☞ TO THE PUBLIC. ☜
BUTCHART'S RESTORATIVE BALSAM.
THIS invaluable Medicine has been sixteen years before the public, and has invariably been attended with unparalleled success,—indeed it may be justly considered INFALLIBLE in the cure of Bloody Flux or Dysentery, and all Looseness of the Bowels, in old or young. Its effects are palpable. Within a few minutes after a full dose has been taken complete relief is obtained. This Medicine is the invention of the late Doctor Butchart, Dundee, who, from long experience and extensive practice, has brought it to its present state of perfection in the cure of the above diseases. The ingredients of which this Medicine is composed are most salutary and beneficial to the human system. A single trial will satisfy any one as to the truth of this statement, and we can with the greatest confidence recommend it to the public as a sure and safe remedy.
To be had only of WM. LYMAN & Co., Montreal, and JOS. BOWLES, Quebec.

THRASHING MACHINES.
LETTERS PATENT.
TIME AND LABOR SAVED IS MONEY EARNED.
THE subscribers having secured to themselves the exclusive right of manufacturing and vending to others to use within the territory of Upper and Lower Canada,
SEVERANCE'S CELEBRATED IMPROVED HORSE POWER & THRASHING MACHINE,
one of the most valuable time and labor saving Machines ever devised by human ingenuity, respectfully inform the public, that they have just completed a new and extensive Factory on Wellington Street, extending from Prince to George Street, which gives them more than double the accommodations they had in the old shops, which will hereafter, they trust, enable them to supply the whole farming community of the United Provinces with a machine that will thrash and clean more grain in a day, with less expense and with greater cleanliness, than any other known invention—only requiring two horses.
We beg leave to say to our customers and friends, that we are again prepared to furnish those in want of Thrashing Machines with an article superior even to those heretofore manufactured by us.
Our long experience in making, and the very liberal patronage we have enjoyed in the sale of our Machines, has, together with a constant determination to produce an article that will never fail to excel all others, caused us to watch carefully all the improvements that could be made from time to time, until now we feel confident in saying, that for durability, neatness of work, and amount of it they can do, our Thrashing Machines are unequalled by any in use. And while the grain is thrashed clean, and none of it broken or wasted, it is, at the same time, perfectly cleaned, fit for the Mill or any Market.
All orders addressed to us, or our Agent, Wm. Johnson, will be promptly attended to.
Machines shipped to any port in Canada, and every one warranted to be as good as recommended.
Liberal terms of payment allowed.
B. P. PAIGE & CO.
Whereas, Letters Patent were obtained, bearing date March 5, 1849, on said Machine, the public are cautioned against purchasing, using, or manufacturing any imitation article, as all infringements will be dealt with according to the law of the land.
All genuine Machines will be accompanied by a Deed signed by B. P. PAIGE, the owner of the right, giving the purchaser the right to use or transfer the same. Without such a Deed, no person will be safe in purchasing or using said Machines.
B. P. PAIGE.

CALEDONIA SPRINGS.
THE "CANADA HOUSE,"
AT THE ABOVE
CELEBRATED AND FASHIONABLE
WATERING PLACE,
IS NOW OPEN FOR THE
RECEPTION OF GUESTS.
VISITORS may rest assured the arrangements will be such as to insure every satisfaction—and that INVALIDS will be particularly attended to.
PRICES OF BOARD FOR THE SEASON OF 1851:—FIVE SHILLINGS PER DAY, or FIVE POUNDS PER MONTH.
Caledonia Springs, 2nd June, 1851.
[Extract of a letter from P. J. Lacroix, Esq., of Montreal.]
I beg to state that in July, 1850, I went to the Springs for the purpose of testing their efficacy in a case of the most violent Rheumatism, under which I had been suffering for several years previous. After remaining at the Springs for about three weeks, and drinking free use of the Waters, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my friends, to whom I have recommended the Springs, assure me that they have experienced immediate relief from their use. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.
To the proprietor of the Caledonia Springs.
MONTREAL, 4th June, 1851.
DEAR SIR,—In compliance with your request, I have much pleasure in giving you my opinion of the extraordinary efficacy of the Waters of the Caledonia Springs, so long and highly appreciated by the Public, based upon the observations of some twenty-five years' experience, and tested as they have been by a great many patients of mine and others, labouring under Rheumatic affections and the different forms of disease to which the human frame is liable, I consider them invaluable. [illegible] except those who have suffered from this dreadful malady, [illegible] justly appreciate their wonderful salutary effects. I have often seen persons martyrs to this disease, (myself for one during ten years,) which baffled all medical skill, both in England and on this Continent, resort to the Caledonia Springs after one or [illegible] they that could not walk at all, [illegible] worn out by protracted sufferings, and [illegible] brought down by constant [illegible] their general health [illegible], return to their homes free from pain, [illegible] with health, strength, appetite, and activity [illegible]. Striking as such results are, the curative action of these Waters, in the intermittent and Sulphur Springs in particular, have been almost as efficient in other diseases, such as those generally called Salt Rheum, and other affections of the skin; in a variety of Dyspeptic Complaints, Chronic Affections of the Liver and Kidneys; and I am sure that a great number of those cases that have the Springs greatly benefited, but not completely restored, would have been cured by a more extended use of the Waters. That these Waters have acted [illegible] to be generally [illegible] any to this effect [illegible] that to say more [illegible].
[illegible] MOUNT, Member of Royal College of Surgeons, London.
To John L. Wilkinson, Esq., Proprietor of the Caledonia Springs.
MONTREAL, 14th December, 1849.
DEAR SIR,—I have to state that I consider the use of the Caledonia Waters a very [illegible] curative agent in the treatment of many forms of disease. Circumstances enable me to grant you a favorable Certificate with more than usual [illegible], [illegible] many of my own Patients tested the efficacy, [illegible] of [illegible] from the use, of the Waters. Of all diseases that have come under my notice, in which [illegible], [illegible] Baths and Waters, I [illegible] of Chronic Rheumatism [illegible] with a case [illegible] female, had [illegible] whose months the [illegible] severely for [illegible] and could only walk [illegible] with great pain and difficulty. After a course of six weeks at the springs, she returned free from pain, and [illegible], with a considerable [illegible]. I have also found the Waters useful in [illegible] and Urinary Complaints, in Chlorosis, Secondary Syphilis, and some of the forms of Cutaneous Disease.
In conclusion, I have no [illegible], from a personal visit to your establishment, [illegible] of the [illegible] and [illegible] of the place, and the [illegible] you have been put to in the [illegible] bestow to the [illegible] comfort and [illegible], [illegible] a large share of patronage.
I remain, dear Sir, yours very truly,
GEORGE W. CAMPBELL, A.M., M.D., Lecturer on Surgery, McGill College.
To the Proprietor of the Caledonia Springs.
[illegible] Nov. 8th, 1849.
[illegible]
I have never visited the Establishment, but I have often heard it most favorably spoken of.
I am, Sir, your obedient servant,
JAMES CRAWFORD, M.D.
To the Proprietor of the Caledonia Springs.
☞ A FRESH SUPPLY of the above WATERS has been received at the Depot, which can be had at the Counter, or sent to order to any address in town or country. Price of the Water very moderate.

ICE! ICE!!
THE Subscriber possesses a Receipt to enable any person to make ICE, in any climate, with but little expense or trouble. The process is simple, and can be accomplished by the most limited understanding, as to produce from even warm water, in the hottest climate, a pure ice, equal in every essential to that formed by natural causes. The luxury of always having at one's will, in the heat of summer, a pure and delicious Ice, will readily be conceded; and its advantages, in cases of sickness, cannot be too greatly prized. By this same process warm water can be rendered delightfully cold in about five minutes, and ice creams, with many other luxuries, can be made in from ten to twenty minutes.
The following notice of this great discovery is taken from the New York Sun:—
"A REAL LUXURY.—Dr. James R. Wilmington produces by an artificial process pure and solid ice from warm water, in the heat of summer, in less than half hour. And he can render a barrel of water as cold as ice itself in a very few minutes. This discovery must be of immense value to all living South."
TERMS.—This Receipt, which contains full instructions for making ice and ice creams, cooling water, and numerous other useful matters, will be forwarded to order for TWO DOLLARS, by addressing
DR. JAS. R. WILMINGTON, 128, Nassau Street, New York.
One Agent only will be appointed in each County, and those desiring the Agency must forward $50, for which they will receive 37 copies of the pamphlet, containing full instructions.
