Who Are the White Men Leading the Mashonas?

Canadian Liberals Credited With Something More Than Mere Lip Loyalty—How Ireland is Overtaxed.

THE CZAR SICK.

St. Petersburg, June 26.—The Czar is suffering from an attack of jaundice.

DOCTORS OF DIVINITY.

Oxford, June 26.—The honorary degree of D. D. was conferred yesterday morning on Dr. Anson, ex-bishop of Qu'Appelle, and upon Dean Hoffman, of New York.

JAPAN'S AWFUL VISITATION.

Yokohama, June 26.—It is now stated that 27,000 persons were drowned and 8,000 injured during the recent tidal wave an earthquake in the northern province of Japan.

THE LOSSES AT VAN.

Constantinople, June 26.—Armenian losses during the recent rioting at Van are estimated to have been 1,500 killed, while the Turks' loss was 200. The dispatch adds that the Kurds are gathering from all directions to pillage Van.

IN CONCERT.

London, June 26.—In the House of Commons Right Hon. George N. Curzon stated that the representatives of powers at Constantinople were in entire accord as regards Crete, and had jointly urged the Porte to maintain order in that island.

SPAIN IS SENSIBLE.

Madrid, June 26.—The Senate, by a vote of 88 to 44, rejected the proposal of Prof. Comas that the protocol of 1877 with the United States be abrogated. Senor Jemeno, in supporting Prof. Comas' demand, criticised the Government for its weakness in the face of the United States.

WHO LEADS THE MASHONAS?

Buluwayo, June 26.—Capt. Turner with a British patrol made an attack upon a native kraal at the Beatrice mine. The Mashonas resisted the attack, and poured a heavy fire into the patrol, compelling Capt. Turner to abandon his wagons and retreat. He was successful in saving his ammunition. The men comprising the patrol forces declare that trained white soldiers are assisting the Mashonas.

GUILTY BEYOND BOUNDS.

The Chronicle publishes a letter from Mr. Gladstone on the subject of the Armenians, in which he says: "Nobody uses language half strong enough against the Sultan and his agents. To describe their guilt is beyound all bounds, and the language ought to go beyond all bounds. My choice is between far out-Heroding everybody and absolute silence, for my language abstractedly might plausibly be ascribed to temper, whereas it would be perfectly cold-blooded. I am silent only for fear of doing harm. The European mind wants plausible excuses to cover its disgrace. I do not wish to furnish them."

IRELAND OVERTAXED.

London, June 26.—The report of the Royal Commission on the financial relations between England and Ireland states that the increase in taxation in Ireland between the years 1853 and 1860 was not justified by the then existing circumstances. While the actual tax revenue of Ireland was about one-eleventh of that of Great Britain, the relative taxable capacity of Ireland does not exceed one-twentieth. The report of the commission adds that Ireland is now overtaxed $13,750,000 annually.

FOR PEACE.

London, June 26.—The American Congregationalist pilgrims were accorded a reception in the library of the memorial hall of Dr. Guinness Rogers' church. Dr. Rogers welcomed the Americans, and then Rev. Hugh Price Hughes addressed the pilgrims. During the course of his remarks, he turned suddenly to the Stars and Stripes and Union Jack and said: "There is one thing I want to say to you Americans. It is that that flag and this must never meet on the field of blood." The audience rose, cheered lustily again and again. Rev. Mr. Hughes urged the visitors to press upon their Government the necessity of a permanent council of arbitration.

SOMETHING MORE THAN LIP LOYALTY.

London, June 26.—The Times says of the result of the Canadian elections: "We are glad to see a man of the French race (Mr. Wilfrid Laurier) Premier of the Dominion, because it is another conspicuous token of the solidarity of the two races beneath the British flag."

On the subject of the Canadian tariff, the Times says: "No very sweeping changes are to be expected. Still, any changes that are introduced are likely to be in the direction of the assimilation with the tariff of the mother country. There have been periods when the sentiments of the Canadian Liberals toward Great Britain were believed to be more than cold. But all hesitation has since passed away. The new Premier and his adherents are as unimpeachable in their loyalty to England as their Conservative rivals."

The Chronicle (Liberal) says: "Certain Liberals in Canada have always been regarded as the friends of Washington. While Mr. Laurier's staunch and never-failing loyalty to British institutions relieves that friendship of any ultimate political object on his side, we in England will heartly welcome any step his party is able to take to bring the whole English-speaking race into a more intimate commercial, and perhaps even, in time, political alliance."

The Annuities will be in the form of certificates signed by the Provincial Treasurer guaranteeing half-yearly payments at the office of the Provincial Treasurer in Toronto of sums of $100 or larger sums, on the 30th day of June and 31st day of December in each year for 40 years from the 30th day of June next. As Britain Views It.

Hon. Edward Blake on Mr. Laurier's Great Victory.

Canadian Stocks Go Higher the Day After the Election.

London, June 26.—The journals of all shades of political opinion dwell upon Mr. Laurier's patriotism and high personal character, and his pledges for economy. The Canadian Government and other stocks show no tendency to drop; in fact, they stand somewhat higher than at the last settlement. Canadian Pacifics dropped slightly yesterday, but recovered today. Grand Trunks are higher. A leading Canadian dealer laughed today, when asked if the election depressed the stocks.

The English Liberals generally and many of the Conservatives think that Mr. Laurier has a chance to do splendid service to the cause of peace and progress by removing the causes of friction with the United States, and in helping to bring about a spirit of cordial good-will in Anglo-American trade political questions, while preserving and strengthening Canada's ties with Great Britain. It is earnestly hoped that Mr. Laurier and the leading Liberals will take the earliest chance of visiting England, where they will be assured of the heartiest welcome from all. Hon. Edward Blake shows the keenest interest in the election. He always refuses interviews, but chatting with me today he said he heartily rejoiced in the victory of Liberalism on behalf of which he spent so many years. It is believed that Mr. Blake welcomes Mr. Laurier's frank and repeated disavowal of any policy of anti-British tendencies.

Latest Election Returns.

Various Changes, but a Good Majority for the Liberals Still Maintained.

Mr. N. F. Davin is reported re-elected for West Assiniboia by two majority, but a recount is exepected to seat the Patron-Liberal (Mr. McInnes).

Mr. Graham, the Patron candidate, is reported to have beaten Major McGillivray in North Ontario by one vote.

The Liberals have secured plenty of evidence of Government corruption in Winnipeg, and Mr. Hugh John Macdonald's election will be protested. In several booths the polls were closed for a time because of shortage of ballots.

The election of Mr. James McMullen was celebrated with much zest by 4,000 Wellingtonians in Harriston.

TUPPER WILL RESIGN.

Mr. Laurier Will be Premier of Canada by Dominion Day.

Ottawa, June 26.—At yesterday's meeting of the Cabinet the political situation was thoroughly discussed and conclusion reached that as soon as certain routine business was disposed of the Ministers will tender their resignations to his Excellency. This business will only take a day or two, so that by Monday or Tuesday or next week Mr. Laurier will be engaged in the task of forming his Cabinet.

LIFE SAVED.—Mr. James Bryson Cameron states: "I was confined to my bed with inflammation of the lungs, and was given up by physicians. A neighbor advised me to try Dr. Thomas' Eclectric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice, I procured the medicine, and less than a half bottle cured me; I certainly believed it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me any good."

In England less than 90 years ago it was not unusual for a man to sell his wife into servitude.

Prominent Lawyer Says:

"I have eight children, every one in good health, not one of whom but has taken Scott's Emulsion, in which my wife has boundless confidence."
