of powdered saxolite, one ounce dissolved in a half pint of witch hazel, makes a face bath which is wonderfully effective.—Advt. b

"Is My Account Worth Having?"

Decidedly—yes!

Desposit your dollar or more. Add a little each week or month and The Huron & Erie will consider your account of more importance than if started with one hundred dollars and not added to within a year.

Why? Because systematic savers make successful savers.

We welcome small accounts. They receive the same good care and attention as large ones.

SAGE TEA TURNS GREY HAIR DARK

It's Grandmother's Recipe To Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns grey or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the grey hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

RHEUMATISM LEFT HIM AS IF BY MAGIC!

Suffered For Over 60 Years.

Now 83 Years Old.

Goes Fishing and Feels Splendid!

J. B. Ashelman, Fargo, N. Dak.

"I am 83 years old and have been doctoring for muscular rheumatism ever since I came out of the army over 50 years ago. Like many others, I spent money freely for so-called 'cures,' and I have read about 'Uric Acid' until I could almost taste it. I could not sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. But now I am again in active business and can walk with ease or write all day with comfort. Friends are surprised at the change."

HOW IT HAPPENED.

Mr. Ashelman is only one of thousands who suffered for years, owing to the general belief in the old, false theory that "Uric Acid" causes rheumatism. This erroneous belief induced legions of unfortunate men and women to take wrong treatments. You might just as well attempt to put out a fire with oil as to try and get rid of your rheumatism by taking treatment supposed to drive the Uric Acid out of your blood and body. Many physicians and scientists now know that Uric Acid never did, never can and never will cause rheumatism, that it is a natural and necessary constituent of the blood; that it is found in every new-born babe, and that without it we could not live!

These statements may seem strange to you, because you have all along been led to believe in the "Uric Acid" humbug. It took Mr. Ashelman 50 years to find out this truth. He learned it from a book that is now being distributed free by the author, who has devoted over 20 years to the study of this particular disease. If you wish a copy of this book that reveals startling facts about the cause and scientific treatment of rheumatism that have been overlooked by doctors and scientists for centuries past, simply send a postcard or letter to H. P. Clearwater, Ph.D., Thirteenth Street, Hallowell, Maine, and it will be sent by return post without any cost or charge whatever. Cut out this notice lest you forget, and if not a sufferer yourself hand this good news to some friend who may be afflicted. b
